### PROFESSIONAL EXPERIENCE

#### **Nutrition Instructor/Dietetic Internship Program Coordinator** 2019-present

University of South Florida, Tampa, FL

- Instructor of undergraduate nutrition courses to those seeking a minor in Nutrition.
- Assist with curriculum review and revision to assure alignment of competencies and learning activities.
- Work with Dietetic Internship (DI) Program Director and other USF units to monitor student learning outcomes and the academic progress of students.
- Assist with preceptor and supervised practice site evaluations.
- Respond to DI program inquiries from prospective interns.
- Assist with review and evaluation of DI applicants and computer matching.
- Assist with onboarding of new students.
- Schedule, coordinate, and monitor supervised practice experiences.
- Develop and revise recruitment materials and program and preceptor handbooks.
- Assist Program Director with development of surveys and evaluation tools.
- Assist with ongoing program evaluation and improvement.
- Assist with outcome measurement of program goals and objectives.
- Assist with the preparation of summary reports and presentations.

## Clinical Dietitian

2014-present

Moffitt Cancer Center, Tampa, FL

- Perform assessments and reassessments while identifying short- and long-term goals, implementing nutrition interventions, and monitoring and evaluating patient progress.
- Educate and counsel patients and their families on disease-specific nutrition information.
- Determine and evaluate potential food-drug interactions and educate as appropriate.
- Calculate enteral nutrition regimens and monitor tolerance to said regimens.
- Communicate with the interdisciplinary team regarding nutrition plan of care, progress, and special needs.
- Assist with various events to provide nutrition education (wellness fairs, clinical boot camps, patient-focused meetings, etc.).
- Student Intern Coordinator (May 2018-October 2019)
  - Facilitated student learning by assisting students in improving Medical Nutrition Therapy knowledge and skills through on-site practice.
  - Collaborated with internship program directors and clinical dietitians to secure clinical oncology rotations and prepare intern schedules.
  - Counseled and advised student interns on methods to improve clinical dietitian skills.
  - Completed student intern mid-rotation and final rotation evaluations.
