

# USF Health Employee Remote Work Experience Survey

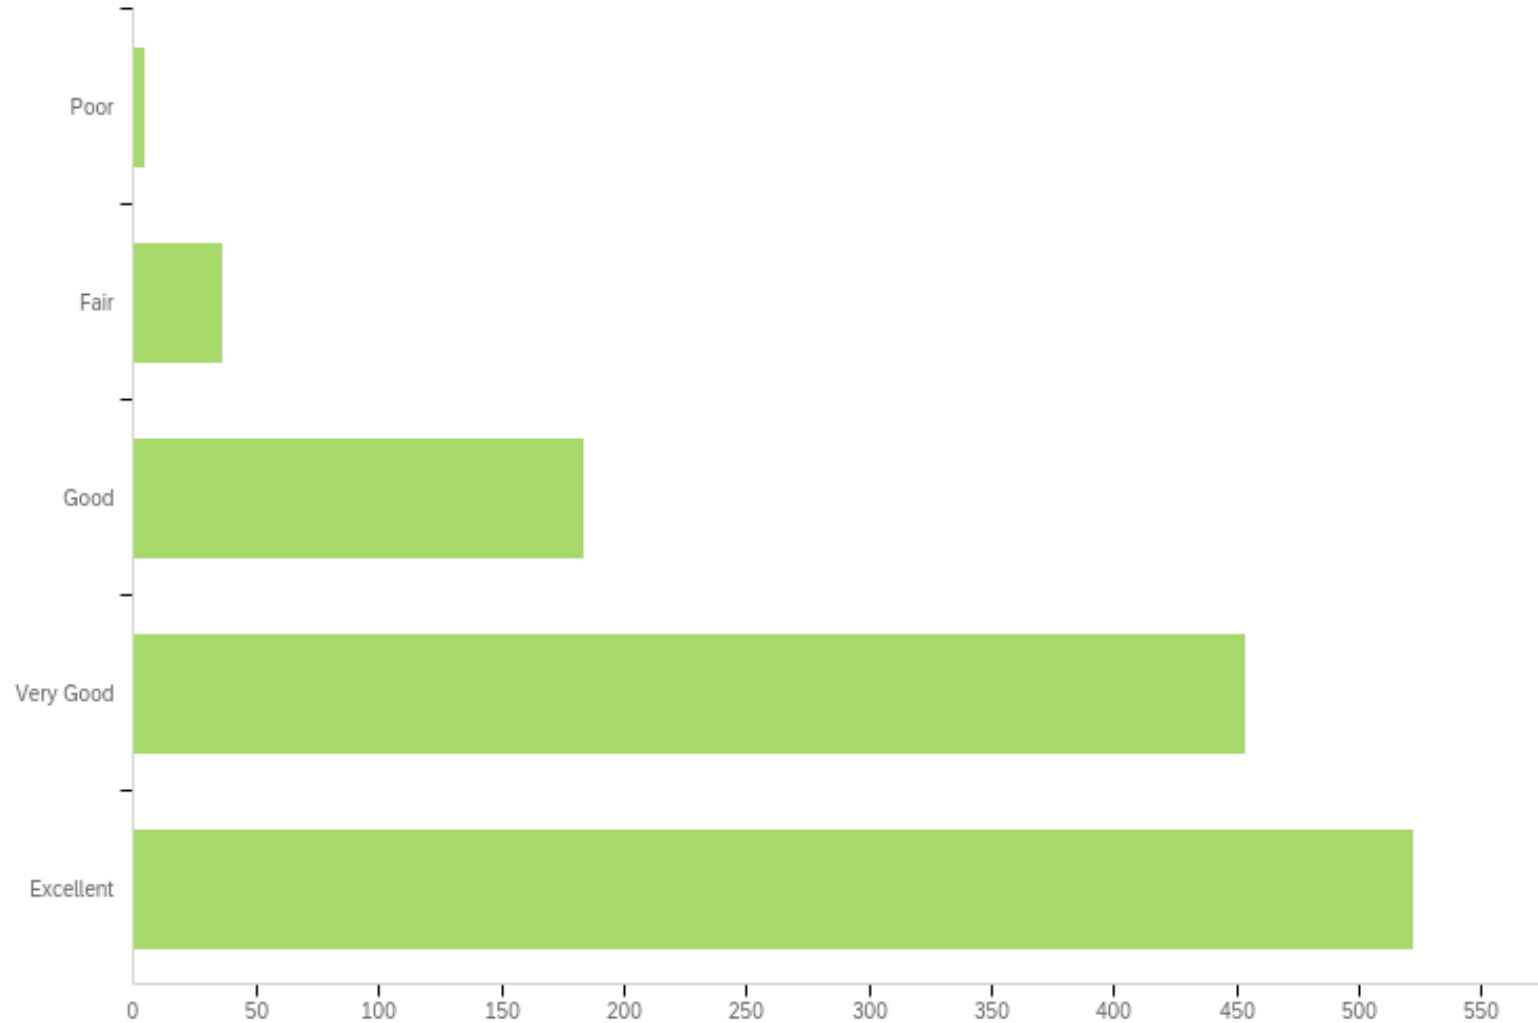

June 12th 2020, 12:35 pm MDT

# Q1 - Which mission area are you associated with? (Check more than one if applicable.)

Over 1100 employees completed the survey.

