GRADUATE MEDICAL EDUCATION POLICY & PROCEDURE**

<b>Title: Mission Statement - GME</b>		<b>No.: GME-100</b>
<b>Effective Date: 1/1/99</b>	<b>Revision Date: 8/2008</b>	<b>Distribution: All</b>
<b>Page: 1 of 1</b>		

**Policy Statement**

The Graduate Medical Education Program of the University of South Florida endeavors to provide an ideal environment for the acquisition of the knowledge, skills, and attitudes necessary for its graduates to achieve the highest level of professional and personal accomplishment and to safeguard the public trust. In so doing, we support a balanced educational program comprised of individual programs united under a common institutional goal and with shared participation in an interdisciplinary curriculum.

**Procedure**

Responsible Party

Action

Office of GME

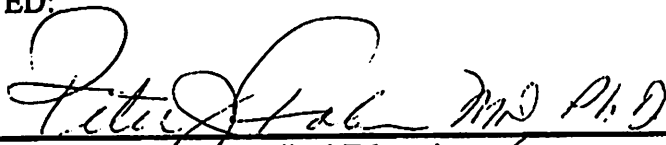

Continually oversees policies, curriculum, and evaluation processes of residency training programs.

Provides ongoing feedback to program directors regarding program development, changes in requirements, and evaluations by residents.

Reviews anonymous evaluations by residents and advises GMEC.

Submits Annual Report to leadership of all major affiliates at least annually to review status and progress of training programs.

APPROVED:

Associate Dean, Graduate Medical Education

Dean, College of Medicine
