## Electronic Access

Use your USF Health ID and password to access most resources anytime, anywhere. Don't have a USF Health ID?

- Request one at [health.usf.edu/is/](http://health.usf.edu/is/)
- or Sign up to use a public use computer in the library for ebooks, ejournals, and more.

## Reference & Education

Librarians are available Monday through Friday 9am-4pm. To make an appointment, call 974-2288 or [fill out the online form](#).

- Find articles or books.
- Create a research strategy.
- Conduct a literature search.
- Individual or group instruction

## Journals & Articles

- Print journals are located on the second floor.
- Electronic journals can be accessed through the catalog.

## Databases

The library subscribes to a number of popular health databases. To find a particular database:

- Search for the title in the catalog.
- or Click on the link under **eResources** from the library homepage.

## Books

- Check the catalog for ebooks (login required).
- Online renewal is available.

## Reserves

Faculty reserves are located at the circulation desk. Headphones, network cables, and power strips are also available for in-library use.

## In the Library

- Areas for quiet or collaborative (not-so-quiet) study
- Group study rooms
- Wi-Fi & ethernet access
- USF Health computer lab
- Public use computers
- Printing, copying, and scanning.

## 24/7 Study Space

Quiet study space is available 24 hours a day, 7 days a week to all students of USF Health. The space is located at the south end of the first floor in the West Wing of the library.

## Still Can't Find It?

- Request books or articles via interlibrary loan (under "Library Forms").
- **Talk to us.** We may be able to track it down.