## Q2 - How would you rate your current experience with remote work?

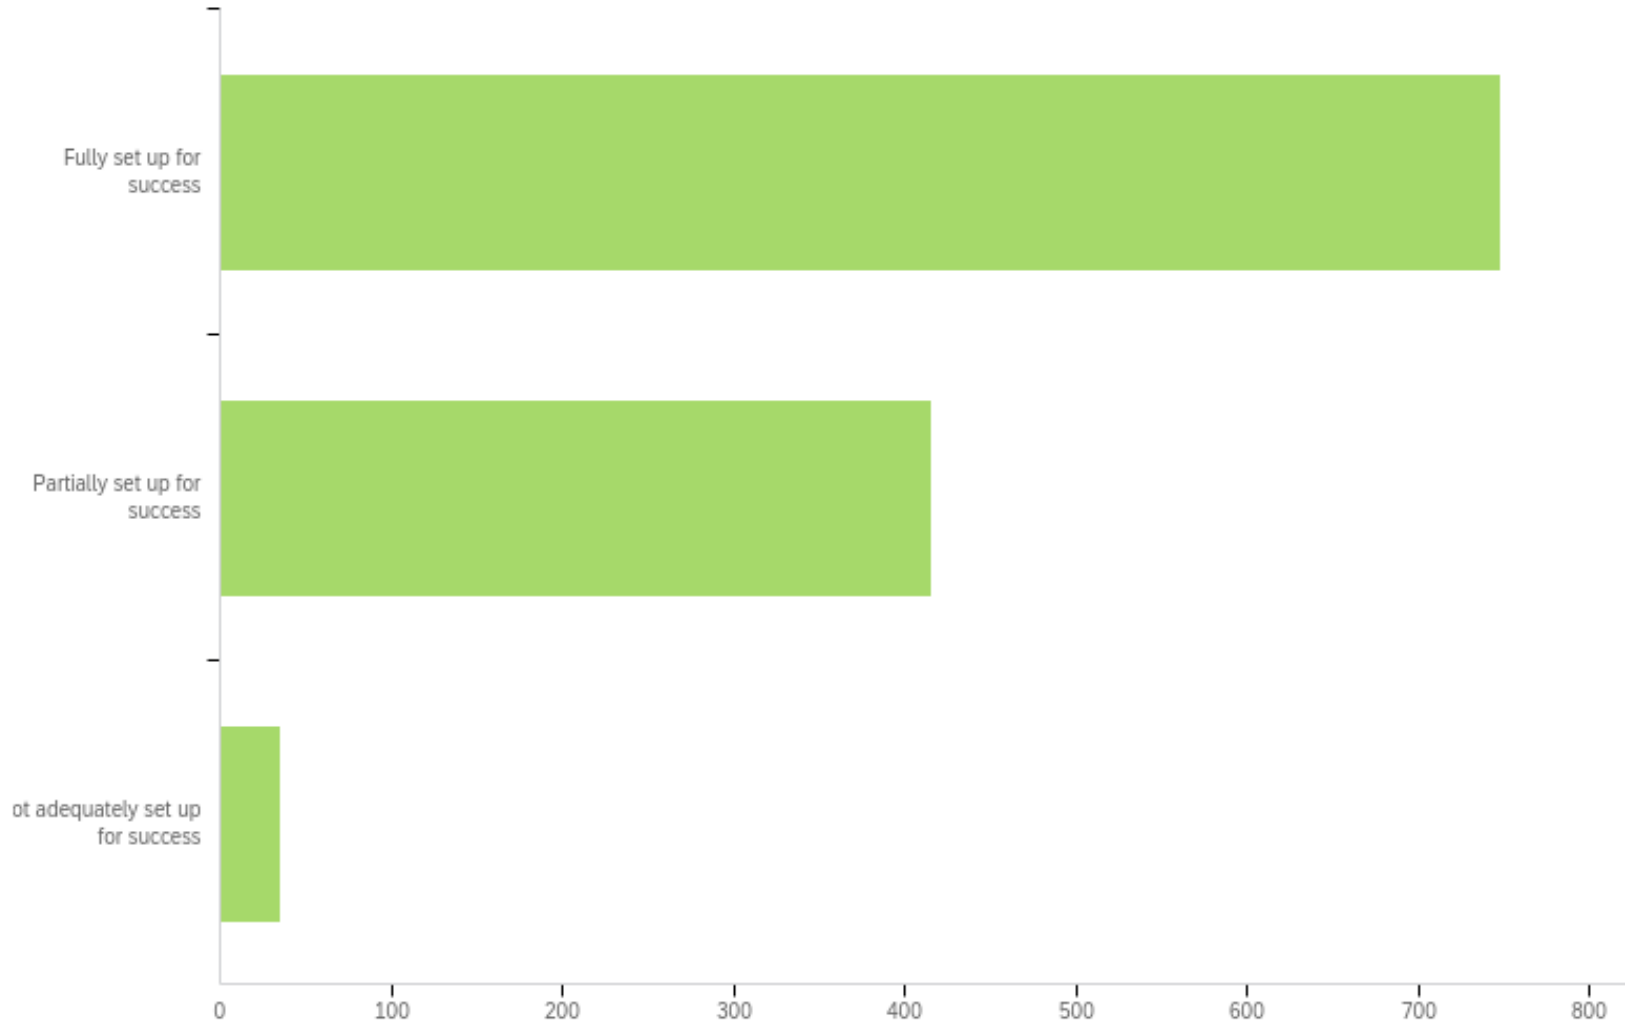

Q2A (Optional) – How can USF Health improve the remote work experience for employees?

