May 9, 2008
2:00 – 3:00  Registration
3:00 – 3:15  Dr. Abdul Rao, MD, MA, DPhil
3:15 – 3:30  Dr. Shyam S. Mohapatra, PhD
3:30PM–5:30PM  Session I: Adolescent HIV
Chair: Patricia Emmanuel, MD
Sten H. Vermund, MD, PhD, Vanderbilt University
John Sleasman, MD, University of South Florida
Patricia Emmanuel, MD, University of South Florida
5:30 – 6:30PM  Featured Poster Presentation
6:30 PM–8:30 PM  Plenary Dinner Lecture
James Gern, MD, University of Wisconsin
“The Role of Infections in Asthma”

May 10, 2007
7:00AM– 8:00AM  Registration
8:00 AM - 10:00 AM  Session II: Molecular & Cellular Links Between Viral Infections & Asthma
Session Chair : Mark Glaum, MD, PhD
Giovanni Piedamonte, MD, University of West Virginia
"The Role of early-life environmental influences in the development of asthma"
Shyam Mohapatra, PhD, University of South Florida
Stephania A. Cormier, PhD, Louisiana State University
James Gern, MD, University of Wisconsin
“Host/Virus Interactions, Childhood Wheezing, and Asthma”
10:15AM - 12:15PM  Session III: Tumor Immunology
Session Chair: George Blanck, PhD
Peter van den Elsen, PhD, Leiden University Medical Center
“Epigenetic Control of Antigen Presentation in Cancer”
Thomas B. Tomasi, M.D., Ph.D. - SUNY at Buffalo & Roswell Park Cancer Institute
Peter Medveczky, PhD, University of South Florida
“Extrachromosomal DNA in AIDS-Associated Lymphomas”
George Blanck, PhD, University of South Florida
“A gene regulatory Network Subcircuit Linking Cell Cycle Regulation and Tumor Immunity”
12:30 PM –1:30 PM  Lunch
1:30PM–3:30 PM  Session IV: Microbial Pathogenesis
Session Chair : Todd Wills, MD
David Ashkin, MD, A.G. Holley State Hospital
Jose Montero, MD, University of South Florida
Fred Heinzle, MD, University of South Florida
3:45 PM - 5:45 PM  Session IV: Opportunistic & Nosocomial Infection
Session Chair: Andreas Seyfang, PhD
Michael E. Grigg, PhD, NIH (Invited)
Chaoyang Xue, PhD, Duke University Medical Center
“Extracellular signals sensing, sexual development, and Virulence in Cryptococcus Neoformans”
Dennis Kyle, PhD, University of South Florida
