Fax: (813) 974-4272
E-mail: pshenefe@health.usf.edu

PRESENT APPOINTMENTS

Associate Professor since July 1, 1997
Department of Dermatology and Cutaneous Surgery
University of South Florida
College of Medicine
Tampa, Florida

Staff Dermatologist since July 1, 1998
Dermatology Section (111H)
Medical Service
James A. Haley Veterans Hospital
Tampa, Florida

PRESENT APPOINTMENTS (Continued):

Staff Dermatologist since August 9, 1987
Tampa General Hospital
Tampa, Florida

Staff Dermatologist since October 1991
Dermatology Section
H. Lee Moffitt Cancer Center and Research Institute
Tampa, Florida

BOARD CERTIFICATION

Diplomate, National Board of Medical Examiners, July 1971
Diplomate, American Board of Dermatology, October 30, 1978, not time limited
Diplomate, American Board of Medical Hypnosis, January 21, 2007, not time limited,
recognized by the American Society of Clinical Hypnosis, and the Society for Clinical and
Experimental Hypnosis

MEDICAL LICENSURE

Florida #ME50881 active and current through January 31, 2012
Wisconsin #18769 active and current through October 31, 2011
Virginia #0101-022172 active and current through July 31, 2012

OTHER CERTIFICATION

Approved Consultant in Clinical Hypnosis, American Society of Clinical Hypnosis, May 2001;
renewed May 2004; renewed May 2007; renewed May 2010.

EDUCATION

Undergraduate: University of Wisconsin
Madison, Wisconsin
June 6, 1966
B.S. with honors

Graduate: University of Wisconsin School of Medicine
Madison, Wisconsin
M.D. - June 8, 1970

Internship: U.S. Naval Hospital
Bethesda, Maryland
Rotating "O"
July 1970 - June 1971

EDUCATION (Continued):

Residency: Dermatology: July 1975 - June 1978
University of Wisconsin Hospitals
Madison, Wisconsin
First year rotation at Marshfield Clinic with
William F. Schorr, M.D.

Postgraduate: U.S. Navy Submarine and Diving Medical Schools
Groton, Connecticut and Washington, D.C.
July - December 1971

University of Wisconsin School of Medicine
Preventive/Administrative Medicine
Madison, Wisconsin
M.S. - May 20, 1984

University of Wisconsin
Graduate School of Medicine
Madison, Wisconsin
Certificate in Health Care Accounting
Certificate in Health Care Financial Planning and Control - June 24, 1985

PROFESSIONAL EXPERIENCE:

Associate Professor of Dermatology, Department of Dermatology and Cutaneous Surgery,
University of South Florida, College of Medicine, July 1, 2006 to present.

Associate Professor of Medicine, Division of Dermatology and Cutaneous Surgery,
Department of Internal Medicine, University of South Florida, College of
Medicine, July 1, 1997 to June 30, 2006.

Assistant Professor of Medicine, Division of Dermatology and Cutaneous Surgery,
Department of Internal Medicine, University of South Florida, College of Medicine,
Tampa, Florida, July 1, 1987 to June 30, 1997.

Staff Dermatologist, Dermatology Section, Medical Service, James A. Haley Veterans
Administration Hospital, Tampa, Florida, May 12, 2007 to present.

Chief, Dermatology Section, Medical Service, James A. Haley Veterans
Administration Hospital, Tampa, Florida, August 7, 2002 to May 12, 2007.

Assistant Chief, Dermatology Section, Medical Services, James A. Haley Veterans
Administration Hospital, Tampa, Florida, July 1, 1998 to August 6, 2002.

Staff Dermatologist, H. Lee Moffitt Cancer Center and Research Institute, Tampa,
Florida, October 1991 to present.

PROFESSIONAL EXPERIENCE (Continued):

Staff Dermatologist, Tampa General Hospital, Tampa, Florida, August 9, 1987 to present.

Captain (Retired), Medical Corps, U.S. Naval Reserve, 1966 to present.

