

CURRICULUM VITAE

KAREN D. LILLER

Office Address: University of South Florida
Graduate School
4202 East Fowler Avenue, ADM 216
Tampa, FL 33620

Office Telephone: (813) 974-7359

E-Mail Address: kliller@usf.edu

EDUCATIONAL BACKGROUND

1984-1988 University of South Florida
Tampa, Florida
Major: Curriculum and Instruction
Cognate (Minor area): Public Health
Degree: Ph.D

1984-1986 University of South Florida
Tampa, Florida
Major: Curriculum and Instruction
Degree: Ed.S.

1979-1982 University of Central Florida
Orlando, Florida
University of South Florida, Tampa, Florida
Major: Technical Education
Degree: M.A.

1974-1978 West Virginia University
Morgantown, West Virginia
Major: Medical Technology
Degree: B.S.

PROFESSIONAL EXPERIENCE

2009-Present	University of South Florida Dean of the Graduate School and Associate Vice President for Research & Innovation
2008-2009	University of South Florida Interim Dean of the Graduate School and Associate Vice President for Research & Innovation
2010-Present	University of South Florida College of Medicine Department of Orthopaedics and Sports Medicine Professor (concurrent appointment with the College of Public Health)
1988-Present	University of South Florida College of Public Health
2005-2008	Associate Dean for Academic and Student Affairs
2005-2007	Interim Director of the Practice Program
2004-2005	Interim Associate Dean for Academic Affairs
2004/05- Present	Professor
1996/97-2004	Associate Professor Tenured-August, 1996 Acting Chairperson of the Department during Chairperson's Absences, 1998-1999; Periodically in 2002-2004
1990-1996	Assistant Professor (Department of Community and Family Health)
1988-1990	Post-Doctorate Fellow
1987-1988	Adjunct Faculty St. Petersburg Junior College Training Program, St. Petersburg, Florida

1985-1988	Teaching Assistant University of South Florida Department of Adult and Vocational Education, Tampa, Florida
5/86-8/86 5/87-8/87	Member and Scientific Advisor for the New Products and Evaluation Team--Mylan Pharmaceuticals, Inc., Tampa, Florida
1983-1985	Education Director /School of Medical Technology/ Inservice Education Coordinator , Department of Pathology Tampa General Hospital, Tampa, Florida
1982-1983	Medical Laboratory Technician Instructor Tampa Medical College, Tampa, Florida
1978-1981	Medical Technologist Florida Hospital Altamonte Altamonte Springs, Florida

**EXAMPLES OF INITIATIVES, PROGRAMS, AND ADMINISTRATIVE POLICIES
DEVELOPED/REVISED/OVERSEEN AS DEAN OF THE GRADUATE SCHOOL AND
ASSOCIATE VICE PRESIDENT FOR RESEARCH AND INNOVATION, 2009-Present
and as INTERIM DEAN AND ASSOCIATE VICE PRESIDENT**

Co-Led the Development of the Elsevier Grant to Support Female Scientists Through Life and Career Transitions

Co-Led the Research America Conference on Effective Translation of Science

Led the development of the Doctoral Student Leadership Institute

Led the development of Alliances for Graduate Education and the Professoriate (NSF) and Sloan Grant submissions; Co-lead grant implementation

Co-Lead the Center for the Integration of Research, Teaching, and Learning Initiative

Led the development of strategic plans for the graduate school

Led the revamping of the graduate school website and publications

Developed the Graduate Student Research Challenge Grant Program

Led Research Initiatives for Graduate Students (i.e. Oak Ridge National Laboratory Global Venture Capitalist Challenge Program)

Co-lead the Provost Post Doctoral Initiative

Developed the Office of Postdoctoral Affairs in the Graduate School

Co-Led the Global Sustainability Initiative of the development of the School of Global Sustainability

Led the Development of the Master of Arts in Global Sustainability

Led the reorganization of the graduate school and its addition of research and leadership to its foci

Updated policies pertaining to graduate students and graduate programs

**EXAMPLES OF PROGRAMS AND ADMINISTRATIVE POLICIES
DEVELOPED/REVISED/OVERSEEN AS ASSOCIATE DEAN FOR ACADEMIC AND
STUDENT AFFAIRS, College of Public Health, 2004-2008**

Led the development of the International Agreement with the Ministry of Health and the National Emergency Management Agency of the Bahamas with the College of Public Health for degree, certificate, and other educational programs.

