Morsani College of Medicine
Villages Research Policy
Effective: 07/25/2013

Investigators with potential research projects involving individuals living in The Villages should send a one-page single-spaced summary to Stephen B. Liggett, M.D., Vice Dean for Research, Morsani College of Medicine (sliggett@health.usf.edu), and Donna Petersen, Ph.D., Dean, College of Public Health (dpeters@health.usf.edu). We will contact investigators for further information after receiving this summary. Please include funding sources and personnel with their roles in the summary.
