

The following courses must be completed in addition to those listed at http://health.usf.edu/nocms/nursing/Programs_of_Study/rntomasters.html before progressing to the Masters curriculum. Foreign language is only required if students wish to earn a Bachelors degree in addition to the Masters degree. If the requirements are completed, the Bachelors degree will be awarded upon completion of the Masters requirements. English Composition I and II and Gordon Rule Math are required to be admitted to the RN-MS program. The remainder of these courses may be taken prior to entering USF or while a student at USF. Consult the catalog for specific requirements.

- English Composition I and II (6) – completed prior to admission to RN-MS
- Gordon Rule Math (6) – completed prior to admission to RN-MS
 - College Algebra, Finite Math, or Liberal Arts Math (preferred)