Developed the Educational Program Offerings for students from Yeungnam University in South Korea

Revision of the Comprehensive Examination Policy

Development of the Comprehensive Examination Retake Policy and Review Sessions

With Colleagues, Development of the Public Health Capstone Course and Practice Program Seminar

Revisions to Field Experience Policies including Waiver Requests

Developed the Concept for a Publication (Field Reports) Highlight Field Experiences in the College

Development of International Field Experience Policies

Revisions to Student Evaluations of Faculty and Courses

The Formulation of the College of Public Health Undergraduate Program and Teaching

Responsibilities and Policies for Doctoral Students

The Approval of the Public Health Undergraduate Minor

The Approval of a Separate State-Approved Classification Code for the Master of Science in Public Health Degree

Development and Approval of the Dual Doctor of Physical Therapy and Master of Public Health Degree (DPT/MPH)

Developed the College-wide Professional Skills and Development Seminar Series

With the DrPH Workgroup Produced the DrPH preproposal and Led the Development and Approval of the DrPH Proposal for the Graduate School, Board of Trustees, and Board of Governors

Leads the collaboration of the College to deliver Patient Safety and Public Health Education to USF College of Medicine Residents

Leads the Scholarly Concentration in Public Health for USF College of Medicine students

Led the process to secure the College as a host for Muskie Graduate Fellows.

PUBLICATIONS

BOOKS/BOOK CHAPTERS

Liller, K.D. (2012). (Ed). *Injury prevention for children and adolescents: Research, practice, and advocacy*. Washington, DC: American Public Health Association. Approved for development of 2nd edition. (Book also featured on Public Health Newswire (<http://www.publichealthnewswire.org/?p=2293>)).

Book chapters in the preceding text:

Liller, K.D. (2012). *Introduction to the Text*.

Marshall, S.W., Gilchrist, J., Taneja, G., & **Liller, K.** (2012). Sports and Recreational Injuries.

Quan, L., **Liller, K. D.**, & Bennett, E. (2012). *Water-related injuries of children and adolescents*.

PROJECT AND TECHNICAL REPORTS

Final Report of the Data Analysis of the Sports Injury Registry Data-Schools #1 and #3, 2010-2011, June 28, 2011.

Final Report of the Data Analysis of the Sports Injury Registry Data-Schools #11 and #12, 2010-2011, June 28, 2011.

Mid Year Report of the Data Analysis of the Sports Injury Registry, 2010-2011, December 24, 2010.

Final Report of the Data Analysis of the Sports Injury Registry Data, 2009-2010, July 1, 2010.

Team 6 Graduate Experience Final Report for the University of South Florida Student Success Task Force, March 9, 2010.

Mid Year Report of the Data Analysis of the Sports Injury Registry Data, 2009-2010, January 4, 2010.

Summer Report of the Data Analysis of the Sports Injury Registry Data, 2008-2009, August, 2009.

Final Report of the Data Analysis of the Sports Injury Registry Data, 2008-2009 Academic Year Report, June, 2009.

Mid Year Report of the Data Analysis of the Sports Injury Registry Data, 2008-2009, January 1, 2009.

Final Report of the Data Analysis of the Sports Injury Registry Data, 2007-2008 Academic Year Report, July, 2008.

Test Items Developed for the National Board of Public Health Examiners Public Health Credentialing Exam, May 19, 2008.

Response of the COPH to the DrPH External Reviewers' Reports (with Drs. Orban and Petersen), April 28, 2008.

SMART Sports Injury Data Analysis, April, 2008.

SMART Sports Injury Data Analysis, February, 2008.

2006-2007 College Annual Report submitted to the Association of Schools of Public Health and the Council on Education for Public Health, February 4, 2008.

Doctorate of Public Health Proposal (DrPH), January 22, 2008.

2007-2008 Progress Report for the HRSA Public Health Traineeships Grant, January 19, 2008.

Breaking Brand New Ground in Injury Research, Simtrak News, January 1, 2008.

Doctorate of Public Health Pre-Proposal (with Dr. Orban), November 27, 2007.

CEPH Revised Accreditation Criteria Compliance Report, November 1, 2007.

Engaged Institution Initiative (EII) Final Team Report (submitted with Dr. Hana Osman).
Community-Campus Partnerships for Health, July 1, 2007.

National Research Council Report for the College of Public Health, January 26, 2007.

2006-2007 Progress Report for the HRSA Public Health Traineeships Grant, January 16, 2007.

2005-2006 College Annual Report submitted to the Association of Schools of Public Health and the Council on Education for Public Health, January 4, 2007.

Test Items Developed for the National Board of Public Health Examiners Public Health Credentialing Exam, January 3, 2007.

College of Public Health College Engagement Survey (for the Carnegie 1 Designation of an Engaged University), July 13, 2006.

Interim Report for the Council on Education for Public Health to Address Criterion VIII, May 8, 2006-Approved July 17, 2006.

2005 Progress Report for the HRSA Public Health Traineeships Grant, January 28, 2006.
2004-2005 College Annual Report submitted to the Association of Schools of Public Health and the Council on Education for Public Health, December 2, 2005.

Racial and Ethnic Health Disparities Consultation Application (Program Director), submitted to the Kellogg Foundation and Community-Campus Partnerships for Health, October 10, 2005. This team that prepared this application was organized by Dr. Hana Osman who also serves as the project's contact person.

2004 Progress Report for the HRSA Public Health Traineeships Grant, January 10, 2005.
2003-2004 College Annual Report submitted to the Association of Schools of Public Health and the Council on Education for Public Health, December 21, 2004.

Final Report of the Pilot Study of Kids and Communities Count, National Children's Center for Rural and Agricultural Health and Safety, October 18, 2004.

Six Month Project Report of the Pilot Study of Kids and Communities Count, National Children's Center for Rural and Agricultural Health and Safety, June 1, 2004.

Final Report of the Evaluation of the MORE HEALTH Respect Not Risk Firearm Lesson for Third Graders in Pinellas County, Florida, March 13, 2003.

Preliminary Report of the Evaluation of the MORE HEALTH Respect Not Risk Firearm Lesson for Third Graders in Pinellas County, Florida, February, 6, 2003.

Program Participant in the development of Childhood Agricultural Injury Prevention: Progress Report and Updated National Action Plan from the 2001 Summit, April, 2002.

Hillsborough County Child Death Review Team: Data Sheet Analysis, January 1, 1999-December 31, 1999, Sent April, 2001 (with Virginia Noland, PhD).

Interim Report for the Council on Education for Public Health (CEPH), August 22, 2000. Outcomes Assessment Reports for the College of Public Health, University of South Florida, March 14, 2000.

Final Sabbatical Report for the University of South Florida, December 29, 1999.

Final Report of Year 3 of the Florida Safe Communities Program, Florida Department of Transportation and the National Highway Traffic Safety Administration, September 15, 1999. (Interim Reports were sent on a quarterly basis.)

Hillsborough Child Death Review Team: Data Analysis-1998, Sent July, 2000 (with Virginia Noland, Ph.D.(c)).

Hillsborough Child Death Review Team: Data Analysis-1996-1997, Sent April, 1999 (with Virginia Noland, Ph.D.(c)).

Contributions to the 1998 Florida Bicycle-Related Brain Injury Prevention Program (BBIPP) Year One Observational Survey, Center for Urban Transportation Research, College of Engineering, University of South Florida, Florida Department of Health (Bureau of Emergency Medical Services), and the Centers for Disease Control and Prevention, December, 1998.

Final Report of Year 2 of the Evaluation of the Florida Safe Communities Program,

Florida Department of Transportation and the National Highway Traffic Safety Administration, September 30, 1998. (Interim Reports were sent on a quarterly basis.)

Response to the CEPH Site Visit Report (with the Dean's Office Response), August 17, 1998.

Response to the Board of Regents Draft Report, June 23, 1998.

Hillsborough County Child Death Review Team: Data Analysis-1995-1996, Sent April, 1998 (with Virginia Noland, Ph.D.(c)).

Final College of Public Health CEPH Accreditation Self-Study Document and Appendices, March 27, 1998.

Final Board of Regents Accreditation Report, January 12, 1998.

Preliminary College of Public Health CEPH Accreditation Self-Study Document and Appendices, November 20, 1997.

Final Report of Year 1 of the Evaluation of the Florida Safe Communities Program, Florida Department of Transportation and the National Highway Traffic Safety Administration, September 15, 1997. (Interim Reports were sent on a quarterly basis.)

Evaluation of the MORE HEALTH POISON PREVENTION Lesson Sponsored by the Florida Poison Information and Toxicology Resource Center at Tampa General Hospital, Florida Poison Information and Toxicology Resource Center and the MORE HEALTH PROGRAM, Tampa General Hospital, June 23, 1997.

1997 Final Report of the MORE HEALTH Bicycle Safety Project, MORE HEALTH PROGRAM, Tampa General Hospital, July 20, 1997.

Final Report of Year 3 of the Evaluation of the MORE HEALTH Bicycle Safety Project, MORE HEALTH PROGRAM, Tampa General Hospital, July 10, 1996.

