

USF INTERNAL MEDICINE & PEDIATRIC DIVISIONS OF ALLERGY AND IMMUNOLOGY

Dennis K. Ledford, MD was recognized by the Florida Allergy Asthma and Immunology Society (FAAIS) during its annual meeting, July 16 – 18, 2021, Orlando, FL, for excellence in inspiring young physicians to join our specialty. Very much deserved and appreciated, for he is a true triple threat: teaching, research, and patient care. The best of the best!
