

Fire Drill Relocation Areas

EH&S recommends grassy areas be used for relocation purposes during the Fire and Emergency Evacuation Drills. The following recommended locations include grassy areas for increased safety:

- AREA 1
MDL, MDC, MDA, MDN, BOOKSTORE
The west side of the buildings by Bruce B. Downs.

- AREA 2
CMS
The south side of the building.

- AREA 3
NEC, CPH, MHA, MHC, LRC
In the center of these buildings.

- AREA 4
MHB (FMHI)
The area designated for relocation is the grassy area by MGZ.

- AREA 5
MDH, MDF
West side of the building near Magnolia excluding the surgery center.
Surgery center area will be on the north side for patient on stretchers, with the accommodation of the middle elevator.

- AREA 6
MDT, ALZ
South east side of buildings close to or across Laurel Dr.

- AREA 7
VPA, PCD
The east side of the buildings.

- AREA 8
FAH, CAM, FAD, THR, TAT, TAR, MSC, BKS, SVC, LSA, LIF, CHS, CHE, ICS
The area designated for relocation is MLK.

- AREA 9
SCA, NTA, ENA

The grassy area by lot #8

- AREA 10
SHS, TVB, WRB, BEH
The area by the pond.
- AREA 11
LIB
The south side of building and or Cooper mall.
- AREA 12
EDU, DAC, CEE, FAO, SOC, HMS, ULH, FSB
The east side of the buildings.
- AREA 13
CPR, CIS, BSN
The north side of the building not including CPR.
CPR should use the south side of the building.
- AREA 14
ALC
The north side of the building.
- AREA 15
CWY, PED
The area by the tennis courts.
- AREA 16
REC
The west side of building near Maple.
- AREA 17
SUN DOME
The parking lot area on the south east side of the arena.
- AREA 18
ATH
The field on the east side of the building.