Florida's Interagency Nutrition Resource and Referral Guide: A Focus on Children and their Families, Florida Department of Education, July 27, 1995 (with Amy Smorynksi, MPH).

Final Report of Year 2 of the Evaluation of the MORE HEALTH Bicycle Safety Project, MORE HEALTH PROGRAM, Tampa General Hospital, July 24, 1995.

Final Report of the Evaluation of the MORE HEALTH Bicycle Safety Project, MORE HEALTH PROGRAM, Tampa General Hospital, July 14, 1994.

Preliminary Report of the Evaluation of the MORE HEALTH Bicycle Safety Project, MORE HEALTH PROGRAM, Tampa General Hospital, April 26, 1994.

Final Report of the Who, Where, How, and Why of Drownings and Near Drownings Among Hillsborough County Residents Project, Florida Emergency Medical Services, September 30, 1992.

Final Report of the Postpartum Patient's Knowledge, Risk Perceptions, and Behaviors Pertaining to Childhood Injuries Study, Biomedical Research Support Grant, May 6, 1991.

Preliminary Evaluation of the Tampa General Hospital "Prescribe A Safe Ride Program," June 16, 1989 (with Robert J. McDermott, Ph.D. and Ms. Eileen Emery, M.P.H.).

Final Data Analysis of the Tampa General Hospital "Prescribe A Safe Ride Program," August 31, 1989 (with Robert J. McDermott, Ph.D. and Eileen Emery, M.P.H.).

PRESENTATIONS AT PROFESSIONAL CONFERENCES AND MEETINGS

Jang, S., **Liller, K.D.**, Konin, J., Morris, B., & Wong, S. High school football injuries among athletes in West-Central Florida. (2012). American Public Health Association 140th Annual Meeting and Exposition, San Francisco, CA, October 27-31, 2012, submitted.

Liller, K.D., Konin, J., Morris, B., Wong, S., & Yang, S. Data Analysis of the SMART Sports Injury Registry for high school athletes. (2012). Safety 2012 World Conference, Wellington, New Zealand, October 1-4, 2012, submitted.

Jang, S., **Liller, K.D.**, Konin, J., Morris, B., & Wong, S. Sports-related concussion among high school athletes in West Central Florida. (2012). Safe States Alliance and the Centers for Disease Control and Prevention Joint Meeting, Atlanta, GA, May 1-4, 2012, submitted.

Dean, J.B., & **Liller, K.D.** (2012). First steps taken for introducing science advocacy into the curriculum at the University of South Florida: teaching tomorrow's researchers how to translate science for the public and policymakers. Experimental Biology Conference, San Diego, CA, April 21-25, 2012, submitted.

Jang, S., **Liller, K.D.**, Konin, J., Morris, B., & Wong, S. High school football injuries among athletes in West-Central Florida. (2012). USF Health Research Day, University of South Florida, Tampa, FL, February 24, 2012, submitted.

OTHER PROFESSIONAL PRESENTATIONS

“A Research University from a Graduate School Perspective.” Honors College, University of South Florida, Tampa, Florida, February 9, 2012.

“Overview of the Graduate School: Partnering with Faculty.” University of South Florida New Faculty Orientation. University of South Florida, Tampa, Florida, August 10, 2011.

“Welcoming Postdoctoral Scholars to the University of South Florida.” (with E. Andersson). Graduate School and the Office of Postdoctoral Affairs. University of South Florida, Tampa, Florida, August 8, 2011.

“State of the Graduate School-Annual Retreat Presentation.” University of South Florida, Tampa, FL, July 7, 2011.

“Partnership between the University of South Florida and Hillsborough Community College: Off-Site Teaching Assistant Program.” Hillsborough Community College, Tampa, Florida, April 14, 2011.

“SMART Sports Injury Registry.” National Public Health Week, University of South Florida College of Public Health, Tampa, FL, April 5, 2010.

“Introduction to the Graduate School.” (with R. Pollenz). University of South Florida New Faculty Orientation. University of South Florida, Tampa, Florida, August 9, 2010.

“Welcoming Postdoctoral Scholars to the University of South Florida.” (with R. Pollenz). Graduate School and the Office of Postdoctoral Affairs. University of South Florida, Tampa, Florida, August 9, 2010.

“Finding and Negotiating Faculty Positions.” (with R. Pollenz, K. Glover, & J. Cochran) Office of Postdoctoral Affairs, University of South Florida, Tampa, FL, July 19, 2010.

