

Student Travel Award

Purpose

To provide travel, lodging, and registration costs for a student to attend a scientific meeting.

Eligibility

A student in the MD, PHD and DPT program who has an accepted abstract or presentation at a regional, national, or international meeting.

Budget

The award will provide 50% of the above costs up to a maximum of \$1,000.

Documents

- a) A curriculum vitae.
- b) Letter from a ranked faculty member describing your research focus, contributions to the project, and benefits of attending the conference. This faculty must have an active appointment at USF.
- c) Copy of abstract if applicable.
- d) Verification that student has an accepted abstract or will provide a presentation at the meeting.
- e) Printout of the specifics of the meeting (may be taken from the meeting website) showing name of meeting, its purpose, and dates of the meeting.
- f) Proposed budget, such as estimated airfare or ground transportation, hotel costs, etc.

Deadline for submission:

There is no specific deadline for submission or awarding of this funding. However, submissions must be at least 6 weeks prior to meeting date.

Please submit all documents in one single PDF file as an email attachment to:
