USF INTERNAL MEDICINE & PEDIATRIC DIVISIONS OF ALLERGY AND IMMUNOLOGY

Happy Birthday to all our July birthdays - Drs. Salman Aljubran, Sean McKnight, Mark C. Glaum, Fatima Khan, George E. Stewart, Steven Cole, and Adriana McCubbin

A salute to the Johns Hopkins All Children's Hospital 2020 graduates!

Jacqueline Squire, MD, originally from Ocala, FL, obtained her undergraduate degree from the University of North Florida in Jacksonville, FL and her medical degree from University of Miami Miller School of Medicine. She completed her residency in Pediatrics at Duke University Hospital in Durham, NC. She then returned to Florida for her Allergy and Immunology fellowship with USF – John Hopkins All Children's. After graduation, Jacqueline is joining the Allergy and Immunology department of the Mayo Clinic in Jacksonville. She looks forward to expanding genetic testing for immune deficiencies and outpatient pediatric care at the Mayo Clinic in Jacksonville.

Irina Dawson, MD was born in Russia and raised in New York City. She attended NYU for undergraduate studies and earned her M.D. from St. George's University School of Medicine. She went on to complete a pediatric residency in Buffalo, NY and a fellowship in Allergy & Immunology at USF-Johns Hopkins All Children's Hospital. After graduation she joined her husband in Virginia where he is currently stationed aboard Marine Corps Base Quantico. She looks forward to starting a position with Allergy Partners of Fredericksburg where she hopes to expand her interests in the field of food allergy, oral immunotherapy, and drug allergy. In her spare time, she enjoys outdoor activities with her husband including hiking, running, and gardening.

We wish Drs. Squire and Dawson the very best as they embark on their medical careers in allergy and immunology!