Chief, Dermatology Section, Medical Service, Veterans Administration Hospital, Bay Pines, Florida, July 1, 1987 to June 30, 1989.

Chief, Dermatology Section, Medical Service, Veterans Administration Hospital, Madison, Wisconsin, 1982-1985.

Clinical Assistant Professor, Division of Dermatology, Department of Internal Medicine, University of Wisconsin Hospitals, Madison, Wisconsin, 1981-1987.

Active Duty, U.S. Navy, Lieutenant Commander, Medical Corps, USNR, 1969-1974: Senior medical student June 1969 - June 1970. Intern July 1970 - June 1971.

SUBMEDSCHOOL July - December 1971. COMNAVINSWARLANT staff as diving medical officer January 1972 - December 1974.

PROFESSIONAL AWARDS:

Kellogg Fellowship in Administrative Medicine, University of Wisconsin, Madison, Wisconsin, 1980-1982.

CLINICAL RECOGNITION

Listed in Best Doctors annually since 1999, Southeast Region and America

MEMBERSHIP IN PROFESSIONAL SOCIETIES:

1. American Medical Association, since 1974.
2. American Academy of Dermatology, since 1978.
3. Florida West Coast Dermatological Society, since 1987.
4. Florida Society of Dermatology and Dermatologic Surgery. since 1987.
5. American Contact Dermatitis Society, since 1989.
6. American College of Physician Executives, since 1989.
7. Florida Society of Clinical Hypnosis, since 1991.
8. American Society of Clinical Hypnosis, since 1992
9. Noah Worcester Dermatological Society, since 2000.
10. Society for Clinical and Experimental Hypnosis, since 2003.
11. Florida Medical Society, since 2005.
12. Association for Psychocutaneous Medicine of North America, since 2005

OFFICES AND COMMITTEE RESPONSIBILITIES IN PROFESSIONAL SOCIETIES:American Academy of Dermatology

Advisory Council 1985 - 1988

Member of Committee on Health Care and Quality Assurance 1988-1990

American Contact Dermatitis Society

Alexander Fisher Lectureship Selection Committee 1996 – 1999; Chairman 1998-1999

Florida Society of Clinical Hypnosis

Member of Board of Directors 2008-present

Member of Scientific Committee 2009-present

Secretary 2010-present

Florida Society of Dermatology and Dermatologic Surgery

Quality Assurance Committee 1991 - 2005

Florida West Coast Society of Dermatology

Secretary-Treasurer, 1992-1993

President, 1994

UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE TEACHING RESPONSIBILITIES:

1. Staff Dermatologist, U.S.F. Medical Clinics, 1987 to present.

Medical Student Teaching

BCC 8116 Skin and Bones Clerkship live patient teaching in clinics for rotating 4th year medical students on rotations in dermatology clinic from July 2006 to present several half days a week based on their schedules, helped to organize and coordinate the dermatology part of the skin and bones clerkship, about 125 students per year.

UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE TEACHING RESPONSIBILITIES (Continued):

MEL 7321 and prior equivalents Clinical Dermatology month long 4th year medical student elective from July 1987 to present, including an hour didactic teaching on core aspects of dermatology per week until 2007, plus daily teaching six half days a week at USF Medical Clinics with live patients in dermatology clinics ongoing to present, about 15 students per year.

BMS 6941 LCE semester long 1st and 2nd year medical students from August 2004 to present with daily teaching one half day a week with live patients at USF Medical Clinics in dermatology clinics, about 2 students per year.

BMS 6920 Colloquium summer 2005 1st and 2nd year medical students didactic teaching on aspects of dermatology, 5 students.

BMS 6600 Physical Diagnosis II October 2004 about 15 students.

Dermatology Resident Teaching

One hour didactic teaching conference per week on various topics from 1987 to present. Topics have included general dermatology, allergic contact dermatitis, arthropods and the skin, pediatric dermatology, genetics and the skin, basic science related to dermatology, and others. Daily teaching six half days a week with live patients in dermatology clinics and cutaneous surgeries from 1987 to present, 12 months a year, expanded from 6 to 12 or more dermatology residents per year.

