EDUCATION

2007 Doctoral Candidate
University of South Florida, Tampa, Florida 33620
ACSW Accredited Ph.D. Program, Social Work

2001 M.S.W. University of South Florida, Tampa, Florida 33620
ACSW Accredited Master’s Program, Social Work
Major Research Project: Caregiver Burden & Dementia
Advisor: Cleo Roberts, Ph.D.

1983 M.A. University of South Florida, Tampa, Florida 33620
Thesis: “The Effects of Abnormal Aging Over the Life Span”
Advisor: Sue Saxon, Ph.D.

1979 B.A. University of South Florida, Tampa, Florida 333620
Sociology

1972 H.S. Tampa Catholic High School, Tampa, Florida 33603
High School Diploma

SOCIAL WORK LICENSURE

Florida License # SW7429

ADDICTION CERTIFICATION

Florida Certification #2166
International Certification #2166

FELLOWSHIPS, AWARDS, & GRANTS

2006 – 2007 National Scholars Society

2003 – 2004 National Society of Collegiate Scholars

- 2003 – 2004 Who’s Who Among American College and University Professors
- 2000 – 2001 Phi Alpha Social Work Honor Society
- 2000 - 2001 National College Register for Academic Excellence
- 1997 – 2005 Florida Department of Elder Affairs
USF Memory Disorder Clinic Coordinator
\$240,000/year
- 1992 – 1997 Hillsborough County Sheriff’s Office
In - Jail Drug Treatment Program/Florida Department of Corrections
Substance Abuse Treatment Program Coordinator
Robert Wood Johnson Foundation
- 1990 – 1992 Manor Care Corporation
Thalia Unit Dementia Specific Program Implementation
Dementia Specific Unit Director
Clinical Services Development Award
HCR/Manor Care Corporation
- 1988 – 1990 Hillsborough County Aging Services
Senior Adult Day Care Program
Alzheimer’s Disease Initiative
Community Aging Services/Model Demonstration Day Care Project
\$89,000/year
- 1981 – 1983 University of South Florida
Department of Gerontology
Sigma Phi Omega Professional Gerontology Honor Society
- 1981 – 1983 University of South Florida
Department of Gerontology
Graduate Traineeship
President’s National Award in Aging Studies
- 1978 – 1979 University of South Florida
Department of Gerontology/Department of Sociology
MortarBoard Honor Society
Dean’s List
- 1978 - 1979 University of South Florida
Department of Gerontology
Department of Sociology
Presidential Award
Undergraduate Traineeship
- 1976 – 1978 University of South Florida

Department of Sociology
Themis Honor Society
Dean's List

1972 – 1974 University of South Florida
Department of Sociology
President's National Award in Aging Studies

PROFESSIONAL AFFILIATIONS

Member, National Association of Social Workers
Member, Florida Certification Board of Addiction Professionals
Member, National Association of Professional Geriatric Care Managers
Member, Gerontological Society of America
Member, Society for Social Work Research
Member, Florida Council on Aging
Member, Tampa Bay Association for Women Psychotherapists

PROFESSIONAL EXPERIENCE

04/07 – present **Assistant Director – Clinical & Translational Sciences Institute at USF Health** – Johnnie B. Byrd, Sr. Alzheimer's Center and Research Institute – Tampa, Florida. Responsible for providing comprehensive evaluative, diagnostic, and follow – up geriatric care services to patients with a full range of dementing disorders. Designed, developed, and implemented clinical programs for a team of treatment providers within the Clinical Services Division. Ensures adherence to operational policies and procedures for the Clinical Services Division. Coordinates the execution of ongoing program evaluation and data-driven quality improvement projects to monitor the effectiveness of the Clinical Services Division. Ensures compliance with federal, state, and local performance measures, including timely clinical health care services and completion of clinical reminders for all patients. Directs compliance with all HIPAA documentation procedures. Organizes and facilitates administrative and informational meetings held for Clinical Services. Provides input, advice and counsel for comprehensive Clinical Services Division strategic planning, programming, budgeting and general administration. Assesses space allocation and determines space requirements needed to support program operations considering relevant factors such as patient and workflow, accreditation requirements and safety concerns. Exercises expert knowledge regarding the diagnosing of memory and psychiatric disorders, conducting psychological and/or neuropsychological assessments, treating memory and mental disorders through a variety of modalities and providing adjunctive interventions for treatment of medical disorders. Consults with medical center staff on a wide variety of patient care issues.

