## ***In The Know!***

*Happy Birthday Wishes* to Dinorah Colon/March 15<sup>th</sup>, Michelle Mauricio/March 15<sup>th</sup>, Kathy Smith/March 15<sup>th</sup>, Patti Lowery/March 19<sup>th</sup> and Lucy Hou/March 19<sup>th</sup>.

On Thursday, March 18, 2010 at 2:00 p.m., The Carter-Jenkins Center will present “Quo Vadis DSM IV”, by Richard Balon, M.D., D.F.A.P.A., F.A.C. Psych, Professor, Department of Psychiatry and Behavioral Neurosciences Wayne State University, Detroit, Michigan.

On Thursday, March 18<sup>th</sup>, the Department of Psychology will be presenting “The Elephant in the Room: The Effects of Race-Related Beliefs and Attitudes in Medical Interactions” by Dr. Louis A. Petter, Karmanos Cancer Institute, Department of Family Medicine and Public Health Sciences, Wayne State University. This colloquium will be held at PCD 1134.

On Saturday, March 20, 2010, The AIDS Institute will be hosting its annual Florida AIDS Walk. Florida AIDS Walk is a two-mile walk-a-thon designed to raise HIV/AIDS awareness and funds to benefit the 125,000 Floridians living with HIV disease. This year, the walk will be at Lowry Park, 7525 North Boulevard, Shelter #120 (corner of Sligh Avenue and North Boulevard), Tampa, Florida 33604. Walk registration begins at 9:00 a.m. The theme for FAW is *Making Strides. Saving Lives*. In addition to the walk, they are hosting a Community Health & Wellness Fair and Health Screening Event offering free informational and educational display booths of local community service programs and resources. For more information and to become involved in AIDS advocacy and education, please contact The AIDS Institute at: 813-258-5929, or by email at [Info@theaidsinstitute.org](mailto:Info@theaidsinstitute.org) or [www.TheAIDSInstitute.org](http://www.TheAIDSInstitute.org).

The USF Health, Clinical and Translational Sciences Institute (CTSI) and Office of Research will present a 3-day Research and Scholarly Activity Event from April 6 – 8, 2010 at USF Health Morsani Center, 1013 AB. Faculty, trainees, students and staff are welcome to attend. Please contact Dr. Sadaf Aslam, at [saslam@health.usf.edu](mailto:saslam@health.usf.edu) for any additional information. The tentative schedule is:

- April 6<sup>th</sup> 8:30-4:30 p.m., Research Methods: Topics to be covered include research design, biostatistics, literature review and data base designs.
- April 7<sup>th</sup> 8:30-4:30 p.m., Write Winning Grants: This workshop is sponsored by an outside group Grant Writers' Seminars and Workshops, LLC. This highly acclaimed organization will present a one-day seminar that comprehensively addresses the practical and conceptual aspects of the grant writing process, with an emphasis on NIH grants.
- April 8<sup>th</sup> 8:30-4:30 p.m., Scientific Writing and Communication: Topics to be covered include effective scientific writing, writing for publications, preparation of abstracts and posters, and creating effective PowerPoint presentations.

## **Research Happenings!**
