

How Can You Afford Your Fertility Treatments?

Let ARC Fertility help you!

USF IVF and Reproductive Endocrinology understands that choosing the right fertility treatment option can be overwhelming. That's why we are proud to partner with ARC Fertility to provide you with the most affordable options through financing programs, refund packages, and affordable pharmacy plans.

ARC is the nation's largest network of fertility specialists in the US. It is a patient-focused organization that offers every new patient the value of its more than 18 years of experience and the trust it has earned by helping thousands of patients get pregnant. ARC and its member clinics are committed to making the cost of fertility treatments **predictable and affordable**.

ARC offers a number of affordable options for patients to choose from:

- **Affordable and Predictable Fertility Treatment Packages**