- 08/05 – 07/07 **Executive Director/Psychotherapist** – Center for Integrated Counseling & Neuropsychology – Tampa, Florida. Provides comprehensive psychosocial assessment and treatment of patients experiencing memory and psychiatric problems, as well as, interpersonal, and/or intrapersonal conflict. Provides highly skilled clinical social work services and effective psychotherapeutic interventions to patients and their families/significant others who are seeking treatment. Provides skills – building training to various levels of professionals in the community and across the nation, as well as, caregivers of patients seeking treatment at the Center. Provides expert testimony for the Court and determines incapacity of defendants for the Thirteenth Judicial Circuit Court’s Probate, Guardianship, & Mental Health Division. Provides professional geriatric care management services to patients and their families to provide a plan of care that meets the needs of the older adult. Provides consulting services to geriatric and mental health providers to improve the quality and delivery of services to the older adult. Conducts research to develop novel treatment approaches for memory – disordered patients. Provides the highest quality of care for the elderly and their families through education, advocacy, and high standards of professional practice.
- 08/05 – 03/06 **Memory Disorder Clinic Training Coordinator** – University of South Florida, Tampa, Florida. Qualified professional and team leader in providing educational services to health care providers/caregivers as per Department of Elder Affairs contract. Individually contracted with the University of South Florida College of Medicine, Department of Psychiatry, to provide dementia – specific (Alzheimer’s Disease Initiative (ADI) contract training) to medical professionals, social service professionals, health students, ADI contracted day care and respite care providers, caregivers, and the general public in Hillsborough, Manatee, and Hardee Counties in Florida.
- 10/97 – 08/05 **Memory Disorder Clinic Coordinator** – University of South Florida, Tampa, Florida. Performs comprehensive initial and ongoing psychosocial assessment of patients experiencing memory disorders in relation to their functional and cognitive capacities, their home environment, and in their relationship to their caregiver(s) and significant others. Qualified professional and team leader in providing educational services to health care providers/caregivers as per Department of Elder Affairs contract. Conducts and/or assists other faculty in performing research studies to improve program processes.
- 07/92 – 10/97 **Substance Abuse Program Manager** – Hillsborough County Sheriff’s Office, Tampa, Florida. Responsible for eight staff members providing drug treatment counseling for inmates incarcerated within detention facilities. Directed and coordinated research activities and dissemination of information on program treatment strategies and treatment outcome. Trained counseling and social work staff in the administration of the Addiction Severity Index and other addiction assessment instruments.

- 04/90 – 07/92 **Thalia (Alzheimer's/Dementia – Specific Unit) Director** – Manor Care of Carrollwood, Tampa, Florida. Organized, directed, and supervised all programs for the Alzheimer's/Dementia – Specific Unit to assure that program and resident care goals were met. Facilitated functioning of the interdisciplinary care team responsible for the Unit. Provided extensive inpatient services, counseling, and support. Provided ongoing education for community, staff, residents, and families regarding Alzheimer's disease and related dementia.
- 06/88 – 04/90 **Alzheimer's Disease Initiative Program Social Worker** – Hillsborough County Department of Aging Services, Tampa, Florida. Performed professional social work identifying and finding solutions relative to client's personal, social, economic, and related problems. Responsible for monitoring various programs, disseminating policies, interviewing clients requesting medical and/or general assistance and determining eligibility for the Alzheimer's Disease Initiative Program – Senior Adult Day Care. Conducted case studies compiling information to properly advise and counsel applicants and maintain case records. Participated in conferences and staff meetings to review and provide assistance in unusual cases. Conducted research to determine effective treatment modalities.

