In The Know!

Happy Birthday Wishes to Dr. Michael Bengtson/February 19th.

On March 6, 2010 "Pain Medicine and Controlled Substances: Risk Management & Best Practices" 2010 "Florida Tour" will be held at the Embassy Suites USF. This is a CME activity directed to all healthcare providers that care for patients with chronic pain including physicians, nurses, nurse practitioners, pharmacists, physician assistants and all other health care professionals. For more information, contact Linda S. Knapp, CE Professional; Office: 800-805-1436; or www.LorSandCME.com.

Save the Date!! USF Neuroscience Research Day is March 5, 2010 from 8:30 a.m. – 1:00 p.m. featuring keynote speaker: Dr. Gregory Cascino from the Mayo Clinic of Minnesota (8:30-10:00 a.m.). Dr. Cascino's lecture will be followed by a USF Research Poster Symposium. Save your posters and plan to share them with your Neuroscience Colleagues. This program will take place at the MacInnes Auditorium, Tampa General Hospital.
