

**Moffitt Cancer Center, the University of South Florida, and the Ponce School of Medicine  
Invite Junior Investigators  
To apply for an American Cancer Society-Institutional Research Grant**

**PURPOSE:** To support junior faculty in initiating cancer-related research projects that assist them in competing successfully for national research grants.

**AWARD AMOUNTS:** Up to \$30,000 for 12 months. Current awardees may apply for a second year of funding as a competing renewal.

**ELIGIBILITY:** Full-time Assistant Members/Professors with no active peer-reviewed funding within 6 years of initial faculty appointment.

Investigators will be limited to three proposal submissions involving the same body of research.

**DEADLINE:** April 14, 2017, 4:00 PM

**For more information:**

**CONTACT:** Maureen Ahearn, 813.745.8824, email: [maureen.ahearn@moffitt.org](mailto:maureen.ahearn@moffitt.org)