CLINICAL RESEARCH EXPERIENCE

- 2010 – present An Open-Label, Non-Randomized Study to Evaluate the Efficacy and Safety of BAY 94-9172 (ZK6013443) Positron Emission Tomography (PET) Imaging for Detection/Exclusion of Cerebral β -Amyloid when Compared to Postmortem Histopathology. IRB Protocol #14595. Study Coordinator.
- 2008 – present A Phase2 Multi – Center, Randomized, Double – Blind, Placebo – Controlled Study to Investigate the Efficacy and Safety of T – 817MAa in Patients with Mild to Moderate Alzheimer's Disease. IRB Protocol #107908d. Rater.
- 2008 – present A Randomized Controlled Trial to Assess the Efficacy of a Medical Food in Patients with Mild to Moderate Alzheimer's Disease using Alzheimer's Disease Medication. AA4437420. WIRB Protocol #20080275. Rater.
- 2008 – present Effect of γ -Secretase Inhibition on the Progression of Alzheimer's Disease: LY450139 versus Placebo (H6L-MC-LFAN). IRB Protocol #107836. Rater.
- 2008 – present A Phase3, Multi – Center, Randomized, Double – Blind, Placebo – Controlled, Parallel – Group, Efficacy and Safety of Bapineuzumab (AAB-001, ELN115727) in Patients with Mild to Moderate Alzheimer's Disease who are Apolipoprotein Ee4 Non – Carriers. Rater. Protocol# ELN115727 – 301/302. Rater.

- 2007 - present Johnnie B. Byrd, Sr. Alzheimer's Center & Research Institute Brain Bank. IRB Protocol #105780. Brain Bank Coordinator.
- 2006 - present Florida Alzheimer's Disease Research Center, National Institute on Aging, USF Biochemistry Department, Johnnie Byrd, Sr. Institute, Wien Center, Mount Sinai, and University of Miami. IRB Protocol # 103240. Rater. Education Core and Clinical Core member.
- 2005 The USF (University of South Florida) Brain Bank and Tissue Repository IRB Protocol #102678). Co – Investigator.
- 2004 – 2005 A One Year, Multi - Center, Randomized, Double – Blind, Placebo – Controlled Evaluation of the Efficacy and Safety of Donepezil Hydrochloride (E2020) in Subjects with Mild Cognitive Impairment. Psychometrician.
- 2004 – 2005 A Double – Blind, Phase II, Safety and Efficacy Evaluation of ONO – 2506PO in Patients with Mild to Moderate Alzheimer's Disease. Psychometrician.
- 2004 A Multicenter, Randomized, Double – Blind, Placebo – Controlled Study of Three Fixed Dosed of Aripiprazole in the Treatment of Patients with Acute Schizophrenia. Psychometrician.
- 2004 A Multicenter, Open – Label, Flexible – Dose, Parallel – Group Evaluation of the Cataractogenic Potential of Quetiapine Fumarate and Risperidone in the Long – Term Treatment of Patients with Schizophrenia or Schizoaffective Disorder. Psychometrician.
- 2004 A Randomized, Double – Blind Comparison of the Efficacy and Safety of Aripiprazole Intramuscular Formula, Lorazepam, or Placebo in the Treatment of Acutely Agitated Patients Diagnosed with Bipolar I Disorder, Manic or Mixed. Psychometrician.
- 2003 – 2000 Genetic Risk Factors for Memory Disorders. Co – Investigator.
- 2002 – 2003 Alzheimer's Disease Anti – Inflammatory Trial (ADAPT). National Institute on Aging, National Institute on Health. Co - Investigator.
- 2002 – 2003 A Randomized, Double-Blind, a Clinical Trial of Celebrex in Patients Being Treated with Aricept for Mild Cognitive Impairment. Co – Investigator.
- 2000 – 2004 “A Prospective, Randomized Start, Multicenter, Double – Blinded, Concurrently Placebo – Controlled Study To Evaluate the Effect of Flow – Regulated Ventriculoperitoneal Shunting on Progression of Alzheimer's

Disease: An Investigation of the Safety and Effectiveness of the Cognishunt™ CNS Fluid Shunt System”. Psychometrician.

