

USF COPH MPH FELLOWSHIP

with the CDC Office on Smoking and Health in Atlanta, Georgia

Applications are being accepted for Summer 2011

The CDC Office on Smoking and Health Fellowship provides:

- 3 month fellowship rotation
- \$2,500 per month stipend
- A staff mentor who is a Health Scientist, Toxicologist, or Epidemiologist
- Work on a pre-determined research, evaluation or surveillance project based on the COPH concentration and personal desires of the fellow

COPH Fellows must:

- Register for academic credit (field experience or special project) for their participation in the fellowship program
- Write a formal paper on the primary fellowship project
- Make an oral presentation to CDC scientists and staff
- Make an oral presentation to COPH faculty and students (FE Debriefing)
- Serve as a point-of-contact and source of information for future COPH fellows
- Optional: Publication with a CDC scientist

2011 Projects will focus on:

ENHANCED SURVEILLANCE • PRODUCT PRICING • SMOKE-FREE POLICIES
TOBACCO PRODUCTS AND FDA SUPPORT • COUNTERMARKETING
