

## A new USF Health Service Corps Mentoring and Teaching Opportunity:

### USF Health Homework Help Sessions at San Jose Mission!

**WHAT:** Any USF Health student with a passion for helping kids can sign up to help as a tutor/mentor during our new Monday evening USF Health Homework Help sessions! Please contact Daniel Matta at [dmatta@health.usf.edu](mailto:dmatta@health.usf.edu) with LMSA to sign up. Students need to sign up in pairs, please (e.g. either 2 or 4 students).

**NOTES:** You can sign up for 1 or more sessions. You do not need to speak Spanish because the youth who are school aged whom we will be mentoring can speak English. Also, if you wish to plan a special health education session or activity, please be sure to indicate your plan when you sign up with Daniel. Again, please remember that students need to sign up in pairs. Thanks!

**WHEN:** **Selected Mondays from 5-7 pm**

October 18, 2010	November 8, 2010	January 10, 2011
February 7, 2011	March 7, 2011	April 11, 2011

**WHERE:** **San José Mission in Dover**

For information about other great teaching and mentoring opportunities available through the USF Health Service Corps, feel free to check the website at <http://health.usf.edu/ahec/USFHealthServicesCorps/hscevents4.htm> or contact the USF Health Service Corps Faculty Coordinator, Ellen Kent, MPH, by phone at 974-6622 or email at [ekent@health.usf.edu](mailto:ekent@health.usf.edu) and she will be happy to help you!

*Here are photos of our USF Health students teaching the children at the San José Mission at some of our recent USF Health Service Corps events!*