- 1999 – 2001 “A Multicenter, Randomized, Double – Blinded, Placebo – Controlled Trail of Estrogens to Prevent Alzheimer’s Disease and Loss of Memory in Women At Risk. Funded By NIA: RO 1AG15922 – 01. Psychometrician.
- 1997 – 1998 A Prospective, Randomized, Multi-Center, Double-Blinded, Placebo-Controlled, Parallel-Group Comparison of the Efficacy and Safety of SDZ ENA 713, 1-4mg./day and SDZ ENA 713-6-12mg./day in Patients with Probable Mild to Moderate Alzheimer's Disease. Psychometrician.
- 1997 – 1998 A Prospective, Randomized, Multi-Center, Double-Blinded, Placebo-Controlled, Comparison of the Efficacy and Safety of HWA-285 in Patients with Probable Mild to Moderate Alzheimer's Disease. Psychometrician.
- 1997 – 1998 A Prospective, Randomized, Multi-Center, Double-Blinded, Placebo-Controlled, Comparison of the Efficacy and Safety of HWA-285 in Patients with Vascular Dementia. Psychometrician.
- 1993 – 1997 Engaging & Retaining Probationers in Effective Drug Treatment in Communities That Care. Collaborative research between Urban Institute, Washington, D.C. , Hillsborough County Sheriff’s Office In – Jail Drug Treatment Program, Florida Department of Corrections, and DACCO (Drug Abuse Comprehensive Coordinating Office). Co – Investigator.

TEACHING EXPERIENCE

- Fall Semester 2010 **Adjunct Professor**, St. Petersburg College, Human Services Department, Caruth Health Education (HEC). Abused Substances & Their Effects (HUS 2403). Prepared and instructed students in the comprehensive survey of abused substances and their impact on the human body and upon society, emphasizing the pathophysiological effects of substance abuse from historical, legal, medical, social, and ethical perspectives.
- Summer Semester 2010 **Adjunct Professor**, St. Petersburg College, Human Services Department, Caruth Health Education Campus (HEC). Dual Diagnosis I (HUS 1920). Prepared and instructed students in examining the implications of psychological and psychiatric disorders on existing substance use disorders. Taught basic diagnostic criteria for psychiatric and substance use disorders and examined the co - occurrence of these disorders and the special needs of the dually diagnosed individual. Emphasized evidence - based practices in the treatment of co - occurring disorders.

- Fall Semester 2009 **Adjunct Professor**, St. Petersburg College, Human Services Department, Caruth Health Education (HEC). Abused Substances & Their Effects (HUS 2403). Prepared and instructed students in the comprehensive survey of abused substances and their impact on the human body and upon society, emphasizing the pathophysiological effects of substance abuse from historical, legal, medical, social, and ethical perspectives.
- Summer Semester 2009 **Adjunct Professor**, St. Petersburg College, Human Services Department, Caruth Health Education Campus (HEC). Dual Diagnosis I (HUS 1920). Prepared and instructed students in examining the implications of psychological and psychiatric disorders on existing substance use disorders. Taught basic diagnostic criteria for psychiatric and substance use disorders and examined the co - occurrence of these disorders and the special needs of the dually diagnosed individual. Emphasized evidence - based practices in the treatment of co - occurring disorders.
- Fall Semester 2008 **Adjunct Professor**, St. Petersburg College, Human Services Department, Caruth Health Education (HEC). Abused Substances & Their Effects (HUS 2403). Prepared and instructed students in the comprehensive survey of abused substances and their impact on the human body and upon society, emphasizing the pathophysiological effects of substance abuse from historical, legal, medical, social, and ethical perspectives.
- Summer Semester 2008 **Adjunct Professor**, St. Petersburg College, Human Services Department, Caruth Health Education Campus (HEC). Dual Diagnosis I (HUS 1920). Prepared and instructed students in examining the implications of psychological and psychiatric disorders on existing substance use disorders. Taught basic diagnostic criteria for psychiatric and substance use disorders and examined the co - occurrence of these disorders and the special needs of the dually diagnosed individual. Emphasized evidence - based practices in the treatment of co - occurring disorders.
- Fall Semester 2007 **Adjunct Professor**, St. Petersburg College, Human Services Department, Caruth Health Education (HEC). Abused Substances & Their Effects (HUS 2403). Prepared and instructed students in the comprehensive survey of abused substances and their impact on the human body and upon society, emphasizing the pathophysiological effects of substance abuse from historical, legal, medical, social, and ethical perspectives.
- Summer Semester 2007 **Adjunct Professor**, St. Petersburg College, Human Services Department, Caruth Health Education Campus (HEC). Dual Diagnosis I (HUS 1920). Prepared and instructed students in examining the implications of psychological and psychiatric disorders on existing substance use disorders. Taught basic diagnostic criteria for psychiatric and substance use disorders and examined the co - occurrence of these disorders and the special needs of the dually diagnosed individual. Emphasized evidence - based practices in the treatment of co - occurring disorders.

