

Charles Lockwood, MD, MHCM
Senior Vice President & Dean USF Health
Professor, Obstetrics & Gynecology
University of South Florida

Charles J. Lockwood, MD, MHCM, is the Senior Vice President for USF Health and Dean of the Morsani College of Medicine at the University of South Florida. From 2011 to 2014 he was Dean and Vice President for Health Sciences of The Ohio State University College of Medicine. Previously he served as the Anita O’Keeffe Young Professor of Women’s Health and Chair of the Department of Obstetrics, Gynecology and Reproductive Sciences at the Yale School of Medicine, and Chief of Ob/Gyn at Yale-New Haven Hospital. He also chaired the Yale Medical Group Board of Governors. Prior to his Yale position, he was Chair of the New York University School of Medicine, Department of Ob/Gyn and served as interim director of the NYU Kaplan Cancer Center. He received his undergraduate education at Brown University, graduating magna cum laude with special distinction in his major of developmental biology. His M.D. was obtained from the University of Pennsylvania; and he holds a Master of Science in Healthcare Management from the Harvard School of Public Health. He served a residency in Ob/Gyn at Pennsylvania Hospital and a fellowship in Maternal-Fetal Medicine at Yale-New Haven Hospital. He completed a postdoctoral fellowship in molecular hemostasis at Mount Sinai School of Medicine, established his own laboratory in 1991 and has obtained multiple NIH and March of Dimes grants. He has over 270 peer review publications and has authored or co-authored three monographs/books; has co-edited seven obstetrical textbooks; is section editor for Obstetrics of UpToDate and Editor-in-Chief of Contemporary OB/GYN. He has won five national publishing awards for his editorials. Dr. Lockwood has served as Treasurer and President of the Society for Gynecological Investigation, chaired multiple American College of Obstetricians and Gynecologists committees and served on or chaired various NIH Study Section and FDA committees. He has been routinely cited as a "Best Doctor" by New York Magazine and the Castle and Connolly Survey. He is a member of the Alpha Omega Alpha honor society and was inducted into the Institute of Medicine of the National Academies of Science in 2010.