“State of the Graduate School-Annual Retreat Presentation.” Alfano Center, Tampa, FL, June 26, 2010.

“Preparing PhD Students and Postdoctoral Scholars for the Future Professoriate.” Council of Deans Meeting, University of South Florida, Tampa, FL, March 1, 2010.

“The Master of Arts in Global Sustainability at the University of South Florida.” School of Global Sustainability Dedication Conference, University of South Florida, Tampa, FL, February 12, 2010.

“Injuries in Children Throughout the World: A Focus on Traffic.” Tampa General Hospital Pediatric Grand Rounds, Tampa, FL, January 7, 2010.

“Student Success in Graduate School.” Provost Retreat, August 14, 2009.

“Graduate School Academics.” Graduate School New Student Orientation, Spring, 2009-Present

“State of the Graduate School-Annual Retreat Presentation.” Alfano Center, Tampa, FL, 2008.

Several Presentations to Colleges, Schools, other Units, Councils, and others groups at the University of South Florida on Graduate Education, 2008-Present.

“Recharge Your Professional Writing.” College of Public Health Professional Skills and Development Seminar, July 11, 2008 (co-presenter David A. Liller).

“Controversial Issues in Public Health.” Public Health Scholarly Concentration Presentation, March 5, 2008.

“Introduction to Public Health for Healthcare Providers.” Public Health-Scholarly Concentration Presentation, February 18, 2008.

“Better Courses, Better Tests, Better Students!! It Can Come True!!” College of Public Health Faculty Workshop, February 1, 2008 (co-presenter Dr. Perrin).

“Writing Technical Reports.” College of Public Health Professional Skills and Development Seminar Series on Writing, June 16-17, 2006.

“Engaged Institutions-the Kellogg Initiative.” (with Dr. Hana Osman). University Beat, WUSF, 89.7 FM, May 1-May 5, 2006 and in the WUSF archives.

“Summary of Job Descriptions for Academic Deans.” The Association of Schools of Public Health Associate Dean Annual Retreat, Lake Tahoe, NV, June 24, 2005.

“The College of Public Health,” Health Sciences Center New Faculty Orientation, University of South Florida College of Public Health, Tampa, FL, February 25, 2005.

Several presentations to the College of Public Health Faculty Assembly and Executive Committee pertaining to academic issues, policies and the general public health minor, 2004-Present.

“Agricultural Injuries in Children: How Much is Safe to Lift?” Student Public Health Possibilities Program, University of South Florida College of Public Health, Tampa, FL, June 16, 2003.

“Children’s Agricultural Injury Prevention.” Student Public Health Possibilities Program, University of South Florida College of Public Health, Tampa, FL, June 17, 2002.

“How Research Leads to Advocacy, Health Education, Community Involvement, and Policy Development through Legislation.” Visit of the Partners from the Kyrgyz Russian Republic, University of South Florida College of Public Health, Tampa, FL, December 6, 2001.

“Injury Prevention for First Graders.” Independent Day School, Tampa, FL, December 4, 2001.

“Reviewing the PRECEDE/PROCEED planning model.” University of South Florida College of Public Health, Tampa, FL, May 24, 2001.

“The Deep-South Agricultural Health and Safety Center: Major project activities.” University of South Florida College of Public Health, Tampa, FL, March 26, 2001.

“Surveillance and Educational Activities of the Deep-South Agricultural Health and Safety Center.” Representative from the Northeast Center for Agricultural and Occupational Health, Tampa, FL, January 3, 2001.

“Discussion of the draft guidelines developed by the unintentional injury subcommittee of the Health, Mental Health, and Safety in Schools Project (HMHSS).” Healthy School Environment Panel Meeting of the HMHSS Project, Washington, DC, September 20-21, 2000.

“Injury Prevention for four- and five-year-olds.” Van Dyke Day School, Tampa, FL, March 14, 2000.

"Initiatives of the Deep-South Center for Agricultural Disease and Injury Research, Education, and Prevention and the Farm Safety 4 Just Kids Florida Chapter." The Florida Safe Kids State Meeting, Miami, FL, March 4, 1999.

"The Florida Chapter of Farm Safety 4 Just Kids." Florida Farm Safety 4 Just Kids Initial Planning Meeting, Tampa, FL, February 26, 1999.

"The Relationship Between Public Health and Motor Vehicle Injury Prevention." The Area Briefing for the Buckle Up Florida Campaign, Tampa, FL, September 29, 1998 (Invited Plenary Speaker).