- Spring Semester 2007 **Adjunct Professor**, St. Petersburg College, Human Services Department, Downtown Campus, Evaluation of Treatment Environments (HUS 2420). Prepared and instructed students in a cross – cultural and multi – disciplinary examination of the biological, psychological, and social aspects of treatment environments and their effect on individual well – being. Emphasized professional research, empirical data, and conceptual frameworks in regards to treatment milieus.
- Fall Semester 2006 **Adjunct Professor**, University of South Florida, Lakeland Campus, Evaluation Research (SOW 6931). Co-taught class with Major Professor. Prepared and instructed graduate social work students in an examination of social work research methods with an emphasis on single – subject design.
- Spring Semester 2005 **Adjunct Professor**, St. Petersburg College, Human Services Department, Health Education Campus, Methods for Identification and Intervention in Substance Abuse (HUS 2421). Prepared and instructed students in a comprehensive examination of methods used in the identification, intervention, and prevention of substance abuse, including symptoms and progression of substance abuse, types of abusers and special groups, various intervention techniques, and the interrelationship between the illness of substance abuse and the moral, legal, spiritual, sociological and psychological aspects.
- Fall Semester 2004 **Adjunct Professor**, St. Petersburg College, Human Services Department, Health Education Campus, Abused Substances and Their Effects (HUS 2403). Prepared and instructed students in the comprehensive survey of abused substances and their impact on the human body and upon society, emphasizing the pathophysiological effects of substance abuse from historical, legal, medical, social, and ethical perspectives.
- Fall Semester 2004 **Adjunct Professor**, St. Petersburg College, Human Services Department, Health Education Campus, Treatment & Resources in Substance Abuse Populations (HUS 2428). Prepared and instructed students and addiction professionals in the multi-disciplinary study of various treatment methods for the substance abuser and in final preparation for successful completion of the Board Certification Examination.
- Spring Semester 2004 **Adjunct Professor**, St. Petersburg College, Human Services Department, Health Education Campus, Methods for Identification and Intervention in Substance Abuse (HUS 2682). Prepared and instructed students in a comprehensive examination of methods used in the identification, intervention, and prevention of substance abuse, including symptoms and progression of substance abuse, types of abusers and special groups, various intervention techniques, and the interrelationship between the illness of substance abuse and the moral, legal, spiritual, sociological and psychological aspects.