Other Resident Teaching

One hour didactic weekly teaching conference sometimes concurrent with dermatology residents. One month rotations from 1987 to present with daily teaching six half days a week at USF Medical Clinics with live patients in dermatology clinics, about 30 internal medicine residents, 8 family practice residents, and 2 occupational medicine residents per year.

2. Staff Dermatologist, Tampa General Hospital, 1987 to present.

Dermatology Resident Teaching

Weekly Tampa General inpatient teaching rounds with one dermatology resident

3. Dermatology Section, Medical Service, James A. Haley Veterans Administration Hospital, 1988 to present.

Medical Student Teaching

BCC 8116 and MEL 7321 medical student rotations through outpatient dermatology clinics daily as described above 4 half days a week.

Physician Assistant Student Teaching

Physician assistant students from University of Florida one month rotations on dermatology, similar to MEL 7321 above for medical students, 2 students per year.

UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE TEACHING RESPONSIBILITIES (Continued):Dermatology Resident Teaching

Dermatology resident teaching in outpatient clinics as described above under USF Medical Clinics but at VAH dermatology clinics 4 half days a Week.

Weekly Veterans Administration Hospital inpatient teaching rounds with one dermatology resident.

Other Resident Teaching

Other Resident teaching in outpatient clinics as described above 4 half days a week.

4. Staff Dermatologist, H. Lee Moffitt Cancer Center and Research Institute, 1991 to present.

Dermatology Resident Teaching

Occasional inpatient consults with one dermatology resident

UNIVERSITY OF SOUTH FLORIDA COMMITTEE MEMBERSHIP

1. Graduate Medical Education Committee 1998 to 2001, 2002, 2004 to 2005.
2. Resident Education Support, Employment, and Grievances Subcommittee, 1998 to 2000.
3. College of Medicine Faculty Council Representative from Internal Medicine, 1999 to 2003.
4. USFPG Managed Care Committee, 2000 to 2007.
5. USF Faculty Senator, 2002 to 2008.
6. USF Faculty Senate Committee on Committees, 2005 to 2008; Chairman 2007-2008.
7. LCME1 Committee, 2006.
8. College of Medicine Faculty Council Representative from Dermatology and Cutaneous Surgery, 2006 to present.
9. USFPG Board of Directors Member from Dermatology and Cutaneous Surgery, 2006 to 2008.
10. USF Faculty Senate Executive Committee, 2007-2008.

MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE:

1. Contact Dermatitis. Presented to medical staff meeting at Winter Park Memorial Hospital, Winter Park, Florida, March 18, 1988.
2. Contact Dermatitis: Pathogenesis and Update. Luncheon Roundtable presentation at Florida Conference on Dermatology and Dermatologic Surgery, Florida Society of Dermatology, Stouffer Orlando Resort at Sea World, Orlando, Florida, March 26, 1988.
3. The Hospital's Pivotal Role in Altering Physician Autonomy. Paper presented at the conference on American Hospitals and Human Values: 1860-1988. Society for Health and Human Values, Tampa General Hospital, Tampa, Florida, April 14, 1988.
4. Patient Presentation Panel Member: Southeastern Dermatological Association Conference, Tradewinds, St. Petersburg Beach, Florida, April 24, 1988.
5. Dermatoepidemiologic Study at a University Health Center - Findings and Implications. Preventive Dermatology Forum, American Academy of Dermatology Annual Meeting, Washington, D.C., December 6, 1988.
6. Dermatoepidemiology, Part I. Florida Society of Dermatology Annual Meeting, Key Biscayne, Florida, May 19, 1989.
7. Dermatoepidemiology, Part II. Florida Society of Dermatology Annual Meeting, Key Biscayne, Florida, May 20, 1989.
8. Occupational Dermatology. Course Director and Presenter. Current Topics in Occupational Medicine for Physicians, Clearwater Beach, Florida, February 22, 1990.
9. Skin Cancer Immunology. Florida Society of Dermatology Annual Meeting, Longboat Key, Florida, May 19, 1990.
10. Dermatology Review. Dermatology Section Moderator and Presenter, American College of Physicians, MKSAP VIII Review Course, Buena Vista Palace, Lake Buena Vista, Florida, August 17, 1990.
11. Occupational Dermatology. Medical Grand Rounds presentation, Orlando Regional Medical Center, Orlando, Florida, September 27, 1990.
12. Moth Cocoon Dermatitis. American Contact Dermatitis Society Annual Meeting, Atlanta, Georgia, November 30, 1990.
13. Occupational Dermatology. Course Director and Presenter. Current Topics in Occupational Medicine for Physicians, Clearwater Beach, Florida, February 21, 1991.

MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE (Continued):

14. Dermatologic Disorders in the Elderly. Geriatric Medicine Board Review Course, Sheraton Grand Hotel, Tampa, Florida, March 20, 1992.
15. Descriptive Dermatoepidemiology at a Student Health Center. Poster presentation and discussion. Society for Investigative Dermatology Annual Meeting, Baltimore, Maryland, April 30 - May 1, 1992.
16. Occupational Dermatology. Medical Grand Rounds presentation, Orlando Regional Medical Center, Orlando, Florida, October 22, 1992.
17. Depiction By Lorenz Curves and Quantification By Gini Coefficients Of The Concentration Of Cases In Dermatologic Diagnostic Categories. Poster presentation and discussion. The Second Tricontinental Meeting of the Japanese Society for Investigative Dermatology (JSID), the Society for Investigative Dermatology (SID), and the European Society for Dermatological Research (ESDR), Kyoto International Conference Hall, Kyoto, Japan, October 28-31, 1993.
18. What's Bugging Your Patients? Focus session director and presenter on arthropods and the skin. American Academy of Dermatology Annual Meeting, Washington, D.C., December 4, 1993.
19. Dermatologic Disorders in the Elderly. Geriatric Medicine Board Review Course, Sheraton Grand Hotel, Tampa, Florida, March 18, 1994.
20. Rash Decisions: Skin Lesions and Environmental Exposure. Presented at Florida Academy of Physician Assistants Annual Summer Clinical Symposium, Daytona Beach Marriott, Daytona Beach, Florida, August 5, 1994
21. Occupational Dermatitis. Medical Grand Rounds presentation, Winter Park Memorial Hospital, Winter Park, Florida, September 16, 1994.
22. Patient presentation panel member. Dermatology Section, Southern Medical Association 88th Annual Meeting, Orange County Convention Center, Orlando, Florida, November 5, 1994.
23. What's Bugging Your Patients? Focus session director and presenter on arthropods and the skin. American Academy of Dermatology Annual Meeting, New Orleans, Louisiana, February 8, 1995.
24. Descriptive Epidemiology of Contact Dermatitis in a University Student Population. Poster presentation and discussion. Society for Investigative Dermatology Annual Meeting, Chicago, Illinois, May 24-28, 1995.

MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE (Continued):

