

## CURRICULUM VITA

**NAME:** Jeannine Coreil

**DATE:** February, 2009

### **PRESENT POSITION AND ADDRESS:**

Professor, Department of Community and Family Health,  
College of Public Health, University of South Florida  
Tampa, Florida 33612-3899.

### **BIOGRAPHICAL:**

Birthdate - September 26, 1951

Birthplace - Ville Platte, Louisiana

Home Address - 536 Broxburn Avenue, Temple Terrace, FL 33617

Phone - Office 813/974-6698

Email – [jcoreil@health.usf.edu](mailto:jcoreil@health.usf.edu)

### **EDUCATION:**

B.S. Psychology, University of Louisiana at Lafayette, Lafayette, Louisiana,  
1972

M.A. Anthropology, University of Kentucky, Lexington, Kentucky, 1976

Ph.D. Medical Anthropology, University of Kentucky, Lexington, Kentucky, 1979

### **PROFESSIONAL POSITIONS HELD:**

1995- present Professor, Department of Community and Family Health,  
College of Public Health, University of South Florida, Tampa, Florida

2003-07 Chair, Department of Community and Family Health,  
College of Public Health, University of South Florida, Tampa, Florida

2000-02 Director of Research, Center for Disaster Management and  
Humanitarian Assistance, University of South Florida, Tampa, Florida

1987- 95 Associate Professor, Department of Community and Family Health,  
University of South Florida, Tampa, Florida, 33612-3899

1988- present Joint Appointment, Department of Anthropology, University of  
South Florida, Tampa, Florida, 33612.

- 1980-87**      **Assistant Professor, Department of Preventive Medicine and Community Health, University of Texas Medical Branch, Galveston, Texas.**
- 1984-87**      **Clinical Assistant Professor, School of Nursing, University of Texas Medical Branch, Galveston, Texas.**
- 1985-87**      **Associate Director, WHO Collaborating Center for Psychosocial Factors and Health, Division of Sociomedical Sciences, University of Texas Medical Branch, Galveston, Texas.**
- Spring 1983**      **Visiting Faculty Member, Department of Anthropology, University of Houston, Houston, Texas.**
- 1979-80**      **Research Associate, Center for Developmental Change, University of Kentucky, Lexington, Kentucky.**
- Summer 1979**      **Instructor, Department of Anthropology, University of Kentucky, Lexington, Kentucky.**
- 1972-73**      **Evaluator, Lafayette Parish Bilingual Education Program, Lafayette, Louisiana.**

**RESEARCH ACTIVITIES:**

**A.      Major research areas – social and behavioral sciences, medical anthropology, maternal and child health, international health, stigma and infectious diseases, gender and health, qualitative research methods, support groups for chronic disease, ethnicity and health, Haiti and the Caribbean.**

**B.      Grant Support and Other Research:**

**Principal Investigator, “Cultural Diversity and Breast Cancer Support Groups,” Susan G. Komen Foundation, 8/23/07 – 12/16/09, \$262,525.**

**Principal Investigator, “Women’s Health Care in Hillsborough County,” Hillsborough County Board of County Commissioners, 8/22/05 – 6/19/06, \$2500.**

**Principal Investigator, “Stigma and Tuberculosis Among Haitian Populations,” National Institutes of Health, Fogarty International Center, 6/1/03 – 5/31/08, \$725,698.**

**Co-Principal Investigator, “Formative Research for Professional Training in Tuberculosis Control and Treatment” (PI Robert McDermott), 1/1/05 – 12/31/06, \$230,000 Subcontract from University of Florida for CDC grant “Southeast Region Tuberculosis Training Center and Medical Consultation Center,” \$1,165,000 (PI Michael Lauzardo), 1/01/05 – 12/31/10.**

**Principal Investigator, "Leadership Education in Maternal and Child Public Health," Maternal-Child Health Bureau, Health Resources & Services Administration, 6/1/05 – 5/31/06, \$50,000.**

**Principal Investigator, "Leadership Education in Maternal and Child Public Health", Maternal-Child Health Bureau, Health Resources & Services Administration, 6/1/03-5/31/05, \$765,048.**

**Co-Principal Investigator, "MCH Epidemiology Training Grant", Maternal-Child Health Bureau, Health Resources & Services Administration, 7/1/03 – 6/30/06, \$78,000.**

**Principal Investigator, "The Role of Organizational Culture in the Delivery of Humanitarian Aid," Center for Disaster Management and Humanitarian Assistance, University of South Florida, 200-05, \$34,500.**

**Principal Investigator, " Quality of Life and Lymphatic Filariasis in Haiti," Rollings School of Public Health, Emory University, August 1, 2003-May 31, 2004, \$4,000.**

**Director of Research, Center for Disaster Management and Humanitarian Assistance, University of South Florida, Co-PIs Thomas J. Mason (USF) and William E. Bertrand (Tulane), U.S. Department of Defense, 2000-2001 (\$3,200,000), 2001-2002 (\$4,791,225).**

**Principal Investigator, Narrative Study of Breast Cancer Support Group Experience, Research and Creative Scholarship Award, University of South Florida, 2000-2001, (\$4,000).**