- Fall Semester 2003 **Adjunct Professor**, University of South Florida, College of Education, Tampa Campus, University Experience (SLS 1101). Prepared and instructed new and transfer students in effective strategies for academic success, provided enriched opportunities for their understanding of the variety of human cultures, values, and perspectives that a university offers, and assisted students toward self – actualization and integration into the life of the campus community.
- Fall Semester 2003 **Adjunct Professor**, St. Petersburg College, Human Services Department, Health Education Campus, Abused Substances and Their Effects (HUS 2681). Prepared and instructed students in the comprehensive survey of abused substances and their impact on the human body and upon society, emphasizing the pathophysiological effects of substance abuse from historical, legal, medical, social, and ethical perspectives.
- Fall Semester 2003 **Adjunct Professor**, St. Petersburg College, Human Services Department, Health Education Campus, Treatment & Resources in Substance Abuse Populations (HUS 2683). Prepared and instructed students and addiction professionals in the multi-disciplinary study of various treatment methods for the substance abuser and in final preparation for successful completion of the Board Certification Examination.
- Spring Semester 2003 **Adjunct Professor**, St. Petersburg College, Human Services Department, Health Education Campus, Methods for Identification and Intervention in Substance Abuse (HUS 2682). Prepared and instructed students in a comprehensive examination of methods used in the identification, intervention, and prevention of substance abuse, including symptoms and progression of substance abuse, types of abusers and special groups, various intervention techniques, and the interrelationship between the illness of substance abuse and the moral, legal, spiritual, sociological and psychological aspects.
- Fall Semester 2002 **Adjunct Professor**, St. Petersburg College, Human Services Department, Health Education Campus, Methods for Identification and Intervention in Substance Abuse (HUS 2682). Prepared and instructed students in a comprehensive examination of methods used in the identification, intervention, and prevention of substance abuse, including symptoms and progression of substance abuse, types of abusers and special groups, various intervention techniques, and the interrelationship between the illness of substance abuse and the moral, legal, spiritual, sociological and psychological aspects.
- Spring Semester 2002 **Adjunct Professor**, St. Petersburg College, Human Services Department, Health Education Campus, Methods for Identification and Intervention in Substance Abuse (HUS 2682). Prepared and instructed students in a comprehensive examination of methods used in the identification, intervention, and prevention of substance abuse, including symptoms and

progression of substance abuse, types of abusers and special groups, various intervention techniques, and the interrelationship between the illness of substance abuse and the moral, legal, spiritual, sociological and psychological aspects.

Fall Semester 2001 **Adjunct Professor**, St. Petersburg College, Human Services Department, Health Education Campus, Treatment & Resources in Substance Abuse Populations (HUS 2683). Prepared and instructed students and addiction professionals in the multi-disciplinary study of various treatment methods for the substance abuser and in final preparation for successful completion of the Board Certification Examination.

Spring Semester 2001 **Adjunct Professor**, St. Petersburg College, Human Services Department, Health Education Campus, Methods for Identification and Intervention in Substance Abuse (HUS 2682). Prepared and instructed students in a comprehensive examination of methods used in the identification, intervention, and prevention of substance abuse, including symptoms and progression of substance abuse, types of abusers and special groups, various intervention techniques, and the interrelationship between the illness of substance abuse and the moral, legal, spiritual, sociological and psychological aspects.

CLINICAL SUPERVISION EXPERIENCE

Fall Semester
2010

Field Instructor, University of South Florida, School of Social Work, Master's in Social Work Program (MSW), Full – time MSW Program. Clinically supervised and instructed MSW Program student interns in the development of practice skills fundamental to the achievement of professional social work.

Summer Semester
2010

Field Instructor, University of South Florida, School of Social Work, Master's in Social Work Program (MSW), Full – time MSW Program. Clinically supervised and instructed MSW Program student interns in the development of practice skills fundamental to the achievement of professional social work.

Spring Semester
2010

Field Instructor, University of South Florida, School of Social Work, Bachelor's in Social Work Program (BSW), Full – time BSW Program. Clinically supervised and instructed BSW Program student interns in the development of practice skills fundamental to the achievement of professional social work.

