

18th WEEKLY NEWSLETTER

USF INTERNAL MEDICINE & PEDIATRIC DIVISIONS OF ALLERGY AND IMMUNOLOGY

Meet the administrative staff, Pediatric Division of Allergy and Immunology!

The Division of Allergy and Immunology, Department of Pediatrics has two administrative personnel located at All Children's Hospital/Johns Hopkins Medicine, St. Petersburg, FL. They include:

Daniela Sredkova, MPH

Daniela Sredkova is the Pediatric Allergy/Immunology Divisional Administrator and Fellowship Program Administrator. She joined the Division in 2017 after working in a private, nonprofit clinic for several years.

Daniela completed her MD education in Bulgaria, where she worked as a pediatrician until relocating to the US. She pursued an Executive MPH Program at USF and obtained a Master of Public Health degree from USF College of Public Health in 2003.

As Fellowship Administrator, Daniela has been working closely with Dr. Panida Sriaroon on all aspects of the fellowship program, including on-boarding, candidate interviews, reimbursements, graduation, off-boarding, and organizing the visits of international researchers from various countries and rotating clinical fellows from Brazil and Thailand (total >20 visitors in AY2020). Daniela is also a solid engine of our various educational programs including the twice-weekly IM and pediatric A/I joint conferences, monthly Immune Dysregulation Think Tank meetings (local, national, and international speakers), monthly divisional meetings, and social events for the Division. We thank her for her tireless dedication to the pediatric A/I program and fellows.

Daniela lives in Largo. She enjoys reading, outdoor activities and traveling. She has visited more than 25 countries and is planning a trip to Alaska in the near future.

Fellowship Program 2019:

L to R: Panida Sriaroon, MD, Chitty Lopez, MD, Irina Dawson, MD, Daniela Sredkova, MPH, Jacqueline Squire, MD, and Mark Ballow, MD.

Daniela Sredkova (center), High rope course at USF organized by Graduate Medical Education (GME):

Yolanda D. Alexander, MBA

Yolanda Alexander is the Fiscal and Business Analyst of the Pediatric Allergy/Immunology Division. She joined the Division in 2018. Yolanda received her Bachelor of Business Administration in Finance from Augusta State University in 2004 and Master of Business Administration in General Management from Troy University in 2006. She is also a Nationally Certified Accredited Financial Counselor with the Association for Financial Counseling and Planning Educator (AFCPE).

Yolanda manages all aspects of pediatric A/I financial administration including financial analysis and projections, budget and fiscal management, NIH grant applications, and industry-sponsored and society grants. She is a highly essential member of our team and we thank her for her diligent management of research funding in our Division.

Yolanda is a proud military spouse and mother of two. She lives in Riverview, Fl and likes to shop, travel and make memories with her family during her spare time.

Yolanda with her family in Wahiawa, Hawaii

Back: Andre, Yolanda

Front: Aaden, Kiersten
