Steps After Completing LEARN Training

IMPORTANT

It is highly recommended that you save and print a copy of any certificates you earn in the process of completing required training in the Learn system. In the event of a technical or reporting error, being able to provide a copy of your completion certificate(s) will prevent you from having to repeat the training modules.

If you experience any issues with saving or printing a copy of any earned certificates, contact USF Health Technology Services at support@health.usf.edu, <https://livechat.health.usf.edu>, or (813) 974-6288.

Once you have completed all of the online courses in LEARN, notify Revenue Cycle Operations (RCO) via email.

Provider Enrollment – providerenrollment@health.usf.edu