**Principal Investigator, "Triple Touch Program Evaluation: Instructor Component," American Cancer Society/Florida Division, 1999, (\$10,900).**

**Principal Investigator, "Development of Support Groups for Women With Filarial Elephantiasis in Haiti," World Health Organization, 1998-2001, (\$70,269).**

**Project Director, "Evaluation of the Florida Prostate Cancer Forum," American Cancer Society/Florida Division, 1997-98, (\$5,000).**

**Project Director, "Social Context of Filarial Elephantiasis among Women in Leogane, Haiti" Centers for Disease Control and Prevention, Office of Women's Health, Summer, 1996, (\$10,000).**

**Project Director, "An Assessment of the American Cancer Society's Man to Man Program," ACS/Florida Division, 1995-96, (\$7,000).**

**Principal Investigator, "Cultural Context of Filarial Elephantiasis among Women in Leogane, Haiti," Office of Women's Health, Centers for Disease Control, 1996, (\$18,000).**

**Principal Investigator, "Maternal Employment and Child Health: The Omnibus Project," USF Research and Creative Scholarship Award, 1995-96, (\$4300).**

**Project Director, "Cultural Acceptability of HIV Vaccine Trials in Haiti," funded by Johns Hopkins University, 1994 (\$15,000).**

**Project Director, Qualitative Research on Breastfeeding in Rwanda. Wellstart International/Manoff Group, 1993, (\$30,000).**

**Principal Investigator, "Survey of Florida Pediatricians on Management of Diarrhea Associated with Tooth Eruption." Biomedical Research Support Grant, 1990-91, (\$500).**

**Principal Investigator, "Sociocultural Determinants of Community Participation in Rural Costa Rican Health and Nutrition Projects," USF Research and Creative Scholarship Award, 1990-91, (\$6400).**

**Co-Investigator, "Assessment of Maternal Mortality and Perinatal Outcome in Haiti," P.I. Antoine Augustin, National Academy of Sciences, MotherCare/John Snow Inc., and USAID, 1989-90, (\$172,000).**

**Co-Principal Investigator, "Household Ecology of Aedes aegypti Control in the Dominican Republic," P.I. Linda A. Whiteford, Johns Hopkins University/Rockefeller Foundation, 1989-90, (\$36,500).**

**Principal Investigator, "Videotape Production for Best Start Program," Florida Department of Health and Rehabilitative Services," 1989-90, (\$40,000).**

**Principal Investigator, "Florida Southeast Regional Breastfeeding Promotion Program," Lexington-Fayette County Health Department, 1989, (\$6400).**

**Co-Principal Investigator, "The Southeast Regional Breastfeeding Promotion Program - Research and Evaluation," P.I. Carol Bryant, State and District Health Departments in Kentucky and Tennessee, 1986-89, (\$45,000).**

**Co-Principal Investigator, "Rapid Assessment of Health Status of Non-Users of Services in Population Based Systems," P.I. Antoine Augustin, National Academy of Sciences, 1986-87, (\$79,622).**

**Principal Investigator, "Promotion of Breastfeeding Among Low Income Women in Florida-Pilot Study, College of Public Health, University of South Florida, Tampa, Florida, 1987-88, (\$910).**

**Principal Investigator, "Predictors of Smoking Among Mexican Americans," American Heart Association, 1986-87, (\$22,466).**

**Principal Investigator, "Community Acceptance of Oral Rehydration Therapy in Haiti," Pan American Health Organization, 1984-85, (\$25,134).**

**Co-Investigator, "Aging Among Mexican Americans: A Longitudinal Study," P.I. Kyriakos Markides, National Institute on Aging, 1984-86, (\$108,000).**

**Project Director, "Evaluation Survey of Maternal-child Supplementary Food Programs in Haiti", USAID, Port-au-Prince, 1983, (\$15,000).**

**Project Director, "Lactation Strategies of Employed and Unemployed Women," Houston, Texas. Funded through Graduate School Summer Student Program, 1983, (\$2,700).**

**Project Director, "Survey of Breast Pump Users", University of Texas Medical Branch, Galveston, Texas, 1983-84.**

**Co-Principal Investigator, "Hispanic Mental Illness' Recognition' and Acculturation," Hogg Foundation for Mental Health, 1982-83, (\$5,000).**

**Project Director, "Pilot Study of Cancer Communications", Biomedical Research Support Grant, School of Medicine, University of Texas Medical Branch, Galveston, Texas, 1981, (\$1,400).**

**Project Director, "Survey of Parental Attitudes Toward Sex Education", P.I. Guy S. Parcel, Bureau of Community Health Services, Office of Family Planning, DHHS, 1981, (\$20,000).**

**Co-Principal Investigator, "Disease Prognosis and Resource Allocation in Rural Haiti," National Center for Health Services Research, 1977-78, (\$15,000).**

**C. Consulting Activities:**

<b>2008</b>	<b>University of Iowa School of Public Health, External Reviewer for Department of Community and Behavioral Health.</b>
<b>2006-</b>	<b>Southeastern National Tuberculosis Center, University of Florida,</b>
<b>Present</b>	<b>Gainesville, Florida, Sociocultural profile for tuberculosis among Haitian Americans.</b>

