DATE: _____ TIME: _____

I, the undersigned, consent to the following operation(s) and/or procedure(s):

Nexplanon hormonal contraceptive implant insertion

to be performed by Dr. _____ and his/her associates and assistants, with knowledge that the attending physician will have primary responsibility for my care specific to the stated procedure.

I understand that physicians who are residents (resident physicians), may also be involved in the procedure(s), including performing one or more significant surgical tasks. I further understand that if resident physicians are involved:

- They will perform portions of the procedure(s) based on their level of competence;
- It will be decided at the time of the procedure(s) which resident physicians will participate and their manner of participation, taking into account the following factors: 1) my condition, 2) the availability of resident physicians with the necessary competence, and 3) the knowledge of the supervising physician of the residents physicians' skill sets;
- Any resident physicians performing surgical tasks will be under the supervision of the supervising physician, though based on the resident physicians' level of competence, the supervising physician may not be physically present in the same room for some or all of the surgical tasks performed by resident physicians.

I have had the opportunity to ask any questions that I have regarding resident physician involvement.

As listed below, certain significant surgical tasks may be performed by qualified medical practitioners who are not physicians, acting within their scope of practice as permitted by State law and their clinical privileges granted by the hospital.
