NOTE: This is a general listing of contracted managed care plans for USF’s Department of General Internal Medicine providers. For specific physician participation information, please consult Cactus/iObserver or, if you are outside of the USF Health system, call the Department of Managed Care at 813-974-8390. Please also consult patient benefit information. While USF Health is participating in the plans and products above, health plans or employer groups may have additional “preferred networks” for certain types of services that offer alternative out-of-pocket responsibilities or benefit levels.
