USF – Health Science Center

Operations and Facilities Management (OFM)

Project Status Update
January 2014

Stan Douglas
Asst. VP
From the Facility Manager’s Desk:  

Greetings and Happy New Year ☺☺ ☺☺.

In this report you will find updates that span a period of nearly one year. During this period, several substantially sized projects were completed, including building and relocating the Derm/Path Lab function to 4th Floor Morsani Clinic, fire sprinkler protection systems for two (2) floors in the MDC facility, constructing the Genomics Research Labs on Alzheimer Facility 5th floor, and Pharmacy Skill’s lab build-out on MDC Phase II 2nd floor, to name a few.

Construction work continued on the Shared Student Services facility, which involved renovating the first phase of the old clinic facility. This space will house student administrative and study space functions for all Health Science students. This nearly 18,000 SF area is now occupied and is in the punch-list phase of the project process, with a Grand Opening for the space scheduled for January 16th. Also, highlighted this period is the design/build contract award for the USF Health Heart Institute. Program confirmation and some site work will take place this month on that project.

Not all projects being managed by this office are highlighted in the report this period. However, please contact our office (X4-3017) if you have questions about any project not shown in this report. Also as always, please go to our website for information on facility support processes, policies, procedures, and other project status information: http://health.usf.edu/ofm/index.htm.

Best Regards,

Stan Douglas
Projects in Various Phases of Development
USF Health – PA Program Admin Suite Renovations
Project Mgr: Adam Linton

- **Scope:** Renovating office suite to accommodate new Physician Assistant program
- **Status:** Final Construction Phase
- **Budget:** $120,000
- **Target Completion:** Jan/2014
- **Funding Source:** Carry-Forward (CF)

Picture Shows Partition Wall of Construction Area
Picture Shows Completed New Store Front for Suite
USF Health – PA Program Admin/Main Lobby Corridor Improvements

Project Mgr: Adam Linton

- **Scope:** As part of the PA Suite renovation project, the MDC lobby area will also be renovated. Work will include corridor repainting, interior finish upgrades, and new way-finding devices will be installed.

- **Status:** Construction Phase

- **Target Completion:** Jan 2014

- **Budget:** $20,000

- **Funding Source:** Carry-Forward (CF)

Picture shows work in corridor area
USF – Health Facilities Planning and Construction
MDH College of Pharmacy Center– Project Mgrs – Adam Linton/Stan Douglas

- **Scope:** Involves converting former Sweet-bay Pharmacy space in the Morsani Facility to a pharmacy center managed and operated by USF Health COP staff and students. Planned features of this center include computerized drug distribution, medical apps, and many automated services.

- **Status:** Planning Phase

- **Budget:** TBD

- **Funding Source:** Pharmacy Program Funding

Conceptual Rendering of Possible Floor Plan Layout
USF – Health Facilities Planning and Construction
MDC Health IS Data Center Upgrades
Project Mgrs – Maher Ouieni/Stan Douglas

- **Scope**: Work involves installing fire suppression and moisture detection systems throughout facility along with security cameras at access entry points.

- **Status**: Close-out Document Phase

- **Const Cost**: $162,665

- **Funding Source**: HSC CF

Picture Shows Work in Data Server Room
USF Health – MDC Phase III Repair/Replace Floor Covering Admin/Main Lobby  Project Mgr: Shane Ross

- **Scope:** Replace lobby area floor covering damaged by wear and water infiltration.
- **Status:** Pre-construction
- **Target Completion:** Jan 2014
- **Budget:** $7,000
- **Funding Source:** Carry-Forward (CF)

Picture Shows Lobby Flooring Area
USF – Health Facilities Planning and Construction
Create USF Health Shared Student Services (SSS)
Project Mgrs: Adam Linton/Stan Douglas

Scope: Work involves renovating old clinic space and repurposing 18,000 SF the facility to house HSC student support services, i.e., Registrar, Admissions, & Financial Aid. Area also will be a place for students to gather/study and acquire career counsel.