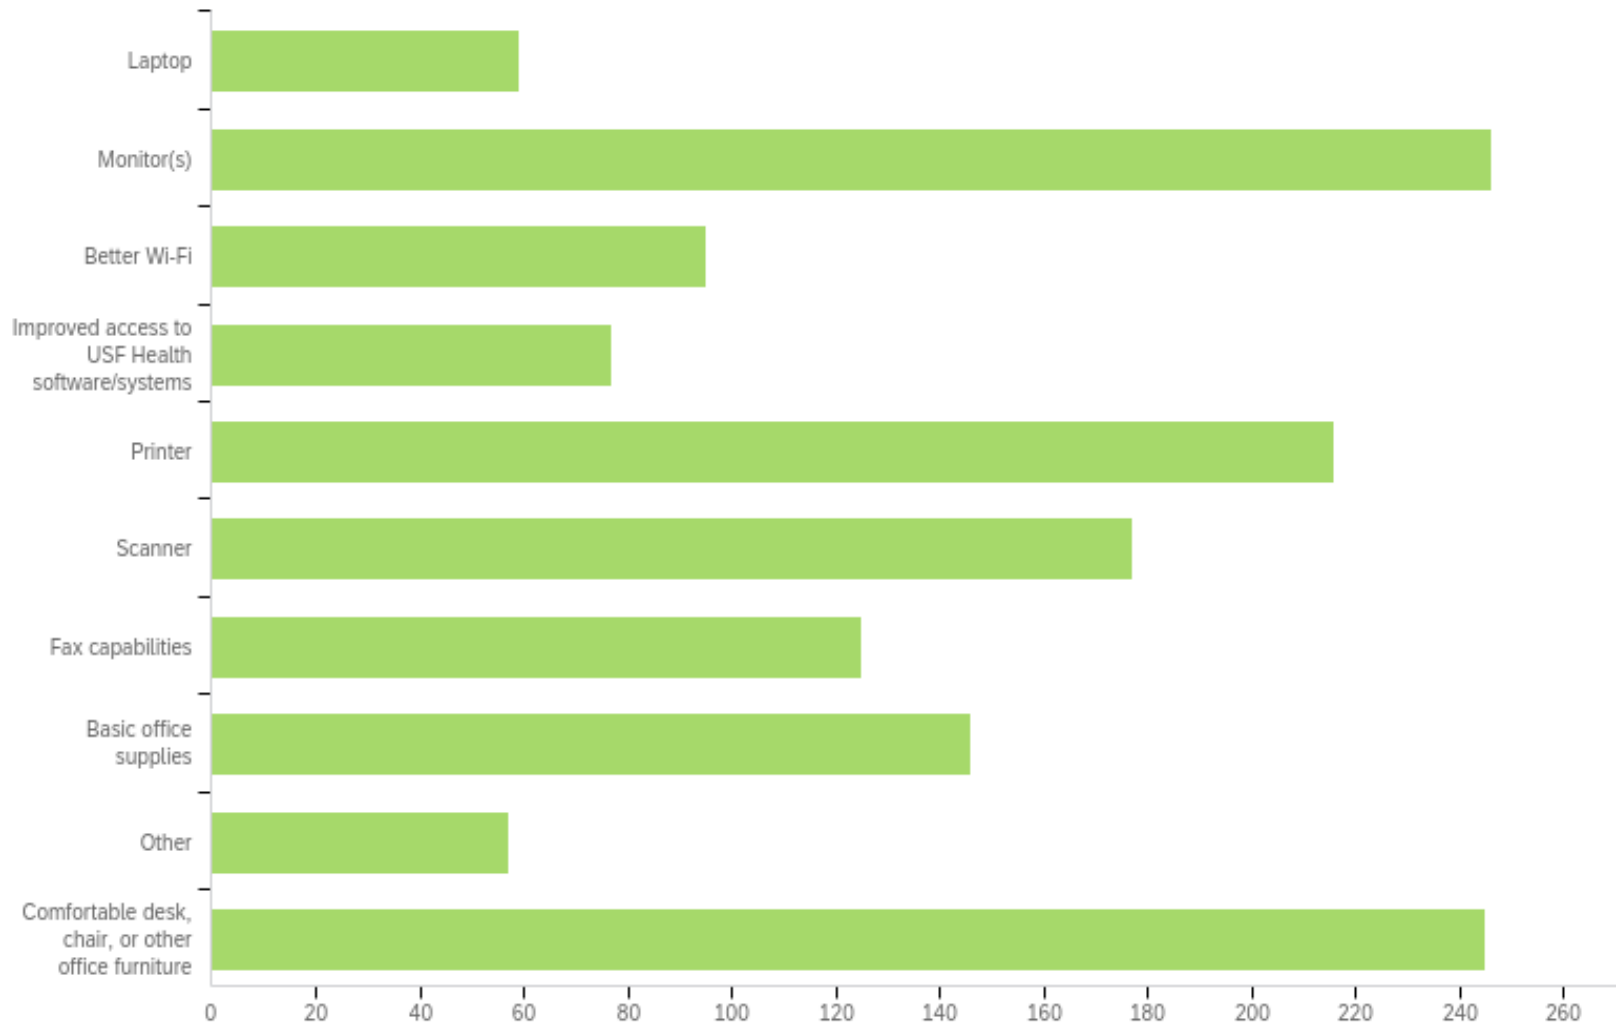

## Common Themes

- Providing computer equipment and supplies to use remotely
- Improving access to software and technology issues
- Maintaining communication and engagement

Q3 - Is your home office adequately set up (equipment, supplies, furniture, Wi-Fi, etc.) to support your success while working from home?