25. Burrows, Bugbites, Bitebugs, and Bug Stings. Medical Grand Rounds presentation, Winter Park Memorial Hospital, Winter Park, Florida, November 17, 1995.
26. Dermatology Clinic Utilization Incidence and Prevalence of Contact Dermatitis in a University Student Population. American Contact Dermatitis Society Annual Meeting, Washington, D.C., February 9, 1996.
27. Descriptive Dermatoepidemiology at a University Student Health Center: Disease Frequency And the Pareto Principle. Poster presentation and brief oral presentation at the Dermatoepidemiology Interest Group Annual Meeting, Washington, D.C., February 9, 1996.
28. What's Bugging Your Patients? Focus session director and presenter on arthropods and the skin. American Academy of Dermatology Annual Meeting, Washington, D.C., February 12, 1996.
29. Bug Bites, Bite Bugs, and Bug Stings. Florida Society of Dermatology Annual Meeting, Key Biscayne, Florida, June 2, 1996.
30. Contact Allergen Testing in the Differential Diagnosis of Persistent Eczematous Conditions. Presented to Gulf South Dermatologists, Chateau Estates Country Club, Kenner, Louisiana, June 27, 1996.
31. What's Bugging Your Patients? Focus session director and presenter on arthropods and the skin. American Academy of Dermatology Annual Meeting, San Francisco, California, March 22, 1997.
32. Allergic Contact Dermatitis. Florida Society of Dermatology Annual Meeting, presentation, Naples, Florida, June 6, 1997.
33. Broadening the Dermatologic Horizon of the Primary Care Provider. Primary Care Provider Meeting, James A. Haley Veterans Administration Hospital, Tampa, Florida, presentation, July 18, 1997.
34. Arthropods and the Skin. Dermatology Grand Rounds presentation, Ohio State University, Columbus, Ohio, August 8, 1997.
35. Bug Bites and Bug Stings. Presenter at Microbiology course, American Academy of Dermatology Annual Meeting, Orlando, Florida, February 28, 1998.
36. Limitations of ICD-9-CM Codes for Use in Dermatoepidemiologic Studies. Poster presentation and discussion. International Investigative Dermatology 1998 Meeting, Koeln-Messe, Cologne, Germany, May 7-10, 1998.

MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE (Continued):

37. Arthropods that Bug the Skin. Focus session. Director and presenter on arthropods and the skin. American Academy of Dermatology Annual Meeting, New Orleans, Louisiana, March 19, 1999.
38. Sun Safety for Children. Presentation at the quarterly meeting of the Central Florida Pediatric Society, Orlando, Florida, May 25, 1999.
39. What's This? Old Skin in the Office. Presentation at Ambulatory Management of an Aging Population: Y2K and Beyond course, American College of Physicians, Colony Beach and Tennis Resort, Longboat Key, Florida, September 16, 1999.
40. Occupational Dermatitis. Presentation at Occupational Medicine for Health Professionals Course, University of South Florida College of Public Health, Tampa, FL, Sept 29, 1999.
41. Hypnosis for Skin Disorders. Presented at the Scientific Meeting of the American Society of Clinical Hypnosis Annual Meeting, Baltimore, Maryland, February 29, 2000.
42. Relevance of the Pareto Principle, Lorenz Curves, and Gini Coefficients to Patch Testing. Presented at the American Contact Dermatitis Society Annual Meeting, San Francisco, California, March 9, 2000.
43. Common Dermatoses. Presented at the Dermatology for the Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, June 2, 2000.
44. Pediatric Dermatology. Presented at Dermatology for the Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, June 3, 2000.
45. Hypnotic Relaxation During a Dermatologic Procedure. Presented at the Southern Medical Association's Annual Scientific Assembly, Orlando, Florida. November 3, 2000.
46. Hypnosis in Dermatology: An Alternative Therapy. Focus session director and presenter. American Academy of Dermatology Annual Meeting, Washington, D.C., March 2, 2001
47. Hypnosis – Facilitated Relaxation Using Self-Guided Imagery During Dermatologic Procedures. Scientific meeting symposium director and presenter. American Society of Clinical Hypnosis Annual Meeting, Reno, Nevada, March 27, 2001.
48. Management of Common Dermatoses. Presented at the Dermatology for Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, May 2001.
49. Environment Dermatology. Presented at Dermatology for the Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, June 2, 2001.

MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE (Continued):

