In The Know!

On March 6, 2010 "Pain Medicine and Controlled Substances: Risk Management & Best Practices" 2010 "Florida Tour" will be held at the Embassy Suites USF. This is a CME activity directed to all healthcare providers that care for patients with chronic pain including physicians, nurses, nurse practitioners, pharmacists, physician assistants and all other health care professionals. For more information, contact Linda S. Knapp, CE Professional; Office: 800-805-1436; or www.LorSandCME.com.

Save the Date!! USF Neuroscience Research Day is March 5, 2010 from 8:30 a.m. – 1:00 p.m. featuring keynote speaker: Dr. Gregory Cascino from the Mayo Clinic of Minnesota (8:30-10:00 a.m.). Dr. Cascino's lecture will be followed by a USF Research Poster Symposium. Save your posters and plan to share them with your Neuroscience Colleagues. This program will take place at the MacInnes Auditorium, Tampa General Hospital.

The USF Health, Clinical and Translational Sciences Institute (CTSI) and Office of Research will present a 3-day Research and Scholarly Activity Event from April 6 – 8, 2010 at USF Health Morsani Center, 1013 AB. Faculty, trainees, students and staff are welcome to attend. Please contact Dr. Sadaf Aslam, at saslam@health.usf.edu for any additional information. The tentative schedule is:

- April 6th 8:30-4:30 p.m., Research Methods: Topics to be covered include research design, biostatistics, literature review and data base designs.
- April 7th 8:30-4:30 p.m., Write Winning Grants: This workshop is sponsored by an outside group Grant Writers' Seminars and Workshops, LLC. This highly acclaimed organization will present a one-day seminar that comprehensively addresses the practical and conceptual aspects of the grant writing process, with an emphasis on NIH grants.
- April 8th 8:30-4:30 p.m., Scientific Writing and Communication: Topics to be covered include effective scientific writing, writing for publications, preparation of abstracts and posters, and creating effective PowerPoint presentations.