### Q3 - Optional - What else do you need to ensure your success? (Choose all that apply.)

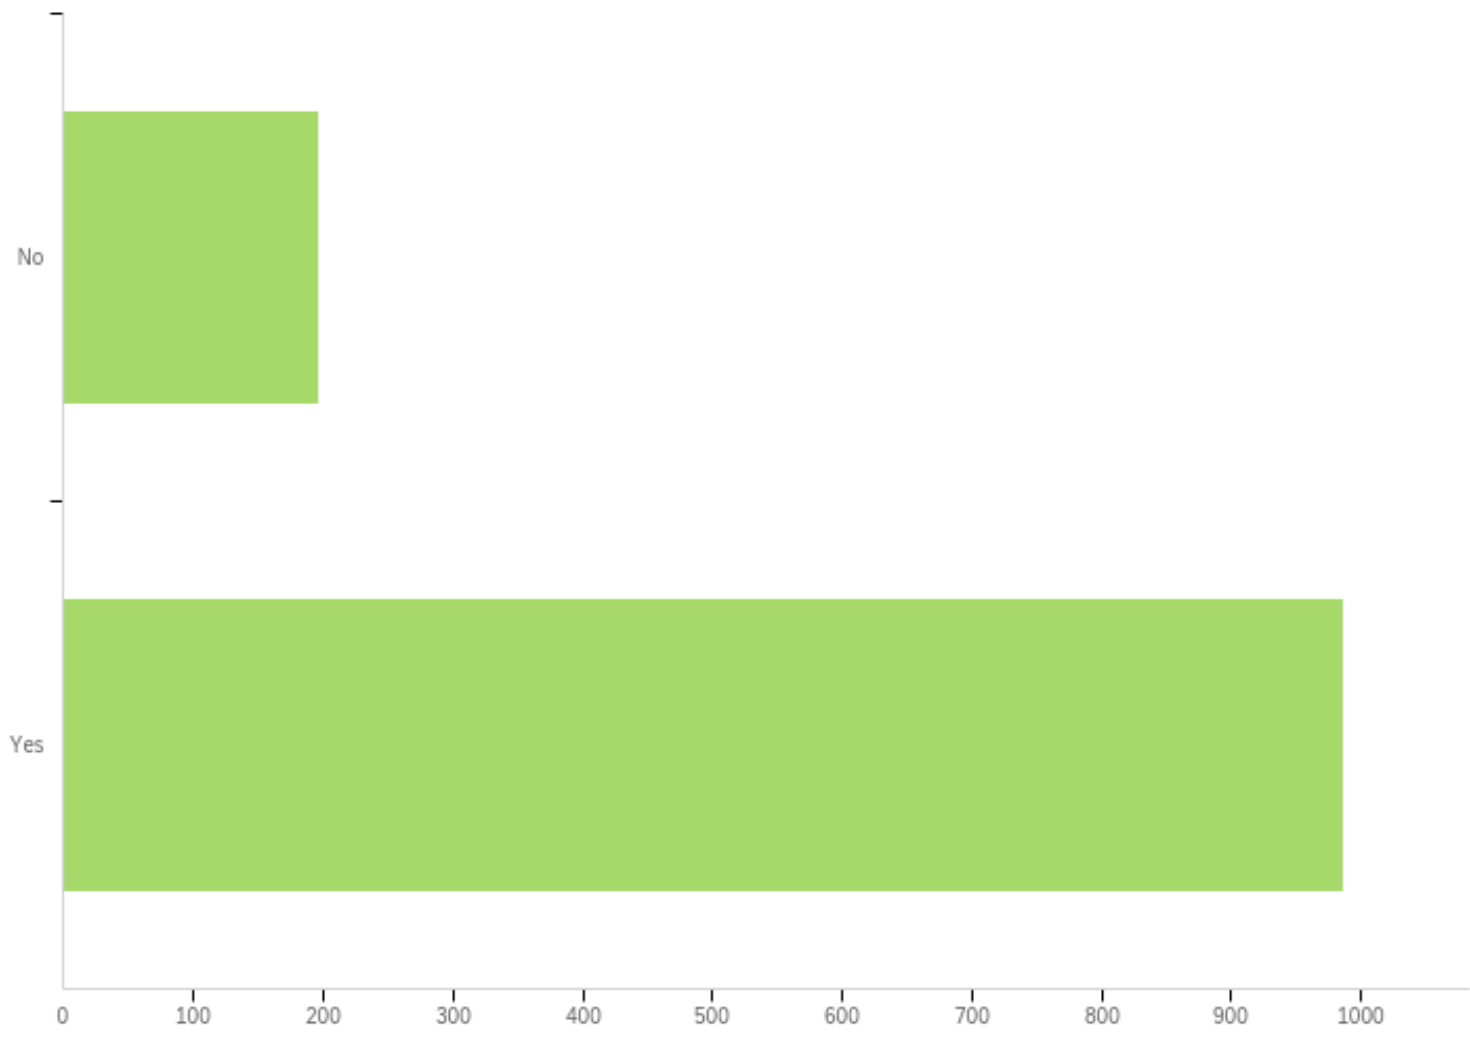

Q3A - Optional - What else do you need to ensure your success?