Status: Project Punch-list Phase

Cost: $1,100,000

Target Completion Date: Jan/2014
Funding Source: HSC Carry-Forward

Pictures Show Refurbished Old Clinic Lobby Areas
USF – Health Facilities Planning and Construction
CTIF Student Project – Convert Old Clinic to Wellness Facility
Project Mgr : OFM Facilities Group

- **Scope:** Convert/reconstruct old clinic space (south side) to new student wellness and dining facility. This project will include major infrastructure overhaul and exterior finish upgrades.

- **Status:** Programming/Planning

- **Target Schedule:** Construction Procurement Pkg by June 2014

- **Budget Cost:** TBD

- **Funding Source:** CTIF & CF Funds

Figure Shows Conceptual View of Facility South Side
USF – Health Facilities Planning and Construction
Create USF Health Welcome Center
Project Mgr: OFM Facilities Group

- Scope: As part of CTIF funded remodeling of some of the existing old clinic space, additional campus funding will be required to bring all utility support systems in compliance and upgrade the physical features of the entire facility, which include the facade. Also, eventually building a new entry plaza as shown in the adjacent rendering.
- Status: Plaza and interior demolition design packages complete
- Target Start: Summer 2014
- Budget Cost: TBD
- Funding Source: Campus CF & CTIF

USF – Health Facilities Planning and Construction
MDH Address P.A.W. Report Issues– Project Mgrs – Shane Ross/Stan Douglas

- **Scope:** Investigate and make physical modifications if required to comply with Physical Accessibility Workshop (PAW) report stating possible non-compliant ADA service counter height for wheelchair & scooter users. Complaint suggests current 44” height is too high. Additionally, other noted facility PAW issues will also be addressed under this project.

- **Status:** Review Phase
- **Budget:** TBD
- **Funding Source:** HSC CF

USF – Health Facilities Planning and Construction
COPH Reconfigure & Upgrade Large Lecture Hall
Project Mgrs – Shane Ross/Stan Douglas

- **Scope:** Renovation work will involve removing fixed walls in COPH main auditorium...unifying the 3 sections, creating a large lecture venue, building in motorized movable partitions for flexibility.

- **Status:** Design Phase

- **Const Budget:** TBD

- **Target Const Schedule:** TBD

- **Funding Source:** COPH

USF – Health Facilities Planning and Construction
HSC Library Facility Courtyard – Project Mgrs: Kemi Ogunsanwo/Adam Linton

- **Scope:** Project is part of facility upgrade which supports the Quiet Study space at the Library. Work here will involve site improvements to the Library courtyard on the south side of the facility.

- **Status:** Construction

- **Budget:** TBD

- **Target Completion:** June 2014

- **Funding Source:** HSC CF

Sketch Shows Courtyard Layout Concept
USF – Health Facilities Planning and Construction
HSC Rotunda Quiet Study Furniture – Project Managers:  Adam Linton/Stan Douglas

- **Scope:** Provide student study furniture, IT & power ports in Rotunda area for USF Health students
- **Status:** Planning
- **Cost:** TBD
- **Target Completion:** Spring 2014
- **Funding Source:** CF Funding

Picture Shows One of the Areas to Receive Furniture
USF – Health Facilities Planning & Construction
MDT Reconfigure Existing Space for Military VET Program
Project Mgr: Kemi Ogunsanwo

- **Scope:** Reconfigure existing spaces and build counseling suite to treat military VETS with PTSD
- **Status:** Planning and Program Phase
- **Budget:** TBD
- **Funding Source:** Carry-Forward (CF)

Floor Plan Shows Proposed Layout for Counseling Space
USF – Health Facilities Planning and Construction
Repair Basement Level Ground Water Leaks – Project Mgr: Shane Ross

- **Scope:** Correct ground water leakage problem in basement level of facility.
- **Status:** Planning
- **Budget:** TBD
- **Target Completion:** TBD
- **Funding Source:** Department & HSC CF

USF – Health Facilities Planning and Construction
Build-Out Shell Space Alzheimer Basement Level – Project
Mgr: Shane Ross

- **Scope:** Build-out basement level shell space area to expand vivarium function.
- **Status:** Planning
- **Budget:** TBD
- **Target Completion:** TBD
- **Funding Source:** Research Dept & HSC CF

Diagram Shows Alzheimer Facility Basement Expansion
USF – Health Facilities Planning and Construction
MDT Reconstruct Existing Courtyard
Project Mgrs – Kemi Ogunsanwo/Stan Douglas

- **Scope:** Renovation work involves building out existing courtyard creating an additional 4,300 SF Office suite and several research labs.

