

Public Health Practice Program

Request for Advisor

Once you have completed approximately half of your program (21 credits hours) you must request a faculty advisor. Please review the Public Health Practice [Field Experience and Special Project guidelines](#) and complete this form.

Use this form to describe your ideas/plans for your Special Project (SP). Please be descriptive so that we can find you an advisor who has knowledge and experience in the subject area of your interest. In your description please include:

- 1) Statement of the problem
- 2) Why this problem important?
- 3) How your SP will contribute to addressing the problem?
- 4) How will you define and measure your success?

Please note: Students interested in completing a social marketing project must take PHC 6411. Students interested in completing an epidemiology project must take PHC 6010.
