- COM Student Council Updates

- **2nd Years: status quo. Getting ready for 2nd year. Will check to see if more funding is needed for 12 PAC**
- **3rd Years: Byron and John are working w/ Danielle Schultz to form a student run orientation for the 2nd years. Ty Jeske was elected as class treasurer. 2nd and 3rd years will work on POM for Class of 2013.**
- **4th Years: working w/ student affairs to setup a blog for applications instead of stream of emails. Trying to improve elective sign up process.**
- **PT: on break. No issues. Classes start in August.**
- **MSGS: 350 masters students in the future.. 250 students will be on USF Health Campus. The rest will be off-site. Will implement a 12 credit hour pharmacology certificate.**

- Issues

- **Student HER**
 - **students can ask to install the break glass feature for their own records. We need to let advertise this more to students. No more action will be taken**
- **APRC**
 - **will discuss with Dr. Curran to see if any other school in the country has this feature.**
- **Parking**
 - **Gold Spots**
 - **Will reduce the amount of Gold spots in the adjacent student lot. Residents will now be able to park in student spots. This negates any progress made. Discussed possibly limiting adjacent lot to only grad students. Discussed improving bus routes from Morsani Center and the enchanted forest. A specific tunnel with more regimented time.**
 - **TGH Parking**
 - **Will be meeting with a rep from TGH on August 11th. Discussed putting gravel in the lot to alleviate the pot holes.**
 - **Will send a feedback compilation out regarding the issues.**
- **Organizational Funding**

- **Desired getting bulk funding for the all the organizations which will be distributed by the SC. Preliminary wording was discussed. Involves the creation of an Organizational Standing Committee, which will be a subcommittee of the SC. Vote to take place at next meeting.**
- **Curriculum Committee Wish List**
 - **3rd Year Curriculum**
 - **More time w/ inpatient and outpatient documentation**
 - **Will come up with a sample I2C**
 - **3rd Year Selective: Students will get to pick out of certain options for what you can do**
 - **Support from faculty and administration**
 - **Absence Policy**
 - **Evaluations**

- Next Meeting

- **Voting next meeting**