50. Contact Dermatitis. Grand Rounds presentation, Sarasota Memorial Hospital, Sarasota, Florida, January 4, 2002.
51. Hypnosis in Dermatology: An Alternative Therapy. Focus session director and presenter. American Academy of Dermatology Annual Meeting, New Orleans, Louisiana, February 23, 2002.
52. Assisting Healing with Hypnosis and Biofeedback in Dermatology. Scientific meeting symposium presenter, American Society of Clinical Hypnosis Annual Meeting, Indianapolis, Indiana, March 19, 2002.
53. Pediatric Dermatology. Presented at the Osler Institute Pediatric Board Review, Crowne Plaza Hotel, Tampa, Florida, May 21, 2002.
54. Dermatology. Presented at the Osler Institute Family Practice Board Review, Crowne Plaza Hotel Tampa, Florida, May 24, 2002.
55. Pediatric Dermatology. Presented at the Dermatology for the Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, May 24, 2002.
56. Environmental Dermatology. Presented at the Dermatology for the Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, June 2, 2002.
57. Hypnosis: Applications in Dermatology and Medicine. Medical Grand Rounds presentation, Sarasota Memorial Hospital, Sarasota, Florida, January 10, 2003.
58. Hypnotically Induced Relaxation During Dermatologic Procedures. Presented at the Noah Worcester Dermatological Society Annual Meeting, Boca Raton Resort, Boca Raton, Florida, January 23, 2003.
59. Hypnosis in Dermatology: An Alternative Therapy: Focus session director and presenter. American Academy of Dermatology Annual Meeting, San Francisco, California, March 23, 2003.
60. Hypnotic Self-Relaxation Using Self-Guided Imagery During Dermatologic Procedures. Scientific meeting symposium presenter. American Society of Clinical Hypnosis Annual Meeting, Alexandria, Virginia, April 8, 2003.
61. Pediatric Dermatology. Presented at the Osler Institute Pediatric Board Review Course, Crowne Plaza Hotel, Tampa, Florida, May 20, 2003.
62. Common Dermatoses. Presented at the Osler Institute Family Practice Board Review Course, Crowne Plaza Hotel, Tampa, Florida, May 21, 2003.

MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE (Continued):

63. Pediatric Dermatology. Presented at the Dermatology for the Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, May 31, 2003.
64. Environmental Dermatology. Presented at the Dermatology for the Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, June 1, 2003.
65. Resolution of Excoriations in Acne Excoriee Facilitated by Hypnosis. Scientific meeting symposium presenter. Society for Clinical and Experimental Hypnosis Annual Meeting, Chicago, Illinois, November 14, 2003.
66. Hypnosis in Dermatology: An Alternative Therapy. Focus session director and presenter. American Academy of Dermatology Annual Meeting, Washington D.C., February 10, 2004.
67. Neurotic Excoriations in Acne Excoriee Ameliorated by Hypnosis Scientific meeting symposium presenter. American Society of Clinical Hypnosis Annual Meeting, Anaheim, California, March 26, 2004.
68. Pediatric Dermatology. Presented at the Osler Institute Pediatric Board Review Course, Crowne Plaza Hotel, Tampa, Florida, June 1, 2004.
69. Common Dermatoses. Presented at the Osler Institute Family Practice Board Review Course, Crowne Plaza Hotel, Tampa, Florida, June 3, 2004.
70. Pediatric Dermatology. Presented at the Dermatology for the Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, June 3, 2004.
71. Environmental Dermatology. Presented at the Dermatology for the Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, June 5, 2004.
72. Embryologic and Biologic Interconnections of the Skin and Nervous System. Workshop co-chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Santa Fe, New Mexico, November 13, 2004.
73. Hypnosis for Skin Procedures. Workshop co-chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Santa Fe, New Mexico, November 13, 2004.
74. Hypnosis for Skin Disorders. Workshop co-chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Santa Fe, New Mexico, November 13, 2004.

MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE (Continued):

