

College of Nursing Information Session Schedule

The College of Nursing will be conducting information sessions throughout the year at the MDN building on the Tampa campus. If you are a prospective student interested in applying to any program in the College of Nursing, you are welcome to attend. Each session is scheduled to last one hour.

Information sessions are open to prospective students only who are interested in obtaining more information about the programs at the USF College of Nursing prior to the application process. If you are **currently** a student at the College of Nursing, please do not attend the information sessions. Rather, call 813-974-2191 to make an appointment with your advisor. Individual advising questions will not be answered in the information sessions for current CON students.

Parking Information:

Allow 20-30 minutes to find a parking space and walk to the College of Nursing building. You may obtain a one-day parking pass for \$5.00 at a variety of spots around campus, including the USF main entrance and in every parking garage. You may park in any visitor parking lot close to the College of Nursing building. [Click here](#) to view map.

Session Information:

- If you are interested in receiving your bachelor's degree in nursing (even if you have a bachelor's degree in another field), please attend the information session for the undergraduate programs. This session covers information on the First Time in College, Upper Division, Accelerated, and RN to BS program.

- If you currently hold a RN license (AS degree) only and are interested in receiving a bachelor's degree or master's degree in nursing, you may attend the RN information session. Information on RN to BS and RN to MS program is covered in these sessions.

- If you are interested in receiving your master's degree in nursing and currently have a bachelor's in nursing or another field, please attend the information session for the graduate programs. This session covers information on all Master's (ARNP) programs and Post Master's Graduate certificate program. Please note these information sessions do not cover the Nurse Anesthesia concentration. If you are interested in Nurse Anesthesia, please refer to the web site at: <http://health.usf.edu/nocms/nursing/AdmissionsPrograms/crna.html>

**We are not able to offer Graduate Info Sessions during the summer months. The Fall schedule will be available towards the end of summer. Students interested in Graduate programs should refer to the website at <http://health.usf.edu/nocms/nursing/AdmissionsPrograms/Masters.html> for complete details.

If you are unsure which session suits you best, please contact the main office at 813-974-2191 before arriving. Sessions do not require an appointment, but do begin promptly at the posted time. Please plan to arrive 30 minutes early to allow time to park and walk to the appropriate building and room.
