
USFPG
Consent for E-Mail Communication

USFPG offers patients the ability to communicate with providers via electronic mail (e-mail) for non-urgent matters if, the arrangement is agreed to by both parties.

Privacy and Security of the E-Mail:

Do not use e-mail to send or request very sensitive information. USFPG cannot and does not guarantee the privacy or security of any messages being sent over the Internet. There is potential that e-mail sent over the Internet can be intercepted, and read by others. If this is of concern to you, you should not communicate with your provider through e-mail.

I have been informed of and understand the risks and procedures involved with using e-mail. I agree to the terms listed above and I hereby voluntarily request the use of e-mail as one form of communication with my physician or other health care provider.