"Injury Prevention for Second-Graders." Independent Day School, Tampa, FL, September 24, 1998.

"Injury Prevention for First-Graders." Independent Day School, Tampa, FL, March 16, 1998.

Several presentations have been given to the College of Public Health Faculty Assembly and departments on the College's Council on Education for Public Health's document and the accreditation process, University of South Florida, College of Public Health, Tampa, FL, 1997-2000.

"Evaluation Concepts for Safe Communities Programs." Various topics were presented and discussed at the quarterly Safe Communities Meetings, University of South Florida College of Public Health, Tampa, FL, 1996-1999.

"Health Education and Injury Prevention for Children." Independent Day School, Tampa, FL, October 7, 1996.

"Evaluation of the Safe Communities Program." Safe Communities National Pilot Workshop, Fort Lauderdale, FL, October 10, 1996.

"Children's Bicycle Injuries and the Importance of the Bicycle Helmet Law." Independent Day School, Tampa, FL, May 30, 1996.

"Injury Prevention Research Findings." Interdisciplinary Occupational Health Conference, University of South Florida College of Public Health, Tampa, FL, April 23, 1996.

"Research Findings from the MORE HEALTH Bicycle Safety Project." Celebration of Public Health Week, University of South Florida College of Public Health, Tampa, FL, April 1, 1996.

"The Role of Parents and Grandparents in Children's Injury Prevention Efforts." University of South Florida College of Public Health, Tampa, FL, February 16, 1996.

"A Review of Bacteria and Viruses." King High School, Tampa, FL, February 12, 1996.

"The Adult Learner: Principles of Andragogy." University of South Florida College of Public Health Training Program for Health Care Management Educators from the Czech Republic, Tampa, FL, September 13, 1995.

"Evaluation of the MORE HEALTH Bicycle Safety Project." The Tampa General Hospital, Tampa, FL, September 13, 1995.

"Preschoolers and Bicycle Helmet Use." Van Dyke Day School, Tampa, FL, May 24, 1995.

"An Overview of Children's Injuries and Injury Prevention Efforts." University of South Florida Department of Pediatrics Grand Rounds and Monthly Pediatric Update, Tampa, FL, May 19, 1994.

"Injury Prevention for Pre-Schoolers." Van Dyke Day School, Tampa, FL, May 6, 1994.

"Injury Prevention in Natural Disasters." University of South Florida College of Public Health Public Health Student Association, Tampa, FL, April 5, 1994.

"Plotting the Course for Action: Local Research Efforts in Injury Prevention." Greater Tampa Area Safe Kids Coalition One Day Workshop, Tampa, FL, September 30, 1993.

"An Overview of Injuries and Injury Prevention During the Toddler Years." The University of South Florida Education and Research Center for Child Development, Tampa, FL, October 12, 1992.

"The Prevention of Childhood Drownings." The Children's Museum of Tampa, Tampa, FL, June 6, 1992.

"The Profession of Health Education." Hillsborough County Medical Association Auxiliary Health Careers Workshop, Tampa, FL, March 19, 1992.

"Preventing Unintentional Injuries in Children." Health and Health Careers Conference, Tampa, FL, March 6, 1992.

"Health Education Models Applied to STD and AIDS Education." (Presented to District V and VI HRS AIDS Education/Risk Reduction Staff), University of South Florida College of Public Health, Tampa, FL, April 19, 1991. (Presented with Robert J. McDermott, Ph.D. and Phillip J. Marty, Ph.D.).

"Learning to Cope with Stress." University of South Florida, College of Public Health, Department of Community and Family Health, Tampa, FL, March 15, 1991.

"Health Promotion and Disease Prevention." Health and Health Careers Conference, Tampa, FL, March 1, 1991.

"Continuing Education for Health Occupations Professionals." University of South Florida, College of Public Health, Tampa, FL, May 15, 1990.

"Health and Childhood Safety Issues." Independent Day School, Tampa, FL, February 27, 1990.

"Evaluation of the Prescribe A Safe Ride Program." University of South Florida, College of Public Health, Seminar Series, Tampa, FL, November, 1989.

"Burnout and Job-Related Depression Among Health Educators." University of South Florida, College of Public Health, Seminar Series, Tampa, FL, April, 1989. (Co-Presenter Robert J. McDermott, Ph.D.)

"Review of Clinical Chemistry for Medical Technologists-Part 1." School of Extended Studies and Learning Technologies: Division of Lifelong Learning, University of South Florida, Tampa, FL, October 1, 1988.

