# AIMS Process at USF: Psychiatry's Top 10 Questions!

1. When will our Dashboard be live?
2. Will AIMS data be captured under the accrual basis of accounting (e.g., DSR Rev)?
3. Educational RVUs – will credit for prep time be allowed? Will it be capped?
4. How is contract revenue (service or educational) to be handled?
  1. Will this activity be converted to RVUs?
5. Who is responsible for logging in data not collected centrally by Dean or Practice Plan?
6. How will UME and Clerkship Directors be handled? Like the RTDs, will they have protected time?
7. How will RTDs be handled?
8. How will UCS be handled? Right now it has protected status – will this change?
9. How will E&G be handled with tenured faculty?
10. Does running the Department (administration time) count? If so, from which source?
