

Educational Outcomes Committee

April 26, 2010 – 10:00 – 11:00 a.m.

Meeting Minutes

Present: Drs. Abbott; Coreil; Corvin; Dagne (guest); Mlynarek; Sanchez-Anguiano (EOC Chair); Wathington; Wu; and D. Hogeboom; M. Sebti and B. Kennedy

1. Minutes from the Nov. 18, 2009 meeting were reviewed and approved as written.
2. The Committee reviewed the results of the Spring 2010 Core Comprehensive Examination.

M. Sebti reviewed student comments concerning the Core Comprehensive Exam.
3. The Committee reviewed the EOC CEPH self-study draft documents. The discussion focused on the Exam embedded in the Capstone course. Students taking the Core Exam in the Capstone course can earn up to 15 points toward their final grade.

Motion:

The Educational Outcomes Committee strongly recommends that the weight of the Core Comprehensive Examination given in the Capstone Course be increased to at least 25% of the student's grade.

Motion passed

4. There is a possibility that the National Public Health Certification Exam will be piloted as a COPH comprehensive exam. The plan or concept is in the initial stage.

Next meeting: July 19, 2010 at 10:00 in the EPB Conference Room

Meeting adjourned at 11:25 a.m.
