

Educational Outcomes Committee Meeting  
July 15, 2008  
Meeting Minutes

Present: Drs. Abbott, Cattani, Corvin, Liller, Marhefka, Mlynarek, Sanchez-Anguiano

Absent members: Dr. Dagne, Barbara Kennedy, Michele Sebti

Meeting called to order at 10:00 am.

1. April 29, 2008 meeting notes approved as submitted.
2. Results of the Summer 2008 core exam were discussed and students' comments were reviewed to be presented to all departments at their staff meetings.

The information provided on the COPH core exam web site includes only syllabi for all core courses and the link to the Biostatistics course.

3. Results from the recommendation members made to their departments' faculty on making the capstone course mandatory for all students were discussed again and they are going to be presented to the next Assembly meeting.
4. There were general comments on the ASPH certification exam and the capstone course as the best way to expose students to the ASPH interdisciplinary competencies.

Next meeting: November 18 at 10:00 a.m.

Meeting adjourned at 10:45.