"Review of Clinical Chemistry for Medical Technologists-Part 2." School of Extended Studies and Learning Technologies: Division of Lifelong Learning, University of South Florida, Tampa, FL, October 8, 1988.

"The Management of Stress and Prevention of Burnout." School of Extended Studies and Learning Technologies: Division of Lifelong Learning, University of South Florida, Tampa, FL, October, 1988.

"Stress Management." St. Petersburg Junior College Corporate Training Program, St. Petersburg, FL, February, 1988 (Two day presentation).

"Effective Delegation Skills." St. Petersburg Junior College Corporate Training Program, St. Petersburg, FL, October, 1987 (Two day presentation).

"A Review of Renal Chemistry and Urinalysis." Southwest Florida Blood Bank, Tampa, FL, August, 1987.

"Body Fluid Analysis." Southwest Florida Blood Bank, Tampa, FL, June, 1987.

"Lipids and Lipoproteins." Southwest Florida Blood Bank, Tampa, FL, May, 1987.

"Stress Management." Erwin Vocational and Technical Institute, Tampa, FL, May, 1986.

"Microbiology Update." Tampa General Hospital's Department of Pathology, Tampa, FL, October, 1985.

"Chemistry Update." Tampa General Hospital's Department of Pathology, Tampa, FL, October, 1984.

"The Profession of Medical Technology." Hillsborough County School Career Day, Tampa, FL, October, 1984.

"Implementing Clinical Objectives Successfully." Tampa General Hospital's Department of Pathology, Tampa, FL, July, 1983.

GRANTS/CONTRACTS

2012-2013	Title: Completion and Attrition in AGEP and non-AGEP Institutions Role: Principle Investigator Source: Council of Graduate Schools Amount: \$30,000 Status: Submitted
2011-2014	Title: Supporting Female Scientists (SFS) Through Life and Career Transitions Role: Co-Principle Investigator Source: Elsevier Foundation New Scholars Program Amount: \$150,000 Status: Not Funded-Resubmission Planned for 2012
2011-2012	Title: Planning Grant for the Alliances for Graduate Education and the Professoriate (AGEP) Role: Co-Principle Investigator Source: National Science Foundation Amount: \$200,000 total-our contract \$6420 Status: Funded

2011-2012 Title: Coordination of the USF System Wide Efforts to Enhance Underrepresented Minority Graduate Student Success: A Proposal of the University of South Florida Graduate School
Role: Principle Investigator
Source: Alfred F. Sloan Foundation
Amount: \$125,000
Status: Funded

2010-2011 Title: A Statewide Initiative in Florida for Professional Science Master's Programs-A Proposal for Planning
Role: Principal Investigator
Source: Subcontract from the University of Central Florida and Sloan Foundation
Amount: \$5,000
Status: Funded

2010 Title: Science Masters Program for the State of Florida
Role: Senior Investigator
Source: National Science Foundation
Amount: \$699,985
Status: Not Funded at this Time

2010-2012 Title: Innovation in Promoting Success in Graduate Education: From Admissions through Completion
Role: Principal Investigator
Source; Educational Testing Service and Council of Graduate Schools
Amount: \$20,000 (\$10,000 match from USF)
Status: Plan for Revisions/Not Funded at the Time

2009 Title: A Statewide Initiative in Florida for Professional Science Master's Programs-A Proposal for Planning
Role: Co Investigator
Source: State of Florida
Amount: \$850,000
Status: Under Review/Not Funded in 2009

2009 Title: A Statewide Initiative in Florida for Professional Science Master's Programs-A Proposal for Planning
Role: Principal Investigator
Source: Subcontract from the University of Central Florida and Sloan Foundation
Amount: \$3528 (Total funding \$86,250)
Status: Funded

2008-Present	Title: McKnight Doctoral 1-3 year award Role: Principal Investigator (through Graduate School) Source: Florida Education Foundation Amount: \$370,000+ per year Status: Funded
2008-Present	Title: National Science Foundation Fellowship (through Graduate School-Graduate Research Fellowships) Role: Principal Investigator Source: National Science Foundation Amount: \$160,000 per year Status: Funded
2008-Present	Title: Ford Foundation Award (through the Graduate School) Role: Principal Investigator Source: Ford Foundation Amount: \$8,000 per year Status: Funded
2008	Title: Public Health Traineeship Award Role: Principal Investigator until August 25, 2008 when accepted Interim Dean for the Graduate School Position Source: Human Resources and Service Administration (HRSA) Amount: \$31,461.00 Status: Funded
2008-2009	Title: Participation in the Association for Prevention Teaching and Research Interprofessional Prevention Education Institute Role: Co-Principal Investigator (with P. Fabri and M. Webb) Source: Association for Prevention Teaching and Research Amount: \$300 in addition to registration and housing costs Status: Accepted and Funded
2007-2008	Title: Public Health Traineeship Award Role: Principal Investigator Source: Human Resources and Service Administration (HRSA) Amount: \$31,461.00 Status: Funded

