IMPORTANT INFORMATION

In order to make choices about your health care coverage and treatment, we believe that it is important for you to understand how your plan operates and how it may affect you. In an ever-changing environment, the information can never be complete and we urge you to contact us if, after enrollment, your Certificate of Coverage or other materials do not answer your questions. Further information is available at **www.myuhc.com** or the at toll-free Customer Care number located on the back of your identification card or on other plan materials.

1. We do not provide health care services or make treatment decisions. We help finance and/or administer the health benefit plan in which you are enrolled. That means:
   - We make decisions about whether the health benefit plan you chose will reimburse you for care that you may receive.
   - We do not decide what care you need or will receive. You and your provider make those decisions.
2. We may enter into arrangements where another entity carries out some of our duties, but those entities must operate consistently with our commitment to your plan.
3. We may use individually identifiable information about you to identify for you (and you alone) procedures, products, and services that you may find valuable.
4. We contract with networks of physicians and other providers. Our credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided.
5. Physicians and other providers in our networks are independent contractors and are not our employees or agents. We do not control nor do we have a right to control your provider's treatment or plan.
6. We may enter into agreements with your physician or other provider to share in the cost savings that our approach may generate. We encourage providers in our network to disclose the nature of those arrangements with you. If they do not, we encourage you to talk to your provider about these arrangements.
7. We encourage physicians and other providers to talk with you about care you or your provider think might be valuable.
8. We will use individually identifiable information about you as permitted by law, including in our operations and in our research. We will use anonymous data for commercial purposes including research.
