# Robert A. Good Honor Society

We would like to take this opportunity to announce the Charter Class of 2017 for the Robert A. Good Honor Society (RGHS). The RGHS mission is to recognize students, faculty and alumni who have contributed in an outstanding manner to the advancement of scholarship at MCOM. We look to establish a community of scholars for the exchange of ideas and opportunities as well as foster a spirit of lifelong scholarly approach to the practice of medicine. Sixteen students along with six distinguished faculty members and one alumnus will form the Charter Class of 2017 and were selected for their exemplary impact and accomplishments towards that mission. Please join us in congratulating them.