- Fall Semester 2009 **Field Instructor**, University of South Florida, School of Social Work, Bachelor's in Social Work Program (BSW), Full – time BSW Program. Clinically supervised and instructed BSW Program student interns in the development of practice skills fundamental to the achievement of professional social work.
- Fall Semester 2009 **Field Instructor**, University of South Florida, School of Social Work, Master's in Social Work Program (MSW), Full – time MSW Program. Clinically supervised and instructed MSW Program student interns in the development of practice skills fundamental to the achievement of professional social work.
- Summer Semester 2009 **Field Instructor**, University of South Florida, School of Social Work, Master's in Social Work Program (MSW), Full – time MSW Program. Clinically supervised and instructed MSW Program student interns in the development of practice skills fundamental to the achievement of professional social work.
- Summer Semester 2009 **Field Instructor**, University of South Florida, School of Social Work, Master's in Social Work Program (BSW), Full – time BSW Program. Clinically supervised and instructed BSW Program student interns in the development of practice skills fundamental to the achievement of professional social work.
- Spring Semester 2009 **Field Instructor**, University of South Florida, School of Social Work, Master's in Social Work Program (MSW), Full – time MSW Program. Clinically supervised and instructed MSW Program student interns in the development of practice skills fundamental to the achievement of professional social work.
- Spring Semester 2009 **Field Instructor**, University of South Florida, School of Social Work, Master's in Social Work Program (BSW), Full – time BSW Program. Clinically supervised and instructed BSW Program student interns in the development of practice skills fundamental to the achievement of professional social work.
- Fall Semester 2008 **Field Instructor**, University of South Florida, School of Social Work, Bachelor's in Social Work Program (BSW), Full – time BSW Program. Clinically supervised and instructed BSW Program student interns in the development of practice skills fundamental to the achievement of professional social work.
- Fall Semester 2008 **Field Instructor**, University of South Florida, School of Social Work, Master's in Social Work Program (MSW), Full – time MSW Program.

Clinically supervised and instructed MSW Program student interns in the development of practice skills fundamental to the achievement of professional social work.

Summer Semester
2008

Field Instructor, University of South Florida, School of Social Work, Master's in Social Work Program (MSW), Full – time MSW Program. Clinically supervised and instructed MSW Program student interns in the development of practice skills fundamental to the achievement of professional social work.

Spring Semester
2008

Field Instructor, University of South Florida, School of Social Work, Master's in Social Work Program (MSW), Full – time MSW Program. Clinically supervised and instructed MSW Program student interns in the development of practice skills fundamental to the achievement of professional social work.

Fall Semester 2007

Field Instructor, University of South Florida, School of Social Work, Master's in Social Work Program (MSW), Full – time MSW Program. Clinically supervised and instructed MSW Program student interns in the development of practice skills fundamental to the achievement of professional social work.

Fall Semester 2007

Field Instructor, University of South Florida, School of Social Work, Master's in Social Work Program (BSW), Full – time BSW Program. Clinically supervised and instructed BSW Program student intern in the development of practice skills fundamental to the achievement of professional social work.

Spring Semester 2005

Field Instructor, University of South Florida, School of Social Work, Master's in Social Work Program (MSW), Full – time MSW Program. Clinically supervised and instructed MSW Program student intern in the development of practice skills fundamental to the achievement of professional social work.

Fall Semester 2004

Field Instructor, University of South Florida, School of Social Work, Master's in Social Work Program (MSW), Full – time MSW Program. Clinically supervised and instructed MSW Program student intern in the development of practice skills fundamental to the achievement of professional social work.

Fall Semester 2004

Field Instructor, University of South Florida, School of Social Work, Bachelor's in Social Work Program (BSW), Full – time BSW Program. Clinically supervised and instructed BSW Program student intern in the development of practice skills fundamental to the achievement of professional social work .

Summer Semester
2004

Field Instructor, University of South Florida, Department of Anthropology, Master of Arts Program (MA), Full – time MA Program. Clinically supervised and instructed MA Program student intern in the development of practice skills fundamental to the achievement of professional anthropology.

Spring Semester
2004

Field Instructor, University of South Florida, School of Social Work, Master's in Social Work Program (MSW), Full – time MSW Program. Clinically supervised and instructed MSW Program student intern in the development of practice skills fundamental to the achievement of professional social work.

Spring Semester
2004

Field Instructor, University of South Florida, School of Social Work, Bachelor's in Social Work Program (BSW), Full – time BSW Program. Clinically supervised and instructed BSW Program student intern in the development of practice skills fundamental to the achievement of professional social work.

Spring Semester
2003

Field Instructor, University of South Florida, School of Social Work, Master's in Social Work Program (MSW), Full – time MSW Program. Clinically supervised and instructed MSW Program student intern in the development of practice skills fundamental to the achievement of professional social work.