- **Status:** Programming/Planning Phase

- **Const Budget:** TBD
- **Target Const Schedule:** TBD
- **Funding Source:** TBD

USF – Health Facilities Planning and Construction
MDC Reconfigure/Renovate Rooms 4140, 4140A/B, & 4140C
Project Mgr: Maher Oueini

- **Scope:** Project involves renovating several offices on 4th floor of the MDC Phase II complex.
- **Status:** Planning
- **Target Completion:** TBD
- **Budget:** TBD
- **Funding Source:** Dept Funding

Diagram Shows Partial Floor Plan Targeted for Renovation
USF – Health Facilities Planning and Construction
Nursing (MDN) Replace/Upgrade Security Cameras – Project
Mgr: Robin Jones

- **Scope:** Campus Security Camera Network cameras are now required to be IP units, which means analog cameras are being phased out. USF Health has over 300 cameras and 80% of them must be converted. The approximate cost for this entire effort is ~$645,000. With a price tag this high, work is being executed in phases. This project focuses on entire MDN Bldg (initial phase/s), since this area has the greatest need.

- **Status:** Construction/Installation

- **Cost:** ~$80,000

- **Funding Source:** HSC CF

Diagram Shows new IP Camera Locations on 2nd Floor Plan in Nursing Facility
These improvements are on-going efforts on work items identified in the COM Campus Improvement package developed in 2010/11, in which the Auditorium, Group Learning, Anatomy Lab, and 1096/7 Lecture Hall renovations were completed. However, the following items remain and will be accomplished as funding is becomes available:

- Improve Pedestrian Way-finding and Directional Signage in HSC District
- Improve and Upgrade both North and South Courtyards in HSC District (work will include building up sunken areas level w/ surrounding pathways & sidewalks)

The next six (6) slides show the proposed North Courtyard scheme, an example of possible way-finding concept, and some actual new signage and information monitors.
USF Health Science Facility (COM) Improvements

- Microscopy Lab
- HSC Project Site Improvement Plan for Remaining Items
- Proposed Auditorium Renovation
- Convert Student Lab Area To Small Group Learning Space
- Anatomy Lab Renovation
- Combine Lecture Halls 1096 & 1097
- Proposal Location Of Possible New Auditorium
- Proposed Anatomy Lab Addition
- Proposed Way-Finding Routes
- Layout of the HSC Primary College Of Medicine District Outlining Areas of targeted areas Of Renovations and Improvements
- Courtyard Improvements
- Create Small Group Learning Space in HSC Library
- Transform Courtyards
- Way-Finding Pathways

Way-finding Project - Picture Shows New Directional Signage and Informational Monitor
USF – Health Facilities Planning and Construction
HSC Library Facility Infrastructure Improvements – Project Mgr: Maher Oueini

- **Scope:** Work involves correcting many of the facility discrepancies identified in a building assessment report. Major items include replacing the roof*, asbestos abatement, mechanical system renewal and fire protection system upgrades.

- **Status:** All asbestos abatement and fire sprinkler systems for both floors have been completed

- **Cost:** Sprinkler System (only) $235,147

- **Completed:** July/2012

- **Funding Source:** HSC CF

* Roof Replacement Work (only) is being managed by main campus Facilities and funded with FY 13/14 PECO Funds

USF – Health Facilities Planning and Construction
HSC Library Renovation for Pharmacy Skills Lab– Project Manager: Kemi Ogunsanwo

- **Scope:** Project involves HSC Library 2nd Floor modifications to accommodate new Pharmacy School Skills Lab.
- **Status:** Construction Complete
- **Cost:** $322,000
- **Funding Source:** Pharmacy Pgm Funding

