Dr. Adewale Troutman, Director, Louisville Metro Department of Public Health and Wellness

Monday, February 8, 2010  
12:00 pm

The Samuel P. Bell Auditorium – Room #1023 A  
USF College of Public Health

**Dr. Adewale Troutman has had a distinguished record of achievement in public health education, leadership, research, and advocacy. Currently, he is the Director of the Louisville Metro Department of Public Health and Wellness where he leads the department’s 350 employees in the protection, preservation and promotion of the health, environment and well-being for the country’s 16th largest city. In addition, Dr. Troutman serves as an Associate Professor at the University of Louisville School of Public Health. Dr. Troutman currently serves on the executive committee of the National Academy for Health Equity. He was recently recruited by the U.S. Secretary of Health and Human Services to serve on his National Health Promotion and Disease Prevention Objectives for 2020. Dr. Troutman also co-chairs the Member Advisory Committee to the CDC on eliminating health disparities. He is a member of the National Association of City and County Health Officials, the National Board of Public Health Examiners, and is a former member of the governing council of the American Public Health Association.**
