# The SHARE Approach Essential Steps of Shared Decision Making

Five steps for you and your patients to work together to make the best possible health care decisions.

### Step 1:

## Seek your patient's participation

Communicate that a choice exists and invite your patient to be involved in decisions.

### Step 2:

# Help your patient explore and compare treatment options

Discuss the benefits and harms of each option.

### Step 3:

## Assess your patient's values and preferences

Take into account what matters most to your patient.

### Step 4:

### Reach a decision with your patient

Decide together on the best option and arrange for a followup appointment.

#### Step 5:

### Evaluate your patient's decision

Plan to revisit decision and monitor its implementation.