Other – Common responses mostly related to equipment & supplies

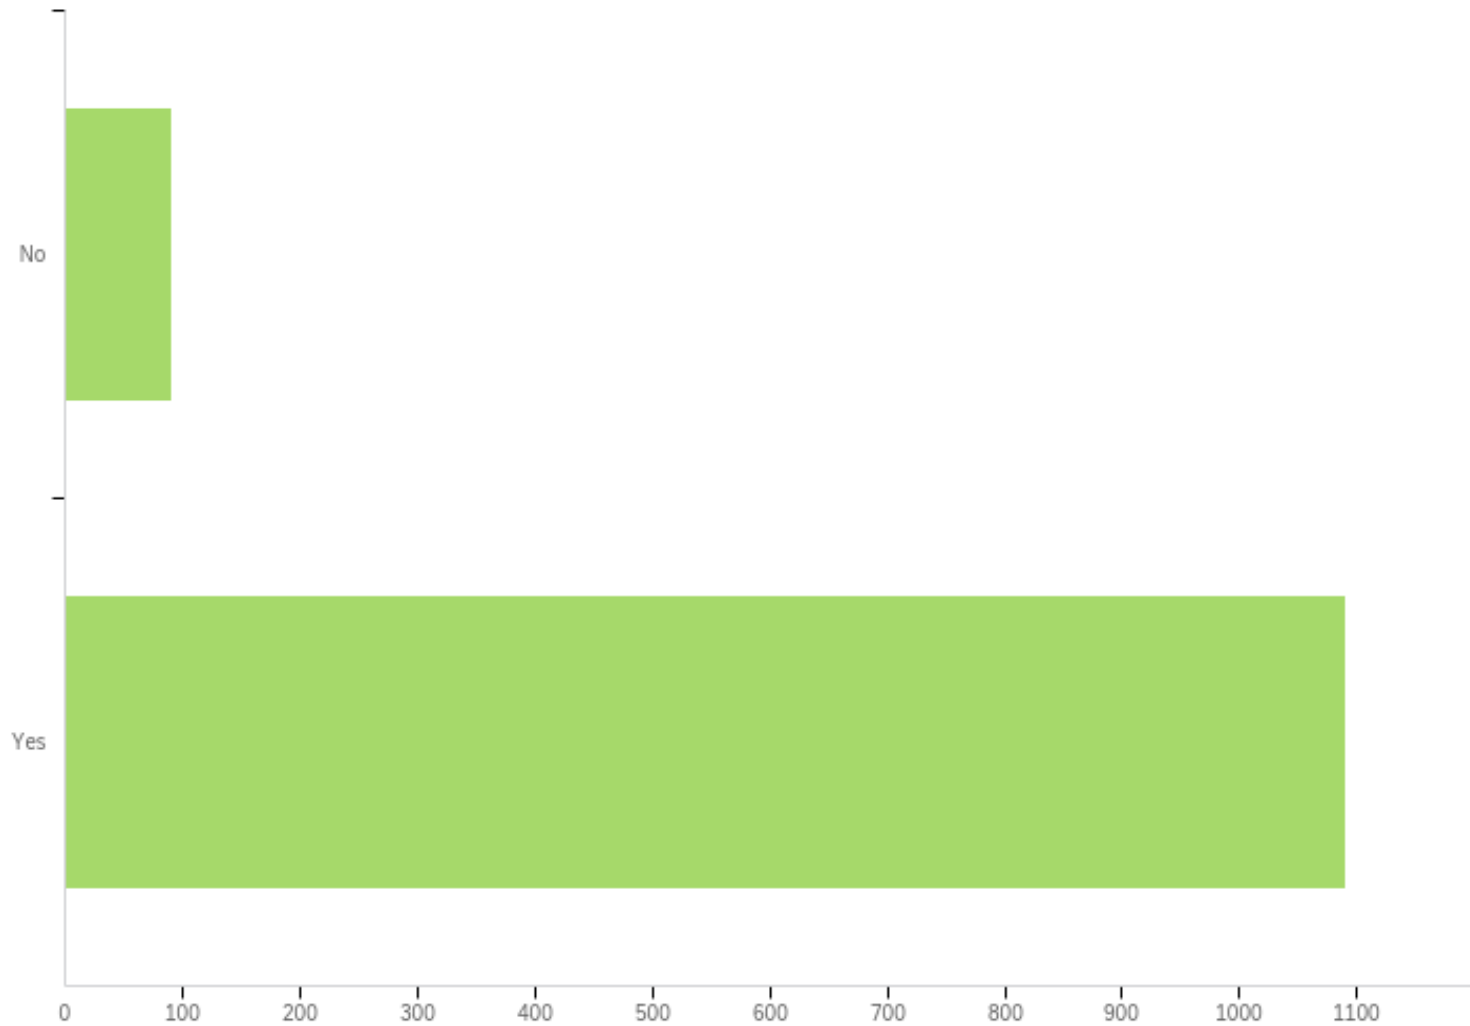

- Phone & headset
- Space/furniture
- Printer & ink
- Desktop computer equipment
- Camera