2006-Present	<p>Title: SMART (Sports Medicine and Athletic Related Trauma) Injury Registry</p> <p>Role: Principal Investigator</p> <p>Source: USF Health and the State of Florida</p> <p>Amount: \$100,000 per year—to date over \$300,000 awarded</p> <p>Status: Funded</p>
2006-2007	<p>Title: Public Health Traineeship Award</p> <p>Role: Principal Investigator</p> <p>Source: Human Resources and Service Administration (HRSA)</p> <p>Amount: \$32,248.00</p> <p>Status: Funded</p>
2005-2006	<p>Title: On-line Violence and Injury: Prevention and Intervention Certificate</p> <p>Role: Principal Investigator</p> <p>Source: USF Certificate Office</p> <p>Amount: \$5000.00</p> <p>Status: Funded</p>
2005	<p>Title: Graduate Student and Faculty Recruitment Funds</p> <p>Role: Principal Investigator</p> <p>Source: USF Graduate School</p> <p>Amount: \$2750.00</p> <p>Status: Funded</p>
2004-2005	<p>Title: Public Health Traineeship Award</p> <p>Role: Principal Investigator</p> <p>Source: Human Resources and Service Administration (HRSA)</p> <p>Amount: \$29,724</p> <p>Status: Funded</p>
2004	<p>Title: Graduate Student Recruitment Funds</p> <p>Role: Principal Investigator</p> <p>Source: USF Graduate School</p> <p>Amount: \$2000.00</p> <p>Status: Funded</p>
2004-2005	<p>Title: Public Health Traineeship Award</p> <p>Role: Principal Investigator</p> <p>Source: Human Resources and Service Administration (HRSA)</p> <p>Amount: \$30,078</p> <p>Status: Funded</p>

2003-2004	<p>Title: The Pilot Study of Kids and Communities Count</p> <p>Role: Principal Investigator</p> <p>Source: National Children's Center for Rural and Agricultural Health and Safety</p> <p>Amount: \$15,000</p> <p>Status: Funded</p>
2002-2003	<p>Title: Sixth Annual Meeting of the Minds Conference: Responding to Family Violence and Injury: The Important Health Provider Link</p> <p>Role: Co-Principal Investigator</p> <p>Source: Centers for Disease Control and Prevention</p> <p>Amount: \$12,867</p> <p>Status: Funded</p>
2002-2004	<p>Title: An Evaluation of the Initial Effects of an Early Intervention Program for the Prevention of Aggressive Behavior and Use of Psychoactive Drugs in Medellin, Columbia: Quasi-Experimental Follow-up Study in Schools and Nurseries</p> <p>Role: Co-Investigator</p> <p>Source: Pan American Health Organization</p> <p>Amount: \$75,425.30</p> <p>Status: Funded</p>
2002-2003	<p>Title: Evaluation of the Firearm Safety Lesson for Third Grade Students: "Respect Not Risk"</p> <p>Role: Principal Investigator (Co-PI: K.Perrin)</p> <p>Source: More Health Program of Tampa General Hospital</p> <p>Amount: \$5,000</p> <p>Status: Funded</p>
2000-2001	<p>Title: Teaching Agricultural Safety in Elementary Schools</p> <p>Role: Principal Investigator</p> <p>Source: Deep South Agricultural Health and Safety Center</p> <p>Amount: \$42,657</p> <p>Status: Funded</p>
2000	<p>Title: Farm Safety 4 Just Kids Chapter Leadership Conference Grant</p> <p>Role: Principal Investigator</p> <p>Source: Farm Safety 4 Just Kids</p> <p>Amount: \$100.00</p> <p>Status: Funded</p>

1998-2001	<p>Title: Deep-South Center for Agricultural Disease and Injury Research, Education, and Prevention</p> <p>Role: Core Leader of Education (PI: Y. Hammad)</p> <p>Source: Centers for Disease Control and Prevention and the National Institute for Occupational Safety and Health</p> <p>Amount: \$1,050,000</p> <p>Status: Funded</p>
