How To: Update Your Address in GEMS Self Service

Go to www.usf.edu and click on [MyUSF](#)

Sign in with your **NETID**

Click on **Business Systems > GEMS ****. You will be directed to the Employee Self Service Portal where you will need to click on the **Personal Details** tile, then **Addresses** on the left-hand menu once you click the tile.

***If GEMS does not appear, please call IT Helpdesk at (813) 974-4357, or email Help@usf.edu.*

In the addresses menu, you have an option to update your **Home Address** and **Mailing Address**.

For USF purposes, please enter your **local Florida address** in the **Home Address** field.

Tax forms and other university mailings are sent to your **Mailing Address**. If you want these to be mailed to your local address, enter your local Florida address in the Mailing Address field as well. However, if you are keeping an out-of-state address and would prefer these tax forms and other mailings to be sent to the out-of-state address, enter your out-of-state address in the Mailing Address field.

If you have questions or need help with the Address portion of your GEMS Self Service portal, please contact Payroll Services, UCO_Payroll_Certs@USF.edu or email hannahf@usf.edu.
