Grants and Contracts:

- Fogarty International Center Emmanuel (PI) submitted
"Responsible Conduct of Research, India"
The purpose of this grant is to provide training and build capacity in the responsible conduct of research at our partner site Surat Medical College, Gujarat, India.
Role: Co-Investigator
- Fogarty International Center (S07) Chenneville (PI) 09/10 – 09/11
"Enhancing NIH Supported Health Research in Gujarat, India"
The purpose of this grant is to improve functioning of Institutional Ethics committees in Medical College Baroda and Surat Medical College, Gujarat, India.
Role: Co-Investigator
- Gansu Health Department, China Sinnott (PI) 01/10 – 12/10
Training Program for Hospital Administrators and Physicians in Gansu, Northwestern China.
Role: Co-Investigator
- Fogarty International Center Emmanuel (PI) 07/07 – 06/12
USF-India Program in Adolescent HIV/AIDS Research Training (PAHRT)
The purpose of this grant is to build the capacity of Indian health care providers in Vadodara, Gujarat, India to initiate and sustain a research and training program in adolescent HIV/AIDS.
Role: Co-Investigator
- Pfizer Foundation Sinnott (PI) 3/06 – 1/07
"Linezolid and the Management of MRSA"
Role: Co-Investigator
- Government of Maharashtra, India Sinnott (PI) 04/05-05/05
Training Program for Health Policy Planners and Public Health Physicians of the Government of Maharashtra, India.
Role: Co-Investigator
- Pfizer foundation Sinnott (PI) 01/05 – 1/06
"Impact of Methicillin Resistant *Staphylococcus aureus* (MRSA) on the Tampa Bay Community"
Role: Co-Investigator
- Government of Maharashtra, India Sinnott (PI) 04/05-05/05
Training Program for Health Policy Planners and Public Health Physicians of the Government of Maharashtra, India
Role: Co-Investigator
- Government of Maharashtra, India Sinnott (PI) 09/04-11/04
Training Program for Physicians on Health, HIV Management and Emerging Diseases in Resource-constrained Settings
Role: Co-Investigator

Government of Maharashtra, India Sinnott (PI) 09/04-11/04
Training Program for Health Policy Makers Practicing in Resource Poor Settings
Role: Co-Investigator

Government of Maharashtra, India Sinnott (PI) 6/04-7/04
HIV Management and Prevention Training Program for Policy Planners and Physicians of the
Government of Maharashtra, India
Role: Co-Investigator

Hillsborough County Children's Board Coulter (PI) 2/02-12/02
"Prediction and Prevention of Family Violence." Analysis of database on domestic violence
offenders to determine best predictors of treatment completion.
Role: Co-Investigator

Hillsborough County Children's Board Coulter (PI) 10/00-8/01
"Domestic Violence Offender Treatment." Assessment of characteristics of domestic violence
offenders in community treatment programs.
Role: Co-Investigator

Current Research:

University of South Florida Menezes (PI) 9/06-6/11
Disease Progression and Health Change Patterns among HIV-positive Patients at the
Hillsborough County Health Department
This study uses secondary data to examine a cohort of HIV-infected persons to determine disease
progression and mediation factors.
Role: PI

University of South Florida Somboonwit (PI) 1/08 - 8/10
HIV and Cardiovascular Risks in an Urban Setting
This study uses secondary data to examine a cohort of HIV-infected persons to assess the
prevalence of both traditional and HIV/HAART related cardiovascular disease risk factors in an
HIV-positive population, correlate the prevalence of any risk factor with actual cardiovascular
disease endpoints
Role: Co-Investigator

University of South Florida Logan (PI) 4/07-6/09
Evaluation of Cervical Cancer Screening Practices for HIV-positive Women
This study examines secondary data to evaluate whether HIV-infected women receive CDC-
recommended cervical cancer screening, and how demographic factors impact receipt of this
screening.
Role: Co-Investigator

Teaching Experience:

- 9/15/09 Invited Lecturer, PHC 6764 Global Health Principles & Contemporary Issues. *Global Infectious Disease*. University of South Florida, College of Public Health
- 8/09 - 12/09 Co-Director, BMS 6920 Colloquium II, Global Medicine Section
- 12/10/08 Co-Director/Invited Lecturer, BMS 6920 Colloquium II, Global Medicine Section. Poverty Inequity and Health: A Global Perspective. College of Medicine, USF, Tampa

- 9/22/08 Invited Lecturer, PHC 6764 Global Health Principles & Contemporary Issues. *Global Infectious Disease*. University of South Florida, College of Public Health
- 04/08 - to present Co-Instructor, GMS 6836 Approach to Clinical and Behavioral Research in Adolescents: Focus on HIV. University of South Florida College of Medicine. Taught four modules.
- 9/26/07 Invited Lecturer, BMS 6920 Colloquium II, Global Medicine Section. Co-Director. Poverty Inequity and Health: A Global Perspective. College of Medicine, USF, Tampa
- 9/18/07 Invited Lecturer, PHC 6764 Global Health Principles & Contemporary Issues. *Global Infectious Disease*. University of South Florida, College of Public Health
- 07/07 – to present Co-Director, Scholarly Concentration in Public Health – International Medicine Track, College of Medicine. Teach classes in International Medicine to medical students.
- 9/26/06 Invited Lecturer, PHC 6764 Global Health Principles & Contemporary Issues. *Global Infectious Disease*. University of South Florida, College of Public Health
- 5/24/05 Invited Lecturer, PHC 6413 Family and Community Violence in Public Health. International Partner Violence, College of Public Health, USF, Tampa
- 4/05 – 7/05 Instructor, PHC 6410, Social and Behavioral Core Course, MPH Program, College of Public Health, USF & International Institute on Information Technology, Pune, India
- 4/10/03 Invited Speaker, PHC 6934, Maltreated Children and their Families. *Issues in International Child Maltreatment*. College of Public Health, USF, Tampa
- 5/12/03 to 5/23/03 Teaching Assistant, PHC 6413, Family and Community Violence in Public Health. Assisted in developing curriculum, organized speakers, and planned and coordinated agency visits for students. Presented at two sessions on International Partner Violence and International Child Maltreatment.
- 5/13/03 to 5/24/03 Teaching Assistant, PHC 6413, Family and Community Violence in Public Health. Assisted in developing curriculum, organized speakers, planned and coordinated agency visits for students.

- 1/2001 to 5/2001 Teaching assistant, PHC 6934, Maltreated Children and their Families
Developed syllabus, prepared class lectures and presentations. Presented at four sessions including Child Physical Abuse, Child Psychological Abuse, Children Exposed to Violence and Abuse of Children with Disabilities.
Organized guest speakers and coordinated classroom activities
- 1/2000 to 5/2000 Teaching assistant, PHC 6934, Maltreated Children and their Families.
Developed syllabus, assisted in preparing class lectures and presentations.
Organized speakers. Coordinated classroom activities.

Measurement and Analytical Skills:

Qualitative inductive analysis using Ethnograph v5.0

Bivariate and multivariate statistical procedures including logistic and linear regression using SAS Statistical Software 9.2.

Experience in developing and utilization of semi-structured surveys, psychosocial instruments, evaluation measures, mental health measures and interpersonal conflict scales.

Other Indian Languages:

Hindi (read, write, and converse).
Marathi (read, write, and converse).
Konkani (converse)