Fall Semester
2002

Field Instructor, University of South Florida, School of Social Work, Master's in Social Work Program (MSW), Full – time MSW Program. Clinically supervised and instructed MSW Program student intern in the development of practice skills fundamental to the achievement of professional social work.

Spring Semester
2002

Field Instructor, University of South Florida, Department of Gerontology, Master of Arts Program (MA), Full – time MA Program. Clinically supervised and instructed MA Program student intern in the development of practice skills fundamental to the achievement of professional gerontology.

Fall Semester
2001

Field Instructor, University of South Florida, Department of Gerontology, Master of Arts Program (MA), Full – time MA Program.

Clinically supervised and instructed MA Program student intern in the development of practice skills fundamental to the achievement of professional gerontology.

INVITED PRESENTATIONS

- September 2010 Mild Cognitive Impairment as it Relates to Caregiver Burden or Transcends Caregiving, Hillsborough County Aging Services, Tampa, Florida.
- August 2010 Dementia Caregiving: Making Difficult Decisions for Placement, Arden Courts ALF, Tampa, Florida.
- July 2010 New Frontiers in Alzheimer's Research, Clinical Trials, & Dementia Medications, Alzheimer's Association, Superior Residences in Brandon, Brandon, Florida.
- June 2010 Coping with Dementia Caregiving, USF Health Alzheimer's Center, Tampa, Florida.
- June 2010 Behavioral Implications and the Dementing Disorders, Neighborly Care Network, Pinellas County, Florida.
- April 2010 Treatable Conditions: When Memory Loss Is Not Dementia. Osher Lifelong Learning Institute, University of South Florida, College of Medicine, Tampa, Florida.
- March 2010 Brain Health, Dementia, and Alzheimer's Disease. Lutz Chapter of AARP, Land o' Lakes, Florida.
- February 2010 Treatable Conditions: When Memory Loss Is Not Dementia. Arden Courts ALF, Palm Harbor, Florida.
- December 2009 Brain Health, Dementia, and Alzheimer's Disease, USF Health, College of Medicine, Tampa, Florida.
- November 2009 Memory and Aging: The Importance of Participation in the National Memory Screening Day, Tampa, Florida.
- October 2009 Florida Alzheimer's Disease Research Center Event: Healthy Aging and Memory: Becoming Proactive in the Fight Against Alzheimer's Disease, USF Byrd Institute and National Institute on Aging, Tampa, Florida.
- September 2009 Caregiving and Dementia: Treating Both Patients, St. Petersburg College Education Series, St. Petersburg, Florida.

- September 2009 Anger, Resentment, & Family Issues in Dementia Caregiving, Arden Courts Assisted Living Facility, Seminole, Florida.
- September 2009 Brain Health, Dementia, and Alzheimer's Disease, St. Tims Methodist Church Group, Tampa, Florida.
- July 2009 Understanding the Needs of Persons with Alzheimer's Disease or Mild Cognitive Impairment, Lifelong Learning Institute, University of South Florida, Tampa, Florida.
- July 2009 Understanding the Needs of Care Partners of Persons with Alzheimer's Disease or Mild Cognitive Impairment, Lifelong Learning Institute, University of South Florida, Tampa, Florida.
- June 2009 The Value of Clinical Trials Participation for Persons with Alzheimer's Disease and Other – Related Disorders, University of South Florida, Tampa, Florida.
- May 2009 Of Mice and Men: Forgetting to Remember. Skype webcast in the Age with Conference Series in conjunction with Sean Scott, Esquire, series available at virtuallawoffice.com.
- May 2009 Health Disparities and Dementia, University of South Florida, Tampa, Florida.
- April 2009 Leaving a Legacy and Furthering Research - Alzheimer's Disease and Brain Bank Participation, University of South Florida, Tampa, Florida.
- March 2009 Behavior Management in Dementing Disorders: Strategies for a Safer and Healthier Environment for the Participant and the Caregiver, Arden Courts, Seminole, Florida.
- March 2009 Effective Communication with Memory Impaired Persons, Arden Courts, Largo, Florida.
