USF INTERNATIONAL NURSING PROGRAM

ST. CROIX, U.S. VIRGIN ISLAND

Join the University of South Florida’s College of Nursing on a trip abroad to St. Croix, U.S. Virgin Islands! While abroad, you will experience the beauty of St. Croix, while learning about health care delivery in other regions of the world. This trip is an amazing way to complete the Community Health requirements for graduation, all while experiencing a new country and developing new, inter-professional relationships.

Costs vary depending on length and type of program. Current costs are disclosed during information sessions.

Visit health.usf.edu/nursing/global for information session dates and additional information
EXPERIENCE NURSING IN A DIFFERENT COUNTRY

DELIVER NURSING

While abroad, you have the opportunity to deliver nursing care, education and services to local residents in St. Croix.

GLOBAL EDUCATION

While in St. Croix, you deliver health care services to local residents at several different rural clinics throughout St. Croix.

BUILD RELATIONSHIPS

Our Global Abroad trips are designed to facilitate both inter-professional relationships with other medical professionals, as well as your classmates and local residents.

EXPERIENCE CULTURE

You will have opportunities to experience St. Croix and its culture through group activities such as festivals and tours.
