How to Change Major to Pre-Nursing:

1. Attend a live (not webinar) College of Nursing Information Session. Info sessions are mandatory to change your major. You may view the live information session schedule by scrolling down to the “Information Sessions” section of the College of Nursing webpage: [http://health.usf.edu/nursing/advising.html](http://health.usf.edu/nursing/advising.html)

2. Complete at least 1 full semester (at least 12 credit hours) at USF

3. Have the following cumulative GPA in the semester requesting the change
   a. Upper-Division 3.4
   b. Second Degree 3.0

4. Have 2 or more Nursing pre-requisites courses to register for or complete

5. If approved to change your major, meet with your new pre-nursing academic advisor to discuss your educational and career objectives
