

Would you like to help out some children staying at an orphanage in the Dominican Republic?

Great! Then all you need to do is to please contribute the following items to this box - thank you!

- (A) Toiletries (Soap, toothpaste, toothbrushes, shampoo) (Brand new, unopened)
- (B) Clothes for children ages 0-18 (new or used)

These items will be distributed by USF College of Medicine and Public Health students who will participate in a service trip to the Dominican Republic in May 2011.

Thank you for your generosity to this important project jointly sponsored by USF Health Service Corps, Project World Health (PWH), and the Global Health Student Association (GHSa)!
