## In The Know!

The USF Health, Clinical and Translational Sciences Institute (CTSI) and Office of Research will present a 3-day Research and Scholarly Activity Event from April 6 – 8, 2010 at USF Health Morsani Center, 1013 AB. Faculty, trainees, students and staff are welcome to attend. Please contact Dr. Sadaf Aslam, at [saslam@health.usf.edu](mailto:saslam@health.usf.edu) for any additional information. The tentative schedule is:

- April 6<sup>th</sup> 8:30-4:30 p.m., Research Methods: Topics to be covered include research design, biostatistics, literature review and data base designs.
- April 7<sup>th</sup> 8:30-4:30 p.m., Write Winning Grants: This workshop is sponsored by an outside group Grant Writers' Seminars and Workshops, LLC. This highly acclaimed organization will present a one-day seminar that comprehensively addresses the practical and conceptual aspects of the grant writing process, with an emphasis on NIH grants.
- April 8<sup>th</sup> 8:30-4:30 p.m., Scientific Writing and Communication: Topics to be covered include effective scientific writing, writing for publications, preparation of abstracts and posters, and creating effective PowerPoint presentations.

## Research Happenings!

USF Department of Psychiatry is participating in a 24-week double-blind, placebo-controlled trial that will evaluate the safety and efficacy of an Investigational Medication in individuals with Alzheimer's Disease. Patients must be 50-85 years of age with a diagnosis of Alzheimer's Disease. For more information, or to make a referral, call Maggie Stratton at 974-8242.

GSK Bipolar Kids Study, Sandra Stock, M.D. (principal investigator) – The USF Department of Psychiatry Silver Child Development Center is participating in a nationwide clinical research study being conducted to evaluate LAMICTAL as an Add-on treatment for Bipolar I Disorder in Children and Adolescents, ages 10-17. For more information, call Colleen Killian, BA at 974-9104; or to make a referral, call 974-1404.

Excellent Study Opportunity!!! Schizophrenia IM Depot Abilify Study, The USF Department of Psychiatry is participating in a nationwide clinical research trial evaluating the efficacy, safety, and tolerability of Aripiprazole IM Depot as Maintenance Treatment in patients with Schizophrenia. For more information, call Colleen Killian, BA at 974-9104; or to make a referral, call 974-1404.