# Q4 - Do you believe you get more work done when working remotely?

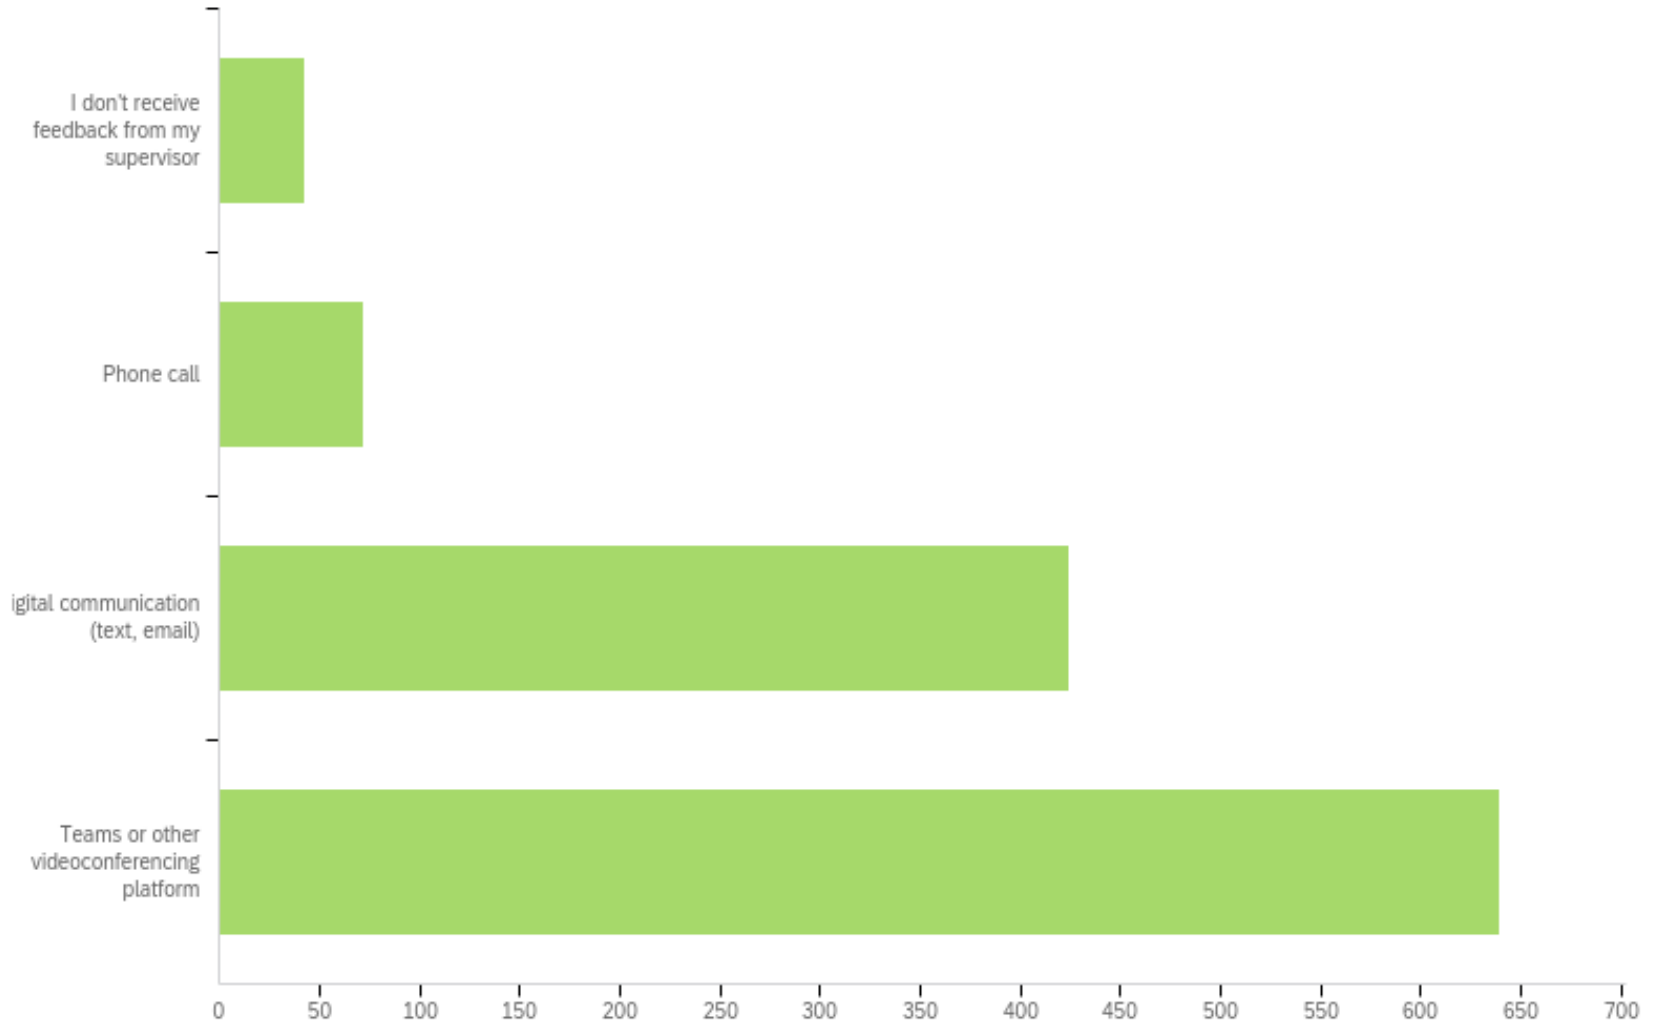

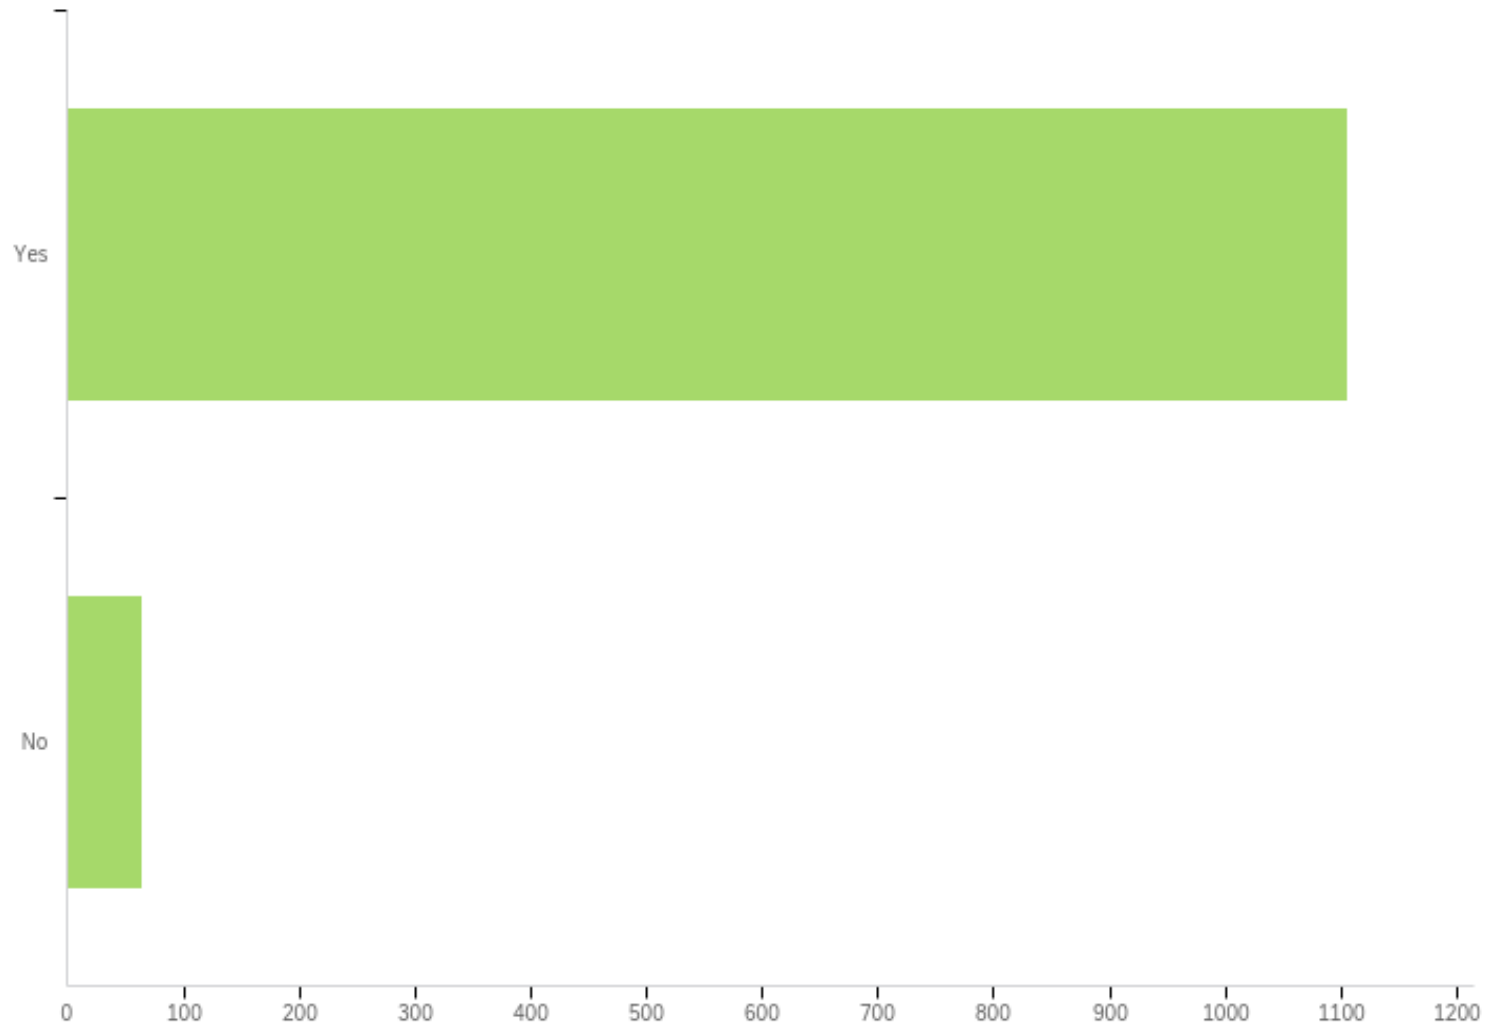

Q5 - Does your supervisor set clear goals that you can easily follow while working from home?

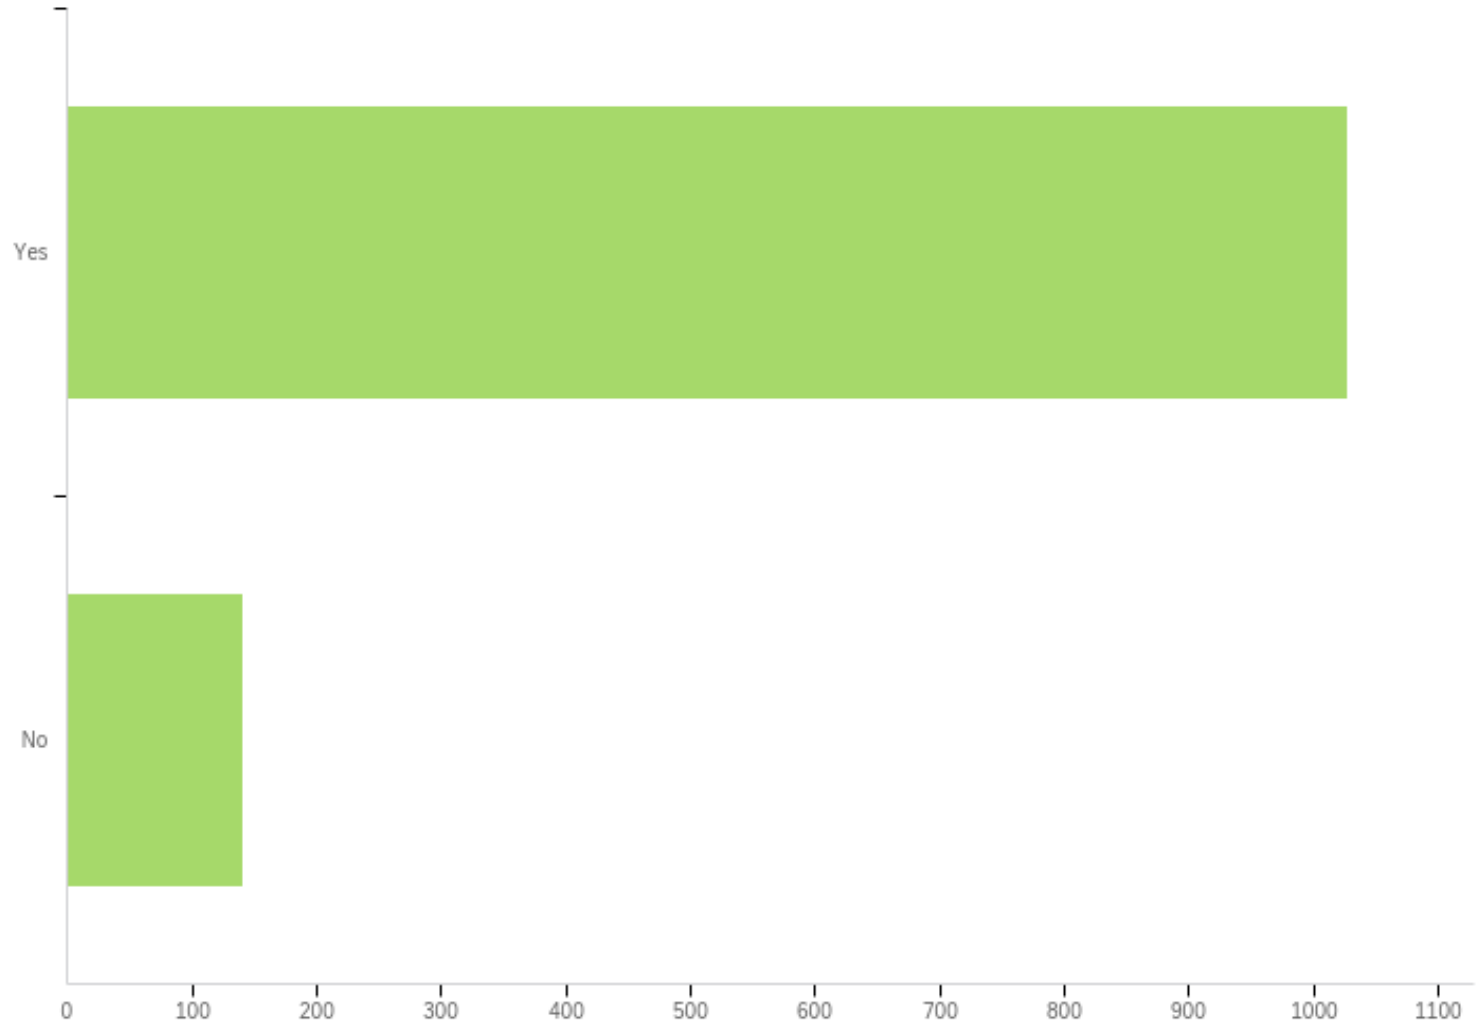

## Q6 - How do you mostly receive feedback from your supervisor while working from home?

# Q7 - Are you happy with how you receive feedback from your supervisor?

Q8 - Does working via Microsoft Teams (or other collaboration platform) provide sufficient interaction with your coworkers to allow a sense of camaraderie?

