"Tennessee's Tobacco Trifecta: Evidence-based policy & practice translated into statewide action with resultant decline in tobacco use"

Monday, April 26, 2010

12:00 – 1:00 pm

The Samuel P. Bell, III Auditorium, COPH 1023-A

Cathy R. Taylor, DrPH, MSN, RN is Assistant Commissioner and Director for the Tennessee Department of Health's Bureau of Health Services Administration where she oversees administration of primary care and disease prevention services and programs in Tennessee's 89 rural and 6 metropolitan county health departments and 13 regional offices. She is also currently acting Title V, Maternal & Child Health Program director.

Dr. Taylor previously served as Vanderbilt University School of Nursing assistant professor of nursing and as Director of the Meharry-Vanderbilt Disease Management Program. Gov. Phil Bredesen appointed her to chair the Tennessee Center for Diabetes Prevention and Health Improvement Board in 2006, and she has served as consultant on projects for organizations including the U.S. Department of Health and Human Services, and the Maternal and Child Health Bureau's Leadership Institute. Her work has been published in *Diabetes Care*, *Maternal and Child Health Journal*, *Quality and Safety in Health Care*, and *Concepts and Models for Service Learning in Nursing*.
