For complete details, visit <http://grants.nih.gov/grants/guide/pa-files/PA-06-343.html>. From ASPH Friday Letter #1409.

NIH: The Effects of Racial and Ethnic Discrimination/ Bias on Health Care Delivery – Multiple Due Dates

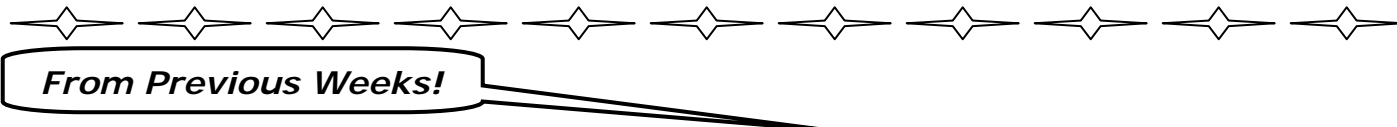

The purposes of this FOA are: (1) to improve the measurement of racial /ethnic discrimination in health care delivery systems through improved instrumentation, data collection and statistical/analytical techniques; (2) to enhance understanding of the influence of racial/ethnic discrimination in health care delivery and its association with disparities in disease incidence, treatment and outcomes among disadvantaged racial/ethnic minority groups; and (3) to reduce the prevalence of racial/ethnic health disparities through the development of interventions to reduce the influence of racial/ethnic discrimination on health care delivery systems in the United States. For complete details, visit <http://grants.nih.gov/grants/guide/pa-files/PA-06-348.html>. From ASPH Friday Letter #1409.

NIH: Exploratory Grants for Behavioral Research in Cancer Control – Multiple Due Dates

The purpose of this funding opportunity announcement (FOA) is to encourage exploratory and developmental research projects (R21) grant applications in the cancer control research continuum (i.e., primary prevention to end of life care) from investigators representing a range of behavioral and social science disciplines. For complete details, visit <http://grants.nih.gov/grants/guide/pa-files/PA-06-351.html>. From ASPH Friday Letter #1409.

NIH: Men’s Heterosexual Behavior and HIV Infection – Multiple Due Dates

This announcement issued by the National Institute of Child Health and Human Development (NICHD), National Institutes of Health (NIH), calls for basic social and behavioral science studies on the determinants of the sexual behavior of adult heterosexual men. For complete details, visit <http://grants.nih.gov/grants/guide/pa-files/PA-06-353.html>. From ASPH Friday Letter #1409.

Innovative Environmental Public Health Work Force Practices Sought – Abstract Due April 28, 2006

Visit www.neha.org/research/innovative_practices.html for details. From APHA Member News April 2006.

Legacy Foundation Adult and Youth Awards – Due April 29, 2006

Nominations should be submitted by Saturday, April 29 at 5 p.m. (Pacific) [here](#). Questions can be directed to awards@americanlegacy.org. From ASPH Friday Letter #1408.

SAMHSA: Cooperative Agreements for HIV/AIDS Related Mental Health Services in Minority Communities -- Due May 1, 2006

For complete details, visit [here](#). From ASPH Friday Letter #1399.

HRSA: Coordinated HIV Services and Access to Research for Women, Infants, Youth –Due May 3, 2006

For complete details, visit [here](#). From ASPH Friday Letter #1404.

Young Scientist Research Fund Awards for AD/HD – Due May 11, 2006

For more information, visit www.chadd.org/YoungScientist/. From APHA Member News, February 2006.

NIH: Radionuclide Decorporation Agents for Radiation/Nuclear Emergencies: Project BioShield –Due May 15, 2006

For complete details, visit [here](#). From ASPH Friday Letter #1407.

SAMHSA: Targeted Capacity Expansion Program for Substance Abuse Treatment and HIV/AIDS Services – Due May 16, 2006

For complete details, visit [here](#). From ASPH Friday Letter #1407.

SAMHSA: Campus Suicide Prevention Grants – Due May 16, 2006

For complete details, visit [here](#). From ASPH Friday Letter #1407.

SAMHSA: Prevention of Methamphetamine Abuse Grants – Due May 16, 2006

For complete details, visit [here](#). From ASPH Friday Letter #1407.

SAMHSA: Service Program for Residential Treatment for Pregnant and Postpartum Women – Due May 16, 2006

For complete details, visit [here](#). From ASPH Friday Letter #1407.

Call for Abstracts for Environmental Protection Agency's 2006 Science Forum – May 16-18, 2006

For more information about the EPA Science Forum, please visit the Forum Web page at:

<http://www.epa.gov/ord/scienceforum>. From ASPH Friday Letter #1396.

CDC: Community Participation in Research – Due May 18, 2007

The ultimate goal of this funding opportunity announcement (FOA) is to support research on health promotion, disease prevention and health disparities that is jointly conducted by communities and researchers. For complete details, visit [here](#). From ASPH Friday Letter #1405.

USDA: Food and Nutrition Assistance Programs: Research Funding Opportunities – Due May 22, 2006

For complete details, visit [here](#). From ASPH Friday Letter #1407.

Breast Cancer Research Program IDEA Award – Due May 23, 2006

For complete details, visit [here](#). From ASPH Friday Letter #1401.

American Society of Tropical Medicine and Hygiene Call for Abstracts – Due June 1, 2006

For more information or to access the abstract site, visit [here](#). Questions should be directed to

info@astmh.org. From ASPH Friday Letter #1408.

Global Health Council, 33rd Annual International Conference on Global Health Excellence, Innovation and Influence: Pathways to Results - May 30-June 2, 2006

Omni Shoreham Hotel, Washington, D.C. Online Abstract Submission is now available at

http://www.globalhealth.org/conference/view_top.php?id=520. Questions? E-mail conference@globalhealth.org

DOT Seeks Partner Universities to Tackle Nation's Transportation Challenges – June 1, 2006

Application forms, instructions and selection criteria can be accessed online at <http://utc.dot.gov> or www.grants.gov. From ASPH Friday Letter #1407.