New Pharmacy Skills Lab Library 2nd Floor Area
USF – Health Facilities Planning and Construction
HSC Library Renovation for Pharmacy Skills Lab– Project Manager: Kemi Ogunsanwo

Finished Pharmacy Skills Lab Classroom Space MDC Phase I 2nd Floor
USF – Health Facilities Planning and Construction
NEC Renovate Mezzanine and Office Spaces– Project Manager: Kemi Ogunsanwo

- **Scope:** Renovate and upgrade existing office/mezzanine in campus NEC facility for COPH’s Harrel Group. In addition to interior finish work, accessibility (ADA) upgrades are included in the project. A wheelchair elevator lift was included in the project to address 2nd floor ADA access.

- **Status:** Completed

- **Cost:** $148,468.00

- **Funding Source:** Carry-Forward (CF)
USF – Health Facilities (COM) Improvements
MDL Upgrade Anatomy Lab
Project Mgrs: Adam Linton/Robin Jones

- **Scope:** Refurbish/Renovate/Upgrade existing lab/office/prep spaces to support academic vision of the medical school

- **Status:** Major portion of construction complete. Investigating additional lighting needs, plumbing changes & window leaks

- **Target Schedule:** TBD

- **Budget:** TBD

- **Funding Source:** OEA Funding
USF – Health Facilities Planning and Construction
MDL 1003/1005 Reconfigure Lecture Halls
Project Mgrs – Kemi Ogunsanwo/Stan Douglas

- **Scope:** Renovation work involves removing wall between MDL 1003/5 unifying the space, creating a large lecture (~250 student capacity) venue, building in motorized movable partition for flexibility.
- **Status:** Design/Planning Phase
- **Const Budget:** TBD
- **Target Const Schedule:** June 2014 if funds are made available
- **Funding Source:** HSC CF

1/14/2014

USF – Health Facilities Planning and Construction
Construct USF Health Heart Inst – Project Mgrs: Main Campus FPC/OFM Facilities Group

- **Scope:** Construct 100,000 SF, five (5) story facility to support heart health research
- **Status:** Programming Confirmation
- **Budget:** Not Published
- **Target Completion:** Projected 2016
- **Funding Source:** PECO

Conceptual Rendering of Institute
USF – Health Facilities Planning and Construction
MDT Construct New Front Entrance
Project Mgr: Kemi Ogunsanwo

- **Scope**: Develop/Design new MDT School of Physical Therapy front entrance. Work will include new canopy cover design/construction and landscape improvements
- **Status**: Design
- **Const Budget**: TBD
- **Funding Source**: Pending
USF – Health Facilities Planning and Construction

Additional project efforts underway, but not detailed in this report are as follows:

- MDC Convert/Install ~ 40 Exterior IP Security Cameras – Planning
- MDH Convert/Install ~ 12 Entry Point IP Security Cameras - Planning
- COPH Facility HVAC Duct Cleaning - Pending Funding
- MDC Phase I 4th floor Electrical Power Analysis ($12K) – Work Underway
- MDC Phase III Install 240V Electrical Circuit – Construction
- Convert MDH Exam Room to Office – Work Underway
- MDA Repair Interior Storm Drain Leaks/Overflow Issue – Planning
- Install Panic Button System COPH – Construction Review
- MDC Refurbish Spaces 2025/2025A – Construction
- Convert MDC Phase II Space to Research Equipment Room - Planning
- MDL Install Card Access System on Store Front Doors - Planning
Recently Completed Projects

- These last slides represent some of the projects that were completed in the last 18 months
USF – Health Facilities Planning and Construction
MDC Infrastructure Project – Renovate Bathrooms
Project Mgr: Maher Oueini

- **Scope:** Work involves refurbishing and upgrading Bathrooms in the MDC Phase I & II complex
- **Status:** Construction currently underway on 2nd and 3rd floors of Phase I
- **Budget Cost:** $189,000
- **Funding Source:** Minor PECO & OFM CF
USF – Health Facilities Planning and Construction
