Each online public health course has a course-at-a-glance document that will assist the student in preparing for the course. The course-at-a-glance document will provide important information on course format, textbook ordering, major course topics, assessments, course expectations, technology requirements and important dates. Go to: <http://publichealth.usf.edu/eta/courses.htm> and click on the course of interest. It is highly recommended that students familiarize themselves with this information prior to the start of the semester.

15631	PHC	6050	310	Biostatistics I	DAGNE/HUANG	3