- 2002 Ministry of Health, Haiti, Plan for community outreach within the National Filariasis Control Program.
- 2002 National Cancer Institute, Planning for conference on sociocultural determinants of diet, exercise and physical activity.
- 2001 Florida Bureau of Tuberculosis and Immigrant Health, "Haitian TB/HIV Study." Design and implementation of focus group study of screening for HIV and TB among Haitians in Broward County, Florida.
- 2000 Nova Southeastern University, Family Center of Tampa Bay, "Retention of Child Care Workers:A Focus Group Study." Design and implementation of qualitative research component of an assessment of staff retention and child care quality in Hillsborough County, Florida.
- 1997-98 Centers for Disease Control, Division of Parasitic Diseases, "Community Acceptance of DEC Fortified Salt in Leogane, Haiti," Ethnographic research to assess feasibility of a community-wide intervention to eradicate lymphatic filariasis.
- 1995 Johns Hopkins University Department of International Health, "Efficacy of HIVIG Administered to Infants for Prevention of Maternal-Infant HIV Transmission." Protocol development and staff training for participant recruitment.
- 1994 Population Services International, "Qualitative Research on Home Management of Diarrhea," Port-au-Prince, Haiti. Research design.
- 1992 Johns Hopkins University Department of International Health, "Breastfeeding and HIV Transmission in Haiti." Study design and instrument development.
- 1992 PRITECH, Arlington, VA, Uganda Traditional Healers Initiative, Proposal Development Workshop, Kampala. Evaluation design.
- 1989 Water and Sanitation for Health Project, Rwanda, Evaluation of Care/Rwanda Water Supply Project.
- 1988 Resources for Child Health, Arlington, VA, Immunization Logistics and Management Workshop. Planning assistance.

1988 Johns Hopkins Department of International Health,  
"HIV and HTLV-I cohort studies in Haitian women and infants."  
Instrument development.

1988 PRITECH/Management Sciences for Health, PVO Child  
Survival  
Workshop, Lake Havasu, Arizona. Evaluation design.

1987 Harvard Institute for International Development, Applied  
Diarrheal Research Program, Port-au-Prince, Haiti. Proposal  
development assistance.

## **TEACHING EXPERIENCE:**

### Courses taught

Social and Behavioral Sciences Applied to Health  
Qualitative Methods in Community Health Research  
Theoretical Foundations of Community and Family Health  
International Maternal and Child Health  
Global Issues in Community and Family Health  
Advanced Seminar in Social and Behavioral Sciences Applied to Public Health  
Gender and Health  
Family, Household and Health  
Women's Health Issues in Public Health  
Organizational Culture and Public Health Practice  
Community, Culture and Health  
Culture and Health  
Psychological Anthropology  
Medical Anthropology

### Workshops and seminars

Focus group methods  
Qualitative methods in applied research  
Community assessment  
Needs assessment in program evaluation

## **COMMITTEE RESPONSIBILITIES (Current):**

### National

**Behavioral and Social Sciences Council, Association of Schools of Public Health  
(Chair 2006-07; Member 1987-present)**

**Community**

**Member, Hillsborough County Health Plan, Outreach and Education Committee**

**University of South Florida**

**Research Advisory Committee, Women in Leadership and Philanthropy, USF, 2006-present.**

**Executive Committee, Florida Center for AIDS Research**

**Research Misconduct Investigative Committee (2007-present)**

**College of Public Health**

**Member, Board of Directors, Harrell Center for the Study of Domestic Violence, 2003-07.**

**Student Committees**

**Public Health:**

**PhD major advisor (3): Katherine Best**

**Patrick McGeever**

**Kelly Simpson**

**PhD committees (2):  
Bobbi Martin**

**Janelle Menard (Anthropology)**

**MSPH major advisor (1): Elizabeth Hamilton**

**MPH major advisor (4): Karen Dyer  
Aimee Eden  
Charlotte Noble  
Hector Mesidor  
Willi Tarver**

**MA Committees (1): Donald McLawhon (Sociology)**

## **MEMBERSHIP IN SCIENTIFIC SOCIETIES:**

Society for Medical Anthropology  
Society for Applied Anthropology  
American Anthropological Association  
American Public Health Association  
Florida Public Health Association

## **HONORS:**

Service Award, Hillsborough County Immunization Task Force, 1996.  
International Travel Grant, USF (1990, 1994, 1998, 2002)  
Elected Member, Delta Omega Honor Society (1990).  
Honorary Member, Florida Lactation Consultants Association, (1990).  
NIMH Traineeship in Medical Behavioral Science, University of Kentucky, (1974-78).  
Student Prize Paper Award, Society for Medical Anthropology, Lexington, Kentucky, (1978).  
Dissertation Year Fellowship, University of Kentucky, Lexington, Kentucky, (1978-79).  
Phi Kappa Phi, Psi Chi (1971)

## **OTHER:**

Languages: French, Haitian Creole, Spanish.  
Computer skills: MS Office, SPSS, SAS, EZText, MAX ODA
