### USF INTERNAL MEDICINE & PEDIATRIC DIVISIONS OF ALLERGY AND IMMUNOLOGY

We would like to introduce you to our incoming 2020 fellows in the USF Internal Medicine & Pediatric Divisions of Allergy and Immunology. We wish them all a warm welcome!

*Natalie Diaz-Cabrera, MD*

*1<sup>st</sup> year fellow*

*Internal Medicine Division of Allergy and Immunology*

*University of South Florida Morsani College of Medicine*

Dr. Diaz-Cabrera obtained her medical degree from Sidney Kimmel Medical College at Thomas Jefferson University. She completed her Internal Medicine Residency at the University of South Florida. Her family consists of her parents, an older brother, and her fiancé. In her free time, she enjoys exercising and yoga.

*Donya S. Imanirad, MD*  
*1st year fellow*  
*Internal Medicine Division of Allergy and Immunology*  
*University of South Florida Morsani College of Medicine*

Donya Imanirad was born in Iran and moved to Florida at the age of 15. She earned her medical degree from the Florida State University College of Medicine in Tallahassee, Fl. She completed residency in internal medicine at USF health in Tampa. Her immediate family include Husband, Iman, and daughter, Ariana, who was born during the last year of her residency. She loves traveling, jogging and biking on the shore and eating out, all of which have been on hold for some time given the circumstances. But she also loves spending time with her family.

*Mary Ann Miranda, MD  
1<sup>st</sup> year fellow  
Pediatric Division of Allergy and Immunology  
Johns Hopkins All Children's Hospital*

Dr. Miranda earned a medical degree from Medical College Thiruvanthapuram in India. After completing Internal Medicine residency from Michigan State University, Flint, MI, she worked as a hospitalist. Her family includes husband, Eric, and two daughters, Anisha and Aashna. Eric is a professor of microbiology and immunology. In her leisure time, Dr. Miranda loves listening to music and watching movies.

Priyanka Timothy, MD  
1<sup>st</sup> year fellow  
Pediatric Division of Allergy and Immunology  
Johns Hopkins All Children's Hospital

Dr. Timothy graduated from American University of Antigua College of Medicine in Antigua and Barbuda. She completed a combined Med/Peds residency at Marshfield Medical Center in Marshfield, WI where she also served as a chief resident. Dr. Timothy's immediate family consists of her parents, two sisters and her fiancé. For fun, she loves being outdoors and traveling. She also likes biking, kayaking, and personal fitness.

"I love photography and always bring a camera on my travels. Recently, I purchased a microscope and have even been exploring microscopic photography".

"One interesting thing about me was my first haircut was right when I was born. Apparently, I had a very full head of hair at birth and the nurse went ahead and gave me bangs".

We look forward to working with all our incoming fellows!