75. Hypnotic Relaxation Utilizing Self-Guided Imagery During Dermatologic Procedures. Scientific Meeting Symposium and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Santa Fe, New Mexico, November 14, 2004.
76. Hypnotic Relaxation for Medical Procedures. Grand Rounds presentation, Sarasota Memorial Hospital, Sarasota, Florida, January 14, 2005.
77. Hypnosis in Dermatology: A Review. Invited Keynote speaker at the Association for Psychocutaneous Medicine of North America Annual Meeting, New Orleans, Louisiana, February 17, 2005.
78. Hypnotic Relaxation for Dermatologic Procedures Using Self-Guided Imagery. Scientific presenter at the American Society of Clinical Hypnosis Annual Meeting, Adams Mark Hotel, Saint Louis, Missouri, March 15, 2005.
79. Pediatric Dermatology. Presented at the Osler Institute Family Practice Board Review Course, Quorum Hotel, Tampa, Florida, May 25, 2005.
80. Common Dermatoses. Presented at the Osler Institute Family Practice Board Review Course, Quorum Hotel, Tampa, Florida, May 25, 2005.
81. Environmental Dermatology. Presented at the Dermatology for the Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, June 4, 2005.
82. Hypnosis for Skin Procedures and Disorders. Workshop co-chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Charleston, South Carolina, October 26, 2005.
83. Live versus Audiotape Hypnotic Relaxation Utilizing Self-Guided Imagery for Dermatologic Procedures. Scientific meeting symposium presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Charleston, South Carolina, October 30, 2005.
84. Update in Dermatology. Presenter at Update in Internal Medicine for Primary Care Professionals, The Colony Beach and Tennis Resort, Longboat Key, Florida, November 10, 2005.
85. Common Dermatoses. Grand Rounds presentation, Sarasota Memorial Hospital, Sarasota, Florida, January 13, 2006.
86. Live versus Audio-Recorded Hypnotic Relaxation and Self-Guided Imagery for Dermatologic Procedures. Scientific presenter at the Association for Psychocutaneous Medicine of North America Annual Meeting, San Francisco, California, March 2, 2006.

MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE (Continued):

87. Live versus Audio-Recorded Hypnotically Induced Relaxation and Self-Guided Imagery for Dermatologic Procedures. Scientific presenter at the American Society of Clinical Hypnosis Annual Meeting, Orlando, Florida, March 28, 2006.
88. Pediatric Dermatology. Presented at the Osler Institute Family Practice Board Review Course, Quorum Hotel, Tampa, Florida, May 23, 2006.
89. Common Dermatoses. Presented at the Osler Institute Family Practice Board Review Course, Quorum Hotel, Tampa, Florida, May 23, 2006.
90. Basic Hypnosis with Applications Workshop. Course Director, Florida Society of Clinical Hypnosis Meeting, Wingate Inn USF, Tampa, Florida, October 19 and 20, 2006.
91. Rapid Hypnoanalysis Using Ideomotor Signals Advanced Workshop. Course Director, Florida Society of Clinical Hypnosis, University of South Florida College of Public Health, Tampa, Florida, October 21 and 22, 2006.
92. Pathways to Hypnotically Induced Relaxation and Self-Guided Imagery for Dermatologic Procedures. Scientific Symposium director and presenter, American Society of Clinical Hypnosis and Society for Clinical and Experimental Hypnosis Joint Annual Meeting, Adam's Mark Hotel, Dallas, Texas, January 22, 2007.
93. Hypnotic Relaxation and Self-Guided Imagery for Dermatologic Procedures. Presenter at the Association for Psychocutaneous Medicine of North America Annual Meeting, Grand Hyatt Washington, Washington D.C., February 1, 2007.
94. Hypnotic Relaxation for Dermatologic Procedures. Presenter at the Noah Worcester Dermatologic Society Annual Meeting, Royal Garden Hotel, London, England, May 8, 2007.
95. Hypnosis in Dermatology. Invited Presenter of the Morris Waisman MD Memorial Lecture at the Florida Society of Dermatology and Dermatologic Surgery Annual Meeting, The Breakers, Palm Beach, Florida, June 1, 2007.
96. Hypnosis for Skin Procedures and Disorders. Workshop chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Anaheim, California, October 24, 2007.
97. Hypnotically Induced Relaxation and Self-Guided Imagery for Dermatologic Procedures. Scientific meeting symposium presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Anaheim, California, October 27, 2007.

MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE (Continued):

98. Using Ideomotor Questions to Determine Which Dermatology Patients to Refer for Hypnoanalysis. Scientific Symposium presenter at the American Society of Clinical Hypnosis Annual Meeting, Hyatt Regency at McCormick Place, Chicago, Illinois, March 10, 2008.
99. Hypnosis for Skin Procedures and Disorders. Workshop chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, King of Prussia, Pennsylvania, October 25, 2008.
100. Use of Medical Psychosomatic Hypnoanalysis for Skin Disorders. Scientific meeting symposium presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, King of Prussia, Pennsylvania, October 26, 2008.
101. Therapeutic Management of Psychodermatological Disorders. Focus session director and presenter, American Academy of Dermatology Annual Meeting, San Francisco, California, March 9, 2009.
102. Hypnosis for Skin Procedures and Disorders. Workshop chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Reno, Nevada, October 21, 2009.
103. Use of Hypnotically Induced Relaxation and Self-Guided Imagery During Dermatologic Procedures. Scientific meeting symposium presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Reno, Nevada, October 24, 2009.
104. Hypnotically Induced Relaxation with Guided Self-Imagery During Dermatologic Procedures. Presenter at the Association for Psychocutaneous Medicine of North America Annual Meeting, Loews Hotel, Miami Beach, Florida, March 4, 2010.
105. Hypnosis for Skin Procedures and Disorders. Workshop chair and presenter at the American Society of Clinical Hypnosis Annual Meeting, Nashville, Tennessee, March 13, 2010.
106. Hypnotically Induced Relaxation and Self Guided Imagery during Dermatologic Procedures. Scientific Symposium presenter at the American Society of Clinical Hypnosis Annual Meeting, Nashville, Tennessee, March 14, 2010.
107. Hypnosis Induced Relaxation and Self-Guided Imagery for Dermatologic Surgery. Presenter at the Noah Worcester Dermatological Society Annual Meeting, Ritz-Carleton Amelia Island, Fernandina Beach, Florida, April 24, 2010.

**MAJOR PRESENTATIONS WITHIN THE UNIVERSITY OF SOUTH FLORIDA
COLLEGE OF MEDICINE .**

1. Contact Dermatitis. Grand Rounds presentation, University of South Florida, Tampa, Florida, October 1, 1987.
2. Dermatoepidemiology: Grand Rounds presentation, University of South Florida, Tampa, Florida, October 13, 1988.
3. Skin Cancer Immunology. Grand Rounds presentation, University of South Florida, Tampa, Florida, November 9, 1989.
4. Occupational Dermatology. Grand Rounds presentation, University of South Florida, Tampa, Florida, August 30, 1990.
5. Arthropods and the Skin. Grand Rounds presentation, University of South Florida, Tampa, Florida, June 13, 1991.
6. Allergic Contact Dermatitis. Grand Rounds presentation, University of South Florida, Tampa, Florida, April 16, 1992.
7. Arthropods That Bug Your Skin. Grand Rounds presentation, University of South Florida Tampa, Florida, August 10, 1995.
8. Allergic Skin Diseases. Grand Rounds presentation, University of South Florida, Tampa, Florida, August 8, 1996.
9. Cutaneous Drug Reactions. Grand Rounds presentation, University of South Florida. Tampa, Florida, August 7, 1997.
10. Photosensitive and Other Skin Reactions to Light: Grand Rounds presentation, University of South Florida, October 8, 1998.
11. Dermatitis. Grand Rounds presentation, University of South Florida, Tampa, Florida, August 2, 2001.
12. The Use of Hypnosis in Dermatology. Grand Rounds presentation, University of South Florida, Tampa, Florida, April 11, 2002.
13. Dermatitis. Grand Rounds presentation, University of South Florida, Tampa, Florida, April 3, 2003.
14. Hypnotic Relaxation for Medical Procedures. Grand Rounds presentation, University of South Florida, Tampa, Florida, March 25, 2004.

**MAJOR PRESENTATIONS WITHIN THE UNIVERSITY OF SOUTH FLORIDA
COLLEGE OF MEDICINE (Continued)**

15. Bites, Stings, and Infestations. Grand Rounds presentation, University of South Florida, Tampa, Florida, April 20, 2006
