Research Directory:

The Research Directory employs the most sophisticated search technology to identify USF Health investigators who match your search terms. It provides up-to-date information on grants and published materials and is designed to facilitate interdisciplinary research.

Use the below link to create your profile. Use your computer login-in information to sign in.

<https://hsccf.hsc.usf.edu/facultyDirectory/researchDirectory/search.cfm?CFID=17948597&CFTOKEN=fc93083cbbdab1f3-F6E89125-5056-AC57-CFAD231D2AC9DB4B>

Note: Regulatory requirements are constantly changing and certain types of research require additional certifications. Please contact your department administrator for updates on any additional certifications that may be needed.

For general information on new faculty RightStart (onboarding) process, please contact: Melissa Mastorides at mmastori@health.usf.edu.