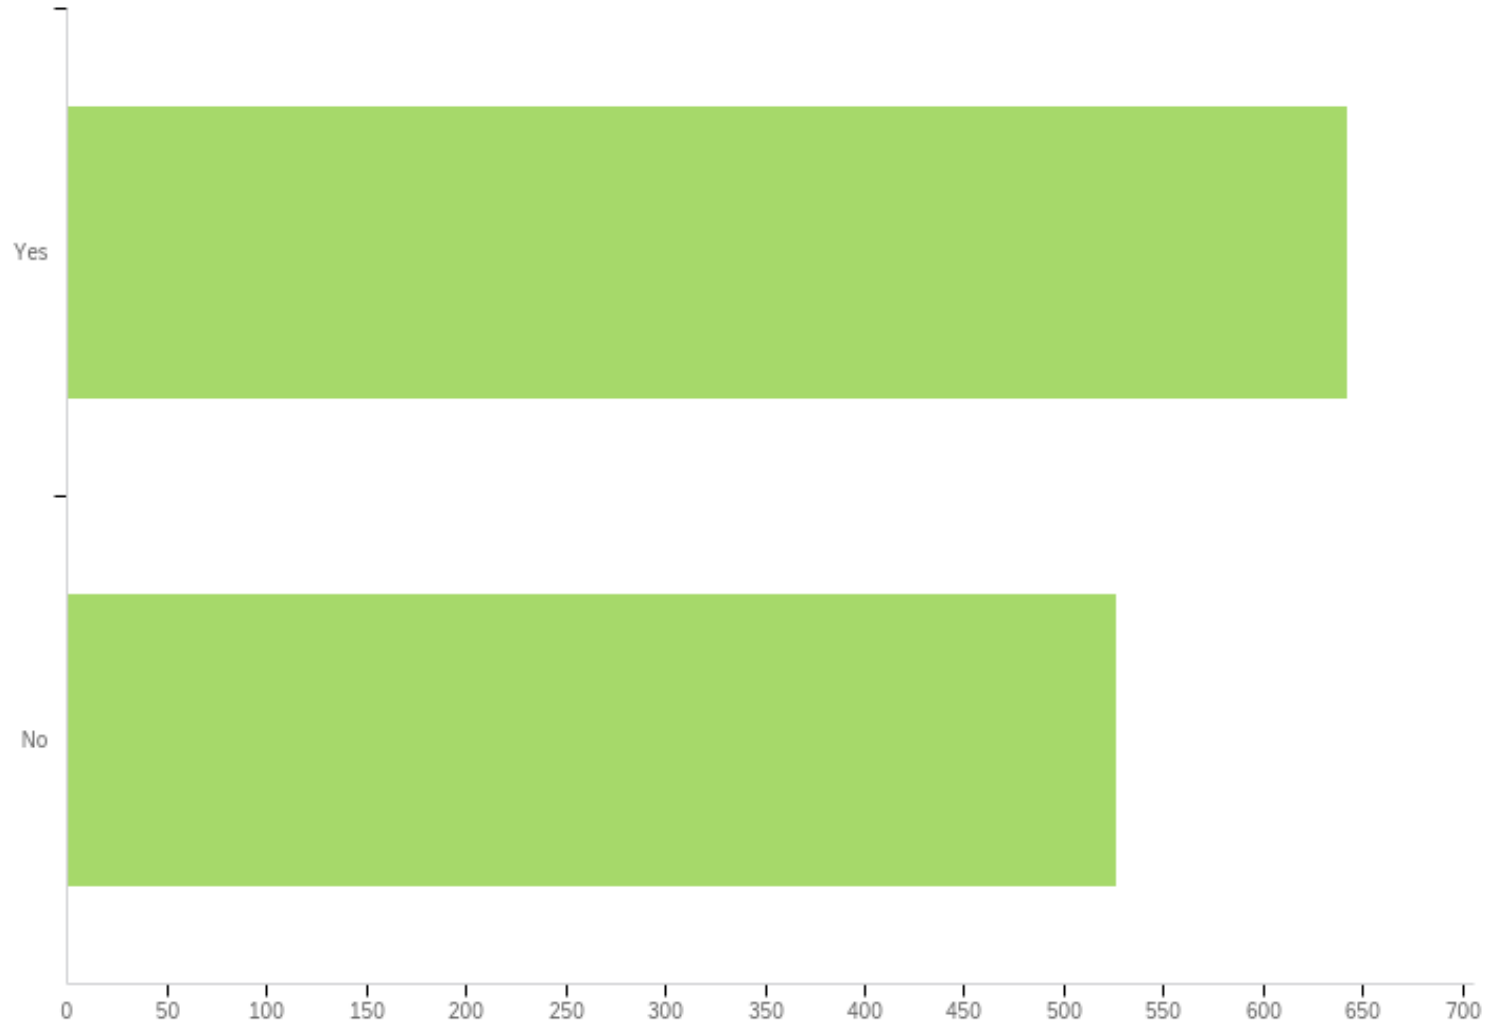

Q&A Optional - What methods do you recommend for fostering a sense of camaraderie for those working remotely?

## Common Themes

- Meetings
  - Maintaining face-to-face meetings where appropriate
  - Expectation to be on camera at least a portion of the time
  - Maintaining regular meetings and check-ins to promote engagement, motivation and sense of camaraderie
- Social Connection
  - Frequent interactions & casual/impromptu meetings
  - Virtual teambuilding opportunities
  - Virtual space for casual interactions

# Q9 - Would you like more training and/or resources on remote work and collaboration tools?

# Q10 - When we begin our “new normal,” do you want to continue working from home?
